A Message from the Superintendent

Ensuring academic success for all students hinges on a close working relationship between home and school. It is critically important that you as parents/guardians know about your child's school and the outstanding accomplishments of its students and staff. It is our hope you will review this information and utilize it as appropriate.

Debra A. Bradley, Ed.D.
Superintendent of Schools

School Profile

In 2002-03, Kaiser High School enrolled 2,575 students in grades nine through twelve on a traditional school year calendar.

Discipline & Climate for Learning

All students at Kaiser High School are expected to conduct themselves in such a manner as to contribute to a productive learning environment. The goal of Kaiser High School's discipline program is to maintain an educational environment conducive to learning and to protect the order, safety, and health of all students. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientation and the student handbook, which clearly outlines student behavioral expectations and school rules. Suspensions and expulsions occur when required by law, or when all other alternatives are exhausted.

Attendance

Attendance is critical to academic achievement, and regular daily attendance is a priority at Kaiser High School. Attendance, tardy and truancy policies are clearly stated, consistently enforced and consequences fairly administered.

Kaiser High School had 41 dropouts during the 2001-02 school year. Intervention programs that promote attendance and reduce dropout rates include:

- Parent Conferences
- Home visits by Community Liaison
- School Attendance and Review Board (SARB)

Extracurricular Activities

Kaiser High School is home to 17 different sports including 39 teams at the varsity, junior varsity, and freshman levels. In accordance with Title IX, Kaiser High School fields 7 male programs, 7 female programs, and 3 co-ed programs.

2002-03 Enrollment: 2,575

Social Science	32	30	28	2	7	12	13	18	36	28	25	20

Instructional Time

During the 2002-03 school year, all instructional minute requirements at Kaiser High School exceeded state requirements. The California Education Code requires that students in grades nine through twelve receive a minimum of 64,800 minutes of instructional time. For the 2002-03 school year, Kaiser High School offered 180 days of instruction comprised of 166 regular days and 14 minimum days. Kaiser High School utilized minimum days for class finals.

Textbooks & Instructional Materials

Kaiser High School ensures that sufficient and current textbooks and materials are available to support the school's instructional program. All textbooks and instructional materials used within the school are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education.

District-Adopted Textbooks		
Subject	Publisher	Course
Language Arts		
	Prentice Hall	English 9-12
Math		
	Prentice Hall	Algebra I
	Prentice Hall	Geometry
	McDougal Littell	Algebra II
	Houghton Mifflin	Trigonometry/Precalculus

	Glencoe	Physics
Social Science		
	McDougal Littell	World History
	Prentice Hall	U.S. History
	Prentice Hall	American Government
	Glencoe	Economics

School Facilities & Safety

Kaiser High School provides a safe, clean environment for students, staff, and volunteers. School facilities were built in 1999 and include the tennis courts, baseball fields, track, basketball courts, 80 regular classrooms, 11 special education classrooms, and 2 ROP classrooms which are up-to-date and provide adequate space for students and staff. A scheduled maintenance program is administered by Fontana Unified School District to ensure that all classrooms and facilities are well-maintained and provide a suitable learning environment.

The safety of students and staff is a primary concern of Kaiser High School. The school is a closed campus; all visitors must sign in at the office and wear identification badges while on school grounds. Adult supervision is provided before and after school, and during lunch, by campus security officers, classified staff, and school administrators.

In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare and Attendance to comply with Senate Bill 197 of 1997. The plan was last updated in June of 2003 and was reviewed with the staff at that time. An updated copy is available to the public at the school office. Highlights of the Safe School Plan include the following:

- Safe Schools Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

Counseling & Other Support Services

It is the goal of Kaiser High School to assist students in their social and personal development as well as academics. The district and school provide special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure.

	Counseling & Support Services Staff		
	Number of Staff	Days Available Per Week	Full Time Equivalent
Campus Security Officers	5	5	5.0
Counselors	6	5	6.0
Nurse	1	5	1.0
Psychologist	1	5	1.0
School Resource Officer	1	5	1.0
Speech/Language Specialist	1	2.5	0.5

Teacher Assignment

For the 2002-03 school year, Kaiser High School had 101 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status		
	01	02	03
Fully Credentialed	71	90	101
Working Outside Subject	0	0	0
Emergency Credentials	7	6	19
Interns	3	4	6
Waivers	1	3	1
Total Teachers	81	101	114
<i>Teacher credential data may not have been submitted or a teacher may hold one or more types of credentials. As a result, total number of teachers may not equal addition of individual categories.</i>			

Substitute Teachers

The district currently has a pool of 500 qualified substitute teachers. Substitute teachers must meet minimum state requirements; they are either currently enrolled in a university and have completed 90 semester/135 quarter units towards a Bachelor's degree and have

passed the CBEST or have completed a Bachelor's Degree and have passed the CBEST. In the event a substitute teacher is not available for an absent teacher, credentialed staff or administrators fill the vacancy during prep-periods.

