Join us for the 11th Annual Relay For Life in the city of Fontana.

Relay For Life is a fun-filled event designed to celebrate survivorship and raise money for research and programs of your American Cancer Society. During the event, teams of people gather at schools, fairgrounds, or parks and take turns walking or running laps. Each team tries to keep one team member on the track at all times during the 24 hour Relay.

Relay For Life represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day, cancer will be eliminated.
