A Message from the Superintendent

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. As we enter the 21st Century, it is abundantly clear that the Board of Education and staff are using this goal to help ensure that all students reach their maximum potential.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

Attendance Rate

Redwood Elementary School continues to recognize and emphasize the importance of regular attendance throughout the school year, and is identifying at-risk students to help stem the drop-out rate in later school years. For state apportionment purposes, the attendance rate at Redwood Elementary School in 1997-1998 was 98.99%.

Textbooks and Instructional Materials

The district provides Redwood with textbooks and supplemental materials to support the school's instructional program. A district committee comprised of teachers and administrators selects the state approved textbooks for piloting, after which a selection is made for the district. Consistent with school district policy, all textbooks are within the seven year adoption cycle.

Redwood's students have access to an abundance of instructional materials and books including good literature in the classrooms and the school library. Manipulatives, models and "hands-on" equipment are available for mathematics and science instruction.

Counseling and Other Pupil Support Services

Redwood School provides district programs as well as approved community resources that are made available to students and parents. School site counseling is available. Intervention for our students is provided at the earliest recognition of concern. These interventions may include, but are not limited to, alternatives to suspension from school; school psychologist; special education services; school nurse; immunization clinic; healthy start clinics; providing free or low cost medical and dental care; child care programs; early childhood education programs; law enforcement.

Classroom Discipline & Climate for Learning

Redwood School strives to provide an orderly and safe learning environment. Our school follows a firm but fair disciplinary plan established by our Safe School Committee which is consistent with federal and state law as well as our local board of education policy regarding student discipline. This helps our school maintain an environment where students, parents, staff and community communicate in a manner that is respectful to all cultural, racial and religious backgrounds.
