

“A Hero’s Dinner”

A Fundraiser for

Mickey S. McElwain

August 1, 1950 – January 13, 2004

Mickey was badly burned in the Grand Prix fire while evacuating his parents. It is because of his heroic efforts that his parents made it out safely. However, Mickey was burned over 80% of his body. Sadly, Mickey left us on Tuesday, January 13, 2004, at the Arrowhead Regional Medical Center Burn Ward where he had been under intensive medical care.

Please join Mickey’s family, friends, and co-workers of the Fontana Unified School District for a pasta dinner and entertainment to benefit Arrowhead Regional Medical Center Burn Unit.

WHEN:

Friday, March 19, 2004
Starts at 4:00 p.m.
Dinner served from 5:00 to 8:00 p.m.
