***A Message from the Superintendent***

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. As we enter the 21st Century, it is abundantly clear that the Board of Education and staff are using this goal to help ensure that all students reach their maximum potential.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

Karen J. Harshman, Ed.D.  
Superintendent of Schools

**INDICATORS OF THE CONDITIONS OF THE SCHOOL**

**Pupils' Progress Toward Meeting Academic Goals in Reading, Writing, and Math 1998-1999 School Year**

The academic goals focus on reading comprehension, problem solving in math, and a greater emphasis on writing at all grade levels. At each grade level, Mango staff identified specific weak areas in comprehension and math problem solving items. Literacy tutors will be trained to assist students in meeting these academic goals.

**Expenditures & Services Offered**

Although funding in many budget categories for Mango Elementary School is established in the District budget adopted by the Board of Education, valuable information is available at the school site. The following are significant:

- a) For 1998-99 the school received \$26,695 for instructional purposes.
- b) In addition to state and local revenues received for general education, the school received the following categorical funds from special state and federal programs: SIP \$64,233, Title I \$119,500, Title VI \$4,695, EIA/LEP \$53,962 and GATE \$2,300.

**Attendance Rate**

Mango Elementary School continues to recognize and emphasize the importance of regular attendance throughout the school year, and is identifying at-risk students to help stem the drop-out rate in later school years. For state apportionment purposes, the attendance rate at Mango Elementary School in 1997-98 was 99.52%.

**Textbooks and Instructional Materials**

The district provides Mango with textbooks and supplemental materials to support the school's instructional program. A district committee comprised of teachers and administrators selects the state approved textbooks for piloting, after which a selection is made for the district. Consistent with school district policy, all textbooks are within the seven year adoption cycle.

Mango's students have access to an abundance of instructional materials and books including good literature in the classrooms and the school library. Manipulatives, models and "hands-on" equipment are available for mathematics and science instruction.

**Safety, Cleanliness, and Adequacy of School Facilities**

Mango School has established a Safe School Committee where open communication with students, staff, the community and support agencies such as law enforcement, have enabled us to provide a safe, clean and inviting facility where our students can learn and our teachers can teach. When concerns arise, they are addressed in a timely fashion to maintain a safe, secure and pleasant environment.

**Counseling and Other Pupil Support Services**

Mango School provides district programs as well as approved community resources that are made available to students and parents. Intervention for our students is provided at the earliest recognition of concern. These interventions may include, but are not limited to, alternatives to suspension from school; school psychologist; special education services; school nurse; immunization clinic; healthy start clinics; providing free or low cost medical and dental care; early childhood education programs; law enforcement; probation; county mental health.

**Classroom Discipline & Climate for Learning**

Mango School provides an orderly and safe learning environment. Our school follows a firm but fair disciplinary plan established by our Safe School Committee which is consistent with federal and state law as well as our local board of education policy regarding student discipline. This helps our school maintain an environment where students, parents, staff and community communicate in a manner that is respectful to all cultural, racial and religious backgrounds.
