Join us for the American Cancer Society's 8th Annual Relay For Life in the city of Fontana.

Relay For Life is a fun-filled overnight event designed to celebrate survivorship and raise money for research and programs of your American Cancer Society. During the event, teams of people gather at schools, fairgrounds, or parks and take turns walking or running laps. Each team tries to keep at least one team member on the track at all times.

Relay For Life represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day, cancer will be eliminated.
