A Message from the Superintendent

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. As we enter the 21st Century, it is abundantly clear that the Board of Education and staff are using this goal to help ensure that all students reach their maximum potential.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

Karen J. Harshman, Ed.D.
Superintendent of Schools

INDICATORS OF THE CONDITIONS OF THE SCHOOL

Pupils' Progress Toward Meeting Academic Goals in Reading, Writing, and Math • 1998-1999 School Year

South Tamarind students took the Math section of the ITBS Achievement Test in the spring of 1998. Our students also took the Reading, Math and Language sections of the Stanford Achievement Test-9(SAT-9). Both standardized tests are multiple choice tests, and the results compare our students to the national "norm group". Students from various parts of the United States took this test to establish the "norm" or expected scores for students at each grade level. The 1997-1998 school year was the first time we collected data from the SAT-9. The SAT-9, not aligned with the California Challenge Standards or our curriculum, serves to compare a portion of our instructional program with that of other schools.

South Tamarind maintains high expectations for student achievement and is making progress toward academic excellence. An analysis of standard test scores showed that students in most grade levels experienced growth in Reading, Math and Language when compared to previous years' test scores.

Standardized Test Results

ITBS/SAT-9 1997-1999 • Average NCE Score

Expenditures & Services Offered

Although funding in many budget categories for South Tamarind Elementary School is established in the District budget adopted by the Board of Education, valuable information is available at the school site. The following are significant:

- a) For 1997-1998 the school received \$38,072 for instructional purposes.
- b) In addition to state and local revenues received for general education, the school received the following categorical funds from special state and federal programs: \$160,539 from Title I funds, \$56,722 School Based Coordinated Program, \$63,276 Economic Impact Aid/Limited English Proficient, \$6,485 Title VI, and \$1,350 for Gifted and Talented Education.

Attendance Rate

South Tamarind Elementary School continues to recognize and emphasize the importance of regular attendance throughout the school year, and is identifying at-risk students to help stem the drop-out rate in later school years. For state apportionment purposes, the attendance rate at South Tamarind Elementary School in 1997-1998 was 98.99%.

Textbooks and Instructional Materials

The district provides South Tamarind with textbooks and supplemental materials to support the school's instructional program. A district committee comprised of teachers and administrators selects the state approved textbooks for piloting, after which a selection is made for the district. Consistent with school district policy, all textbooks are within the seven year adoption cycle.

South Tamarind's students have access to an abundance of instructional materials and books including good literature in the classrooms and the school library. Manipulatives, models and "hands-on" equipment are available for mathematics and science instruction.

Counseling and Other Pupil Support Services

South Tamarind School provides district programs as well as approved community resources that are made available to students and parents. Schoolsite counseling is available. Intervention for our students is provided at the earliest recognition of concern. These interventions may include, but are not limited to, alternatives to suspension from school; school psychologist; special education services; school nurse; immunization clinic; healthy start clinics; providing free or low cost medical and dental care; child care programs; early childhood education programs; law enforcement; probation; county mental health.

Classroom Discipline & Climate for Learning

South Tamarind School provides an orderly and safe learning environment. Our school follows a firm but fair disciplinary plan established by our Safe School Committee which is consistent with federal and state law as well as our local board of education policy regarding student discipline. This helps our school maintain an environment where students, parents, staff and community communicate in a manner that is respectful to all cultural, racial and religious backgrounds.

Teacher Evaluation

Fontana Unified School District policy establishes regular periodic evaluations of all probationary and tenured teachers which exceeds the evaluation requirements of state law.

Substitute Teachers

Fontana Unified School District maintains an eligibility list of substitute teachers. The placement of substitute teachers in the District is monitored daily. Substitute teachers are paid a daily wage ranging from \$85.00-\$100.00.

Substitute teachers who are not employed as regular Fontana Unified School District teachers must also have a bachelor degree and have passed the California Basic Skills Test in order to substitute. Substitutes must attend annual training which is provided by the District.

Safety, Cleanliness, and Adequacy of School Facilities

South Tamarind School has established a Safe School Committee where open communication with students, staff, the community and support agencies such as law enforcement, have enabled us to provide a safe, clean and inviting facility where our students can learn and our teachers can teach. When concerns arise, they are addressed in a timely fashion to maintain a safe, secure and pleasant environment.

Salary Reporting 1997-1998

Education Code requires that school districts report their salary structure and compare it to districts of similar size throughout California. The most current available data is for the 1997-1996 school year.

- A new teacher's beginning annual salary in Fontana in 1997-1998 was \$29,315 for 182 days of service (\$161.07 per day). The statewide average was \$30,521.
- A mid-range teacher's average annual salary in Fontana in 1997-1998 was \$44,275 for 182 days of service (\$243.27 per day). The statewide average was \$47,729.
- The highest paid teacher's average annual salary in Fontana in 1997-1998 was \$58,630 for 182 days of service (\$322.14 per day). The statewide average was \$57,429.

All teachers' salaries represented 41.51% of the total budget. The statewide average was 43.15%.

- Principals' salaries vary according to time in the position and work year; however, when salaries were averaged for all principals their annual salary was \$81,534. The statewide average was \$75,942.
- Our district's superintendent salary was \$125,269. The state average was \$129,993.
