September 1, 2014	2014-2015

The Fontana Unified School District had been planning on implementing a Transitional Kindergarten program for the next school year. However, given the ongoing budget crisis and contingency on the approval of the State Budget the District will proceed in the following manner:

- Students that turn 5 on or before September 1 will be enrolled in regular kindergarten.
- Students that turn 5 between September 2 and November 1 will be enrolled in regular kindergarten and parents will be notified that this enrollment is contingent upon the final budget passed by the state legislature.
- Students that turn 5 between November 2 and December 2 will submit enrollment documents and be placed on a waiting list to finalize the enrollment process in a Transitional Kindergarten program at a later date if the legislature passes a budget providing funding for this program.
