

Summit High School

9680 Citrus Avenue • Fontana • California • 92335 • (909) 357-5000 x7072
(Temporary Address)

May 2006

Dear Summit Students, Parents and Guardians,

We will be holding an Orientation Meeting at Sierra Lakes Elementary School to provide you with a brief overview of what Summit High School will be offering as far as curriculum and activities. We had hoped to have this meeting on our campus, however, construction has not yet been completed. Rest assured, we will offer tours of Summit High School at a later date.

Our orientation will be Tuesday, June 6th, at 6:30 p.m. in the Multipurpose Room. We will begin with a brief introduction of staff members, then a presentation of general information regarding academic classes, AVID, electives, counseling, and athletics, followed by a question and answer segment. You will also have the opportunity to meet with Summit High School staff members representing groups such as: athletics, music, cheerleading, etc.

Sierra Lakes Elementary School is located at the corner of Citrus Avenue and Summit Avenue just north of the 210 freeway. Please see map below.

We look forward to meeting you and to a wonderful opening year.

Sincerely,
Micheal Andrus
Principal

Tendremos una junta de Orientación en la escuela elemental Sierra Lakes para darles un breve repaso de lo que ofrecerá la preparatoria Summit High School con programas cuniculares y actividades. Esperábamos tener la junta en nuestro campo escolar, sin embargo la construcción no está completada. Queremos asegurarles que ofreceremos visitas a Summit High School en una futura fecha.

Nuestra orientación será el martes, 6 de junio a las 6:30 en el salón de Multiuso (Multipurpose). Comenzaremos con una breve presentación del personal docente, y luego una presentación con información general tratando con clases académicas, AVID, electivos, consejería, atletismo, y después una breve sesión de preguntas y respuestas. También tendrán la oportunidad que conocer al personal docente de Summit High School, los cuales representarán muchos grupos: atletismo, música, canto, etc.

Sierra Lakes Elementary School está localizada en la esquina de Citrus Avenue y Summit Avenue al norte del freeway 210. Por favor vean el mapa debajo.

Esperamos de conocerlos y también de tener un maravilloso comienzo del año escolar.

Sinceramente,
Micheal Andrus
Director
