A Message from the Superintendent

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. Today, more than ever before, our focus is on ensuring academic success for all students.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

Superintendent of Schools

INDICATORS OF THE CONDITIONS OF THE SCHOOL

Pupils' Progress Toward Meeting Academic Goals in Reading, Writing, and Math • 1999-2000 School Year
Education Code Section 33126 (1)

For students to be academically successful, well-rounded citizens prepared for today's future challenges, they need to acquire an education that encompasses all areas of life, yet which focuses on the basic learning skills. According to the Sanford-9 results, our school is in need of improvement in all three basic competencies, Reading, Mathematics and Written Language.

Based on the English-only SAT-9 data, students performed below the 50th percentile in Reading, mathematics and Written language. The curriculum-embedded assessments for Math show consistent improvement at all grade levels over the past four years. This however is not representative of the SAT-9 math scores. The curriculum embedded assessments for Reading and Written language have not been fully implemented in the District at this time. Therefore, there is no consistent data for comparison.

We intend to increase the number of students who score at or above the 50th percentile on the SAT-9 by 3 percentile points in Reading, Mathematics and Written Language. We also intend to improve the average percentile rank of all our students by 3 percentile points.

Curriculum embedded assessments and teacher assessments will take place on a quarterly basis.

We expect to meet our goals by implementing the following:

- Regular grade-level meetings; articulation between grades
- Adherence to District Curriculum and guidelines
- Continued promotion of student attendance
- Extended Time Programs to promote learning

Expenditures & Services Offered

Although funding in many budget categories for Juniper Elementary School is established in the District budget adopted by the Board of Education, valuable information is available at the school site. The following are significant:

- a) For 1999-2000 the school received \$20,075 for instructional purposes.
- b) In addition to state and local revenues received for general education, the school received the following categorical funds from special state and federal programs: \$156,760 from Title I funds, \$45,511 School Based Coordinated Program, \$59,350 Bilingual (EIA/LEP), and \$3,981 Title VI.

Attendance Rate

Juniper Elementary School continues to recognize and emphasize the importance of regular attendance throughout the school year, and is identifying at-risk students to help stem the drop-out rate in later school years. For state apportionment purposes, the attendance rate at Juniper Elementary School in 1999-2000 was 99.6%.

Textbooks and Instructional Materials

The district provides Juniper Elementary with textbooks and supplemental materials to support the school's instructional program. A district committee comprised of teachers and administrators selects the state approved textbooks for piloting, after which a selection is made for the district. Consistent with school district policy, all textbooks are within the seven year adoption cycle.

Juniper Elementary's students have access to an abundance of instructional materials and books including good literature in the classrooms and the school library. Manipulatives, models and "hands-on" equipment are available for mathematics and science instruction.

Counseling and Other Pupil Support Services

Juniper Elementary School provides district programs as well as approved community resources that are made available to students and parents. Intervention for our students is provided at the earliest recognition of concern. These interventions may include, but are not limited to, alternatives to suspension from school; school psychologist; special education services; school nurse; immunization clinic; healthy start clinics; providing free or low cost medical and dental care; law enforcement; probation; or county mental health.

Classroom Discipline & Climate for Learning

Juniper Elementary School provides an orderly and safe learning environment. Our school follows a firm but fair disciplinary plan established by our Safe School Committee which is consistent with federal and state law as well as our local board of education policy regarding student discipline. This helps our school maintain an environment where students, parents, staff and community communicate in a manner that is respectful to all cultural, racial and religious backgrounds.

Teacher Evaluation

Fontana Unified School District policy establishes regular periodic evaluations of all probationary and tenured teachers which exceeds the evaluation requirements of state law.

Substitute Teachers

Fontana Unified School District maintains an eligibility list of substitute teachers. The placement of substitute teachers in the District is monitored daily. Substitute teachers are paid a daily wage ranging from \$85.00-\$100.00.

Substitute teachers who are not employed as regular Fontana Unified School District teachers must also have a Bachelor's Degree and have passed the California Basic Skills Test in order to substitute. Substitutes must attend annual training which is provided by the District.

Safety, Cleanliness, and Adequacy of School Facilities

Juniper Elementary School strives to provide an environment that is conducive to learning. In order to promote such an environment we have established a Safe School Committee where open communication with students, staff, the community and support agencies such as law enforcement, have enabled us to provide a safe, clean and inviting facility where our students can learn and our teachers can teach. When concerns arise, they are addressed in a timely fashion to maintain a safe, secure and pleasant environment.
