Subject: New Elementary School Boundaries

[E1]

Dear Parent/Guardian:

Fontana Unified School District is opening a new high school, Jurupa Hills High School, in August 2010. This requires attendance boundaries to be changed for all high schools. Changes were also needed for some elementary and middle school boundaries to balance student populations and better align elementary, middle, and high school boundaries. New boundaries for the 2010-11 school year were approved by the Board of Education on March 18, 2009.

You live in an area that has been affected by these changes. Your Kindergarten through 3rd grade student(s) will automatically be enrolled at Your New Elementary School for the 2010-11 school year. Elementary school student(s) currently in grade 4 or higher will continue to attend their current school.

Your New Elementary School is located at [insert address], Fontana, CA.

You may visit the FUSD website to check which school your student(s) will attend using the 2010-11 School Locator: <http://www.fUSD.net/scripts/whatschool/whatschool2011.asp> and you can download Attendance Boundary Maps at: <http://www.fUSD.net/schools/maps.stm>.

Sincerely,
