A Message from the Superintendent

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. As we enter the 21st Century, it is abundantly clear that the Board of Education and staff are using this goal to help ensure that all students reach their maximum potential.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

Karen J. Harshman, Ed.D.
Superintendent of Schools

INDICATORS OF THE CONDITIONS OF THE SCHOOL

**Pupils' Progress Toward Meeting Academic Goals in Reading, Writing, and Math
1998-1999 School Year
Ed. Code Section 33126(1)**

Comparisons of average NCE scores per grade on the SAT-9 test from 1997-98 to 1998-99 indicate some gains in most grades and subjects. We continue as a staff to work on refining our students' progress through effective teaching practices, after-school tutoring for selected students, intersession programs for students at risk of retention, services from our Site Literacy Leader, and the purchase of new instructional materials in Language Arts. It is our goal to improve student performance on the SAT-9 in the future through these and other strategies.

Expenditures & Services Offered

Although funding in many budget categories for Locust Elementary School is established in the District budget adopted by the Board of Education, valuable information is available at the school site. The following are significant:

- a) For 1998-1999 the school received \$21,347 for instructional purposes.
- b) In addition to state and local revenues received for general education, the school received the following categorical funds from special state and federal programs: \$102,250 from Title I funds, \$56,392 School Based Coordinated Program, \$36,547 Bilingual (EIA/LEP), \$4,104 Title IV funds, and \$3,100 for Gifted and Talented Education.

Counseling and Other Pupil Support Services

Locust School provides district programs as well as approved community resources that are made available to students and parents. Intervention for our students is provided at the earliest recognition of concern. These interventions may include, but are not limited to, alternatives to school suspension; homework/tutoring after school; school psychologist, a wide variety of special education services; school nursing staff and immunization clinics; early childhood education programs; law enforcement programs; and an Early Mental Health Initiative "PIP" program for primary grades.

Attendance Rate

Locust Elementary School continues to recognize and emphasize the importance of regular attendance throughout the school year, and is identifying at-risk students to help stem the drop-out rate in later school years. For state apportionment purposes, the attendance rate at Locust Elementary School in 1997-1998 was 98.44%.

Textbooks and Instructional Materials

The district provides Locust with textbooks and supplemental materials to support the school's instructional program. A district committee comprised of teachers and administrators selects the state approved textbooks for piloting, after which a selection is made for the district. Consistent with school district policy, all textbooks are within the seven year adoption cycle.

Locust's students have access to an abundance of instructional materials and books including good literature in the classrooms and the school library. Manipulatives, models and "hands-on" equipment are available for mathematics and science instruction.

Classroom Discipline & Climate for Learning

Locust School provides an orderly and safe learning environment. Our school follows a firm but fair disciplinary plan established by our Safe School Committee which is consistent with federal and state law as well as our local board of education policy regarding student discipline. This plan and other actions designed to protect the safety of our students and staff help us maintain an environment where all elements of our school community may interact with mutual respect of differing cultural, racial and religious backgrounds.

Teacher Evaluation

Fontana Unified School District policy establishes regular periodic evaluations of all probationary and tenured teachers which exceeds the evaluation requirements of state law.

Substitute Teachers

Fontana Unified School District maintains an eligibility list of substitute teachers. The placement of substitute teachers in the District is monitored daily. Substitute teachers are paid a daily wage ranging from \$85.00-\$100.00.

Substitute teachers who are not employed as regular Fontana Unified School District teachers must also have a bachelor degree and have passed the California Basic Skills Test in order to substitute. Substitutes must attend annual training which is provided by the District.

Safety, Cleanliness, & Adequacy of School Facilities

Locust School has established a Safe School Committee where open communication with students, staff, the community and support agencies such as law enforcement, have enabled us to provide a safe, clean and inviting facility where our students can learn and our teachers can teach. When concerns arise, they are addressed in a timely fashion within available resources. Major and minor maintenance concerns are attended to promptly in support of the safety and physical appearance of our campus.
