A Message from the Superintendent

Ensuring academic success for all students hinges on a close working relationship between home and school. It is critically important that you as parents/guardians know about your child's school and the outstanding accomplishments of its students and staff. It is our hope you will review this information and utilize it as appropriate.

Debra A. Bradley, Ed.D.
Superintendent of Schools

Principal's Message

Welcome to Live Oak Elementary! The School Accountability Report Card provides parents and members of the community with information about the school's instructional programs, academic achievement, materials and facilities, and the staff. Information about Fontana Unified School District is also provided.

Parents and community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program improvement. We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that Live Oak School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Through our hard work, together, our students will be challenged to reach their maximum potential.

Oscar Dueñas
Principal

School Mission

Live Oak School will provide opportunities for all students to succeed in a challenging program. The program addresses the students' unique needs, and allows all children to develop to their fullest potential.

School Profile

Live Oak Elementary School is a multi-track, year-round school serving 958 students in preschool through grade five. The school believes that quality education for all students can be achieved through high standards for academic performance and behavior. Live Oak Elementary is dedicated to ensuring the academic success of every student and providing a safe and comprehensive educational experience.

Discipline & Climate for Learning

Students at Live Oak Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's discipline philosophy promotes a safe school, a warm, friendly classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school. The goal of Live Oak Elementary's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Parents and students are informed of discipline policies at the beginning of each school year

2002-03 Enrollment: 958	
	%
Male	50.2%
Female	49.8%
English Learners	61.5%
Non English Learners	37.4%

[^]SED - Socioeconomically Disadvantaged
*Source: STAR testing enrollment

through classroom orientation and the parent/student handbook that outlines student behavior expectations and school and personal safety rules. Research has shown that student dress and appearance affect student attitudes and conduct. Accordingly, Live Oak Elementary has adopted a uniform policy for both boys and girls which is outlined in the parent/student handbook.

Attendance

Attendance is critical to academic achievement, and regular daily attendance is a priority at Live Oak Elementary School. For each day a student is absent, the school loses \$37 in state funding. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Live Oak Elementary promotes student attendance by offering incentives throughout the year. Each trimester students are recognized for perfect attendance at awards assemblies. At the end of the year students with perfect attendance receive medallions.

The table below illustrates the incidents of suspension and expulsion for Live Oak Elementary School, and the combined total for all elementary schools in the Fontana Unified School District. The rate of suspension/expulsion is calculated by dividing the total annual number of incidents by the total number of students enrolled. The rates do not reflect the number of individual students suspended, and may appear inflated due to a single student being suspended more than once in a year.

	Suspensions and Expulsions					
	Live Oak			FUSD Elementary Schools		
	01	02	03	01	02	03
Suspensions (Cases)	6	19	32	688	1,016	1,030
Expulsions (Cases)	0	0	2	4	14	13
Suspensions (%)	0.7	2.0	3.3	1.8	2.6	2.6
Expulsions (%)	0.00	0.00	0.00	0.01	0.04	0.03

Student Recognition

Certificates, ribbons, prizes, and various other awards are given to students at assemblies and special presentations throughout the school year. Activities, honors, and programs include:

- Attendance awards
- Academic awards
- Math Field Day
- Writing Celebration
- Citizenship awards
- Most Improved
- Science Fair
- History Day

Instructional Time

During the 2002-03 school year, all instructional minutes offered at Live Oak Elementary exceeded state requirements. Live Oak Elementary is a multi-track, year-round school, and offered 175 days of instruction in 2002-03. Live Oak Elementary utilizes minimum days for staff development, teacher preparation, and parent conferences.

	Instructional Minutes by Grade Level	
	Minutes Required	Actual Minutes
K	36,000	36,050
1st-3rd	50,400	53,330
4th-5th	54,000	54,650

	Regular Days	Minimum Days
Tracks 1/2	131	44
Tracks 3/4	133	42

Class Size

In 1996, state legislature approved implementation of the Class Size Reduction (CSR) program that provides funding to hire additional teachers to assist schools in reducing K-3 class sizes. At the beginning

of the 2002-03 school year 100% of all K-3 classrooms participated in this program. Kindergarten classrooms participate in CSR Option 2.

