**A Message from the Superintendent**

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. Today, more than ever before, our focus is on ensuring academic success for all students.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

The 1998-1999 SAT-9 test results for the students at Hemlock School show mixed results when compared to the 1997-1998 SAT-9 test results. When reviewed as advancing grades, the student scores either stayed the same or advanced at all grade levels. When comparing the 1997-1998 grade level with the same 1998-1999 grade level, students performed better overall in grades 2 and 4, lower in Reading and Math in grade 3, and lower in Reading in grade 5. We now have a three-year comparison of results.
