A Message from the Superintendent

The Mission of the Fontana Unified School District is to prepare all students to be successful in a changing world. Today, more than ever before, our focus is on ensuring academic success for all students.

The contents of the School Accountability Report Card provide information on each school's accomplishments by specific categories. The school and district are proud of the many accomplishments and recognize the need for constant review and improvement as necessary. It is our hope that you will find the information useful as all of us continue to enhance the program for students.

Pupils' Progress Toward Meeting Academic Goals in Reading, Writing, and Math • 1999-2000 School Year
Education Code Section 33126 (1)

The following data demonstrates the Average Normal Curve Equivalent (NCE) scores of students at grade level as measured by the SAT-9 standardized test in the areas of Reading, Math and Language. We have seen slight increases in most areas. While some groups of students were more successful than others we recognize that all students need to improve. The Tokay staff has developed a Site Instructional Plan in an effort to increase academic achievement of all students. Our major goals in the areas of Reading, Writing and Mathematics for the up coming school year will be an increase of 3-5% in scores for all students on the SAT-9 Assessment.

The services of a full-time counselor provide counseling for all of our students when needed. Intervention for our students is provided at the earliest recognition of concern. These interventions may include, but are not limited to, alternatives to suspension from school; homework help; student study team (SST); Reading Recovery; ESL for parents; Child care programs; early childhood education (PAT); school psychologist; special education services; speech therapist, resource specialist, adaptive P.E.; school nurse; and law enforcement.

Classroom Discipline & Climate for Learning

Tokay Elementary School provides an orderly and safe learning environment. Our school follows a firm but fair disciplinary plan established by our Safe School Committee which is consistent with federal and state law as well as our local board of education policy regarding student discipline. This helps our school maintain an environment where students, parents, staff and community communicate in a manner that is respectful to all cultural, racial and religious backgrounds.