	Class Size Distribution											
	Average Class Size			Number of Classrooms								
	01	02	03	1-20 Students		21-32 Students		33+ Students				
K	19	17	22	8	8	2	-	-	4	-	-	-

5th	31	28	24	-	1	-	3	3	5	1	2	-
Combo K-3rd	20	-	20	2	-	1	-	-	-	-	-	-
Combo 4th-5th	29	-	-	-	-	-	1	-	-	-	-	-

- No classrooms containing specified number of students.

Textbooks & Instructional Materials

Live Oak Elementary ensures that sufficient and current textbooks and materials are available to support the school's instructional program and provides students with their own textbooks for classroom use. All textbooks and instructional materials used within the school are aligned with the California State Content Standards and Frameworks and are selected from the state's list of adopted materials.

District-Adopted Textbooks		
Subject	Publisher/Series	Grade Levels
Language Arts	SRA/McGraw-Hill: <i>Open Court Reading</i>	K-5
	Hampton Brown: <i>Into English</i>	K-5
Math	Scott Foresman: <i>California Mathematics</i>	K-5
Science	McGraw-Hill	K-3
	Houghton Mifflin	4-5
Social Science	Houghton Mifflin	4-5

School Facilities & Safety

Live Oak Elementary provides a safe, clean environment for students, staff, and volunteers. School facilities were built in 1962 and include the cafeteria, library, playground areas, and 40 classrooms which provide adequate space for students and staff. A scheduled maintenance program is administered by Fontana Unified School District to ensure that all classrooms and facilities are maintained to a degree of adequacy that provides for good learning. Live Oak Elementary is participating in the district's modernization program; the school will receive a new wing with four new classrooms.

Safety of students and staff is a primary concern of Live Oak Elementary. The school is a closed campus; all visitors must sign in at the office and wear identification badges while on school grounds. Adult supervision is provided before and after school, and during lunch and recess periods, by teachers, classified staff, and school administrators.

In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare and Attendance to comply with Senate Bill 197 of 1997. The plan was

last updated in June of 2003 and was reviewed with the staff at that time. An updated copy is available to the public at the school office. Highlights of the Safe School Plan include the following:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

Counseling & Other Support Services

It is the goal of Live Oak Elementary to assist students in their social and personal development as well as academics. The district and school provide special attention to students who experience academic problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure.

Counseling & Support Services Staff			
	Number of Staff	Days Available Per Week	Full Time Equivalent
Health Assistant	1	5	1
Nurse	1	1	0.2
Psychologist	1	2	0.4
Speech/Language Specialist	2	5	1.5

Teacher Assignment

For the 2002-03 school year, Live Oak Elementary had 37 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

Teacher Credential Status			
	01	02	03
Fully Credentialed	29	31	37
Working Outside Subject	0	0	0
Emergency Credentials	11	5	12
Interns	5	9	10
Waivers	1	1	3
Total Teachers	46	46	47

Teacher credential data may not have been submitted or a teacher may hold one or more types of credentials. As a result, total number of teachers may not equal addition of individual categories.

Substitute Teachers

The district currently has a pool of 500 qualified substitute teachers. Substitute teachers must meet minimum state requirements; they are either currently enrolled in a university and have completed 90 semester/135 quarter units towards a Bachelor's degree and have passed the CBEST or have completed a Bachelor's Degree and have passed the CBEST. Periodically, Live Oak Elementary has difficulty in obtaining qualified substitute teachers from the district's pool. In the event a substitute teacher is not available for an absent teacher, students of the absent teacher are sent to other classrooms in the same grade level to receive instruction.