Teacher Evaluation

Non-tenured teachers are evaluated twice annually and tenured teachers are evaluated every other year. Evaluations are conducted by administrators who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria are based on the California Standards for the Teaching Profession:

- Engaging and supporting all students in learning
- Creating and maintaining effective environments for student learning
- Understanding and organizing subject matter for student learning
- Planning instruction and designing learning experiences for all students
- Assessing student learning
- Developing as a professional educator

Training & Curriculum Improvement

All training and curriculum development activities at Kaiser High School revolve around the California State Content Standards and Frameworks. Professional development activities were provided during the 2002-03 school year to support the adoption of new curriculum and the implementation of new programs.

Fontana Unified School District offers support to new and veteran teachers as well as interns, pre-intern teachers, and substitute teachers. Staff members are encouraged to attend workshops and conferences. The district annually offers three staff development days. During the 2002-03 school year training included:

- Beginning Teacher Support and Assistance (BTSA)
- Peer Assistance and Review (PAR)
- Reading and Writing Instructional Strategies (Grades K-5)
- Instructional Strategies in Language Arts, Math, and Science (Grades 6-12)
- Classroom Management
- Differentiated Instruction for English Language Learners
- Certification for Gifted and Talented Education (GATE)
- Use of Technology in the Classroom

Special Programs

Instructional programs are aligned to the California State Content Standards. The school structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques and supplemental instructional materials and programs. Special programs include:

- Skills Tutor
- English Language Development
- Special Education
- Gifted and Talented Education (GATE)

Quality of Instruction & Leadership

Leadership at Kaiser High School is a responsibility shared between district administration, the principal, assistant principals, instructional staff, students, and parents. Staff members and parents participate on various committees that make decisions regarding the priorities and

direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals.

- School Site Council/ELAC
- District School Site Council (DAC)
- English Language Learners Advisory Committee (ELAC)
- Booster Clubs
- Student Study Teams
- Individual Education Plan (IEP) Teams

Parents who wish to volunteer or participate in Kaiser High School's leadership teams, school committees, or school activities may contact Assistant Principal Vickie Singley at (909) 357-5900.

Expenditures & Services Funded

For the 2001-02 school year, Fontana Unified School District spent an average of \$6,309 to educate each student.

Current Expense of Education Per Student*		
2001-02		
Statewide Average		
Fontana USD	All Unified School Districts	All Districts
\$6,309	\$6,767	\$6,719
<i>*Ed-Data and California Department of Education, School Fiscal Services Division - J-200 Reports.</i>		

In addition to general fund state funding, Fontana Unified School District receives state and federal categorical funding for special programs. For the 2002-03 school year, Kaiser High School had the following categorical programs:

- Special Education
- Vocational and Applied Technology
- Regional Occupational Program
- Gifted and Talented Education
- Economic Impact Aid
- Tenth Grade Counseling
- Educational Technology Assistance

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having more than 20,000 average daily attendance throughout the state.

Average Salary Information		
Teachers - Principals - Superintendent		
2001-02		
	Fontana USD	State Average
Beginning Teachers	\$35,236	\$35,980
Mid-Range Teachers	\$59,381	\$57,139
Highest Teachers	\$74,936	\$73,953
Elementary Principals	\$91,794	\$100,810
Middle School Principals	\$90,720	\$100,810
High School Principals	\$102,384	\$100,810
Superintendent	\$162,608	\$171,096
Salaries as a Percentage of Total Budget		
Teacher Salaries	43.6%	43.3%
Administrative Salaries	5.6%	5.2%

College Preparation

Students at Kaiser High School are encouraged to take the required courses if they plan to attend a four-year university. The adjacent chart illustrates the proportion of UC/CSU required courses taken and successfully completed.

2001-02 UC/CSU Required Courses	
Graduates with UC/CSU Required Courses*	24.4%
Total Enrollment in UC/CSU Required Courses**	95.8%
*based on 99 out of 406 graduates.	
**based on 1,255 out of 1,310 students.	

Scholastic Aptitude Test (SAT)

The SAT is designed to assess many of the skills that are important to a student's success in college and their general educational development. Kaiser High School offers a SAT prep course for students to prepare for their college entrance examination. The class offers instruction in reading, writing, and mathematics as well as test-taking skills and procedures.

	SAT I Test Results

02-03	649	592	231	83	71	20

Work Force Preparation

Kaiser High School offers a variety of career-path related classes including Applied Technology, Business, and Consumer Science. Some courses provide in-depth training and certification opportunities, such as Computer Applications and Microsoft Office User Specialist (MOUS).

