

Board Policy

BP 1330

Community Relations

Use of School Facilities

The Board of Education recognizes that the primary use of District facilities is for school programs and activities. The Board of Education authorizes the use of school facilities by community groups for purposes provided for in the Civic Center Act when such use does not interfere with school educational programs and activities. Such use shall be subject to District administrative regulations and procedures.

The Board of Education directs the superintendent to establish administrative regulations governing the use of school facilities.