Teacher Evaluation

Temporary and probationary teachers are evaluated twice annually and tenured teachers are evaluated every other year. Evaluations are conducted by administrators who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria are

based on the California Standards for the Teaching Profession:

- Engaging and supporting all students in learning
- Creating and maintaining effective environments for student learning
- Understanding and organizing subject matter for student learning
- Planning instruction and designing learning experiences for all students
- Assessing student learning
- Developing as a professional educator

Training & Curriculum Improvement

All training and curriculum development activities at Live Oak Elementary School revolve around the California State Content Standards and Frameworks. Professional development activities were provided during the 2002-03 school year to support the adoption of new curriculum or the implementation of new programs including:

- Open Court Reading
- Brain Research
- Step Up to Writing
- Six Traits of Writing

Fontana Unified School District offers support to new and veteran teachers as well as interns, pre-intern teachers, and substitute teachers. Staff members are encouraged to attend workshops and conferences. The district annually offers three staff development days. During the 2002-03 school year training included:

- Beginning Teacher Support and Assistance (BTSA)
- Peer Assistance and Review (PAR)
- Reading and Writing Instructional Strategies (Grades K-5)
- Instructional Strategies in Language Arts, Math, and Science (Grades 6-12)
- Classroom Management
- Differentiated Instruction for English Language Learners
- Certification for Gifted and Talented Education (GATE)
- Use of Technology in the Classroom

Special Programs

Instructional programs are aligned to California State Content Standards. The school structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques and supplemental instructional materials and programs. Special programs include:

- Gifted and Talented Education (GATE)
- Site Literacy Leader small group reading skills
- Jump Start Reading Tutors
- Focus on Achievement
- Fast ForWord reading intervention program
- English Language Learners Aides in the classroom
- English Language Acquisition Program (ELAP)
- Off-track Intercessions in language arts and math
- Resource Specialist program
- Special Day Class

Quality of Instruction & Leadership

Leadership at Live Oak Elementary is a responsibility shared between district administration, the principal, assistant principal, instructional staff, students, and parents. Working closely with teachers and staff, the principal leads the school's efforts to offer a well-balanced and rigorous core curriculum aligned with state and district standards.

Staff members and parents are encouraged to participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals.

- School Site Council (SSC)
- District Advisory Committee (DAC)
- English Language Learners Advisory Committee (ELAC)
- District ELAC
- Individual Education Plan (IEP) Teams
- Student Study Team
- Parent Teacher Association (PTA)

Expenditures & Services Funded

For the 2001-02 school year, Fontana Unified School District spent an average of \$6,309 to educate each student.

Current Expense of Education Per Student*		
2001-02		
Statewide Average		
All Unified School Districts		
Fontana USD	Districts	All Districts
\$6,309	\$6,767	\$6,719

*Ed-Data and California Department of Education, School Fiscal Services Division - J-200 Reports.

In addition to general fund state funding, Fontana Unified School District receives state and federal categorical funding for special programs. For the 2002-03 school year, Live Oak Elementary had the following categorical programs:

- Title I (Schoolwide)
- Gifted and Talented Education (GATE)
- School Improvement Program (SIP)
- English Language Acquisition Program (ELAP)
- Economic Impact Aid - Limited English Proficient (EIA-LEP)

Salary and Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having more than 20,000 average daily attendance throughout the state.

Average Salary Information		
Teachers - Principals - Superintendent		
2001-02		
	Fontana USD	State Average
Beginning Teachers	\$35,236	\$35,980
Mid-Range Teachers	\$59,381	\$57,139
Highest Teachers	\$74,936	\$73,953
Elementary Principals	\$91,794	\$100,810
Middle School Principals	\$90,720	\$100,810
High School Principals	\$102,384	\$100,810
Superintendent	\$162,608	\$171,096
Salaries as a Percentage of Total Budget		
Teacher Salaries	43.6%	43.3%
Administrative Salaries	5.6%	5.2%

Contact Information

Parents who wish to volunteer or participate in Live Oak Elementary's leadership teams, school committees, or school activities may contact the school's office at (909) 357-5640.

Student Achievement & Assessment

Multiple measures of student achievement are used as an ongoing part of the quality instructional program at Live Oak Elementary. These measures are used to monitor students' actual progress as well as to evaluate the effectiveness of the instructional program.

In 2002-03, district language arts and math assessments were administered three times to students in kindergarten through fifth grade. These were curriculum embedded tests, developed by the district, written and aligned with the state and district standards.