The Regional Occupation Program, offered through San Bernardino County, holds classes in the following areas of concentration at the Kaiser High School campus: Childcare Occupations, Product Preparation and Assembly, T.V. Video Production, and Custodial Occupations. Students with an Individual Education Plan (IEP) are eligible to participate in the Workability Program, which provides training and placement to students with special needs.

	Grade 12 CTE Students		
	Number of Completers	Number Earning Diploma	Graduation Rate
	213	211	99%

Student Achievement & Assessment

In 2002-03, multiple measures of student achievement were used as an ongoing part of the quality instructional program at Kaiser High School. These measures were used to monitor students' actual progress as well as to evaluate the effectiveness of the instructional program. Measures included STAR testing; district language arts, math, science, and social science assessments; and student work.

Standardized State Testing

Kaiser High School participates in California's mandatory Standardized Testing and Reporting (STAR) program that utilizes norm referenced tests (CAT/6 in 2003 and SAT/9 in preceding years) and criterion referenced tests (California Standards Tests). The CAT/6 measures achievement in comparison to a national sample; the California Standards Tests aid in determining student proficiency of the California State Content Standards.

STAR results for Kaiser High School are located on page five; state and district results on the California Standards Tests are located on pages six and seven.

Physical Fitness

In the spring of each year, Kaiser High School is required by the state to administer a physical fitness test to all students in the ninth grade. The physical fitness test measures each student's ability to perform fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ).

% of Students in Healthy Fitness Zone 2002-03

www.star.cde.ca.gov

Academic Performance Index

The Academic Performance Index (API) is one of three components of the Public Schools Accountability Act (PSAA) passed in 1999. The API measures school performance, sets academic growth targets, and monitors growth over time based on STAR results. The Immediate Intervention/Underperforming Schools Program (II/USP) and Governor's Performance Award Program are the two remaining components of the PSAA. II/USP-eligible schools may apply for funding to provide the necessary resources to improve student performance. The Governor's Performance Award acknowledges those schools that demonstrate significant improvement based on several specific measures.

California Standards Tests (CST)

California Standards Tests assess student performance on the California State Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested and include Advanced (exceeding standards), Proficient (meeting standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards) levels. The state target for every student is to score at the Advanced or Proficient level.

[^]SED - Socioeconomically Disadvantaged

*Due to the moderate number of students tested, scores are not disclosed.

STAR testing data unavailable from the California Department of Education.

In this report, three years of English/Language Arts and two years of Mathematics scores are reported. At the eighth grade and high school levels, students take End of Course exams in each subject area completed. The Mathematics results reported include the combined scores of all grade levels taking the tests. Summative results for End of Course exams are only available for 2003. For detailed course and grade level results, please visit the STAR website: <http://star.cde.ca.gov>.

Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on their state's standards-based assessment by 2014. To reach that goal, districts and schools must achieve Adequate Yearly Progress (AYP) by steadily increasing the percentage of students who achieve state standards of academic proficiency from year to year. AYP requires an annual evaluation and reporting of the academic progress of all students, including children in numerically significant subgroups, such as English learners, socioeconomically disadvantaged students, students with disabilities, and migrant students. Schools and districts must meet progressive Annual Measurable Objectives (AMOs) each year in order to meet the objective of a 100% at-or-above proficiency rate by the year 2014. Beginning with spring 2003 test results, schools and districts must achieve the following:

Elementary and Middle Schools: A 13.6% at-or-above proficiency rate in English/Language Arts and 16.0% in Mathematics on California Standards Tests (CST), a 95% or above participation rate on the CST (grades 2-8), and an API of 560 or one point of API growth each year.

High Schools: An 11.2% at-or-above proficiency rate in English/Language Arts and 9.6% in Mathematics on the California High School Exit Examination (CAHSEE), a 95% or above participation rate on the CAHSEE (grade 10), increasing the high school graduation rate, and an API of 560 or one point of API growth each year.

Unified School Districts: A 12.0% at-or-above proficiency rate in English/Language Arts and 12.8% in Mathematics on the California Standards Tests (CST) and California High School Exit Examination (CAHSEE), a 95% or above participation rate on the CST and CAHSEE, increasing the high school graduation rate, and an API of 560 or one point of API growth each year.

Beginning with the 2003 AYP reporting cycle, schools receiving Title I revenue that fail to make AYP in the same AMO area (i.e. Mathematics) for two consecutive years will be identified for Program Improvement. Kaiser High School does not receive Title I funding and is not subject to Program Improvement mandates. More information about Title I and NCLB requirements can be found on the following Internet websites: <http://www.cde.ca.gov/iasa/titleone/> and <http://www.nclb.gov>.