Using the results of district assessments, state assessments, and student grades, Fontana Unified School District created a multiple measures matrix. This matrix was used to evaluate overall student progress and to identify students at risk of not meeting grade level standards. The district and school then provided various intervention programs for students who were performing below grade level standards.

Standardized State Testing

Live Oak Elementary participates in California's mandatory Standardized Testing and Reporting (STAR) program that utilizes norm referenced tests (CAT/6 in 2003 and SAT/9 in preceding years) and criterion referenced tests (California Standards Tests). The CAT/6 measures achievement in comparison to a national sample; the California Standards Tests aid in determining student proficiency of the California State Content Standards.

STAR results for Live Oak Elementary are located on page five; state and district results on the California Standards Tests are located on pages six and seven.

Physical Fitness

In the spring of each year, Live Oak Elementary is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test measures each student's ability to perform fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ).

% of Students in Healthy Fitness Zone			
2002-03			
Grades 5	Live Oak	FUSD	California
5th Grade Total	7.7	15.5	23.1
5th Grade Boys	10.1	17.2	21.7
5th Grade Girls	5.1	13.6	24.5

Academic Performance Index

The Academic Performance Index (API) is one of three components of the Public Schools Accountability Act (PSAA) passed in 1999. The API measures school performance, sets academic growth targets, and monitors growth over time based on STAR results. The Immediate Intervention/Underperforming Schools Program (II/USP) and Governor's Performance Award Program are the two remaining components of the PSAA. II/USP-eligible schools may apply for funding to provide the necessary resources to improve student performance. The Governor's Performance Award acknowledges those schools that demonstrate significant improvement based on several specific measures.

In this report, three years of English/Language Arts and two years of Mathematics scores are reported. At the eighth grade and high school levels, students take End of Course exams in each subject area completed. The Mathematics results reported include the combined scores of all grade levels taking the tests. Summative results for End of Course exams are only available for 2003. For detailed course and grade level results, please visit the STAR website: <http://star.cde.ca.gov>.

^SED - Socioeconomically Disadvantaged

*Due to the moderate number of students tested, scores are not disclosed.

STAR testing data unavailable from the California Department of Education.

Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on their state's standards-based assessment by 2014. To reach that goal, districts and schools must achieve Adequate Yearly Progress (AYP) by steadily increasing the percentage of students who achieve state standards of academic proficiency from year to year. AYP requires an annual evaluation and reporting of the academic progress of all students, including children in numerically significant subgroups, such as English learners, socioeconomically disadvantaged students, students with disabilities, and migrant students. Schools and districts must meet progressive Annual Measurable Objectives (AMOs) each year in order to meet the objective of a 100% at-or-above proficiency rate by the year 2014. Beginning with spring 2003 test results, schools and districts must achieve the following:

Elementary and Middle Schools: A 13.6% at-or-above proficiency rate in English/Language Arts and 16.0% in Mathematics on California Standards Tests (CST), a 95% or above participation rate on the CST (grades 2-8), and an API of 560 or one point of API growth each year.

High Schools: An 11.2% at-or-above proficiency rate in English/Language Arts and 9.6% in Mathematics on the California High School Exit Examination (CAHSEE), a 95% or above participation rate on the CAHSEE (grade 10), increasing the high school graduation rate, and an API of 560 or one point of API growth each year.

Unified School Districts: A 12.0% at-or-above proficiency rate in English/Language Arts and 12.8% in Mathematics on the California Standards Tests (CST) and California High School Exit Examination (CAHSEE), a 95% or above participation rate on the CST and CAHSEE, increasing the high school graduation rate, and an API of 560 or one point of API growth each year.

Beginning with the 2003 AYP reporting cycle, schools receiving Title I revenue that fail to make AYP in the same AMO area (i.e. Mathematics) for two consecutive years will be identified for Program Improvement. Live Oak Elementary has not been identified for Program Improvement. More information about Title I and NCLB requirements can be found on the following Internet websites: <http://www.cde.ca.gov/iasa/titleone/> and <http://www.nclb.gov>.
