

School Mission

The *mission* of *Randall-Pepper Elementary*, a culturally diverse school community, is to *guarantee* the academic achievement of *all* students through a partnership with parents, community, students, and staff.

School Profile

Randall-Pepper Elementary School is a single-track, year-round school serving 673 students in preschool through grade five. The school believes that quality education for all students can be achieved through high standards for academic performance and behavior. Randall-Pepper Elementary is dedicated to ensuring the academic success of every student and providing a safe and comprehensive educational experience.

*Source: STAR testing enrollment.

Discipline & Climate for Learning

Students at Randall-Pepper Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school discipline policy helps to promote a safe, warm, and caring environment, conducive for optimal learning. Designed to teach students responsibility, the policies hold each individual accountable for his or her learning and behavior. Student Conflict Managers are trained to help their peers develop problem-solving skills and resolve their own conflicts in an amicable way.

Parents and students are informed of the discipline policies, rules, procedures, and school wide expectations for learning at the beginning of each school year through classroom orientation and are provided parent and student handbooks. Students have personal agenda books that clearly outline school rules and serve as a daily reminder of the school's expectations for learning and proper behavior. Late enrollees and their parents are provided with a copy of the school's expectations and handbook at registration.

Student Ambassadors are assigned to new students in an effort to smooth the transition process. At the beginning of the year, students set behavior and learning goals. Teachers help students monitor their progress toward achieving their goals.

Administrators, faculty, staff, PTA, and community partners reward students for exhibiting good behavior, citizenship, and academic progress. Rewards may be presented at the time that a student is "Caught Being Good," when "Showing a Random Act of Kindness," or when progress is achieved. Most awards and recognitions are presented to students during assemblies, morning announcements, and at the Yearly School-Community Celebration. Individual teachers hold classroom celebrations to acknowledge accomplishments, both big and small. Families are also invited to participate in the "Read Across America" Family Night, where guest speakers motivate students to read.

The school works to promote mutual respect between students and staff, and encourages students to keep the school's honor code. All students are encouraged to participate in programs designed to build resiliency, promote positive attitudes, and encourage academic achievement. The school takes pride in the fact that it has a strong connection with students, parents, and the community.

Attendance

Attendance is critical to academic achievement, and regular daily attendance is a priority at Randall-Pepper Elementary School. For each day a student is present, the school receives \$37 in state funding. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Incentives and awards are given to students throughout the year for improved attendance.

The table below illustrates the numbers and rates of suspension and expulsion for Randall-Pepper Elementary School, and the combined total for all elementary schools in the Fontana Unified School District. Suspension and expulsion rates are calculated by dividing the total annual number of incidents by the total number of students enrolled. The rates do not reflect the number of individual students suspended, and may appear inflated due to a single student being suspended more than once in a year.

	Suspensions & Expulsions					
	Randall-Pepper ES			Fontana USD Elementary Schools		
	2002	2003	2004	2002	2003	2004
Suspensions (#)	12	27	21	1,016	1,030	1,022
Expulsions (#)	0	0	0	14	13	16
Suspensions (%)	1.7	4.2	3.1	5.1	5.1	4.9
Expulsions (%)	0.00	0.00	0.00	0.07	0.07	0.04

Instructional Time

During the 2003-04 school year, all instructional minutes offered at Randall-Pepper Elementary exceeded state requirements. For the 2003-04 school year, Randall-Pepper Elementary offered 180 days of instruction comprised of 138 regular days and 42 minimum days. Randall-Pepper Elementary utilizes minimum days for staff development, teacher preparation, and parent conferences. Due to bus schedules and a multiple-track calendar, actual minutes vary slightly by track and school.

	Instructional Minutes By Grade Level	
	Minutes Required	Met or Exceeded?
K	36,000	Met
1st-3rd	50,400	Exceeded
4th-5th	54,000	Exceeded

Class Size

In 1996, the state legislature approved implementation of the Class Size Reduction (CSR) program that provides funding to hire additional teachers to assist schools in reducing K-3 class sizes to a maximum of 20 students. For the past three years, a majority of the school's K-3 classrooms participated in this program. Kindergarten classrooms participate in CSR Option 2.

Class Size Distribution												
	Average Class Size			Classrooms Containing:								
				1-20 Students			21-32 Students			33+ Students		
	02	03	04	02	03	04	02	03	04	02	03	04
K	19	17	17	5	6	6	2	-	-	-	-	-
1st	20	20	20	6	4	5	1	1	-	-	-	-
2nd	20	20	20	3	6	5	2	-	-	-	-	-
3rd	20	20	20	4	6	6	2	-	-	-	-	-
4th	32	29	28	-	-	-	2	3	4	-	-	-
5th	26	28	28	1	-	-	3	3	3	1	-	-

4th-5th	-	30	27	-	-	-	-	1	1	-	-	-

- No classrooms containing specified number of students.

School Facilities & Safety

Randall-Pepper Elementary School provides a clean, safe, and functional environment for students, staff, and community members. Original school facilities were built in 1951. Additional buildings have been added to the campus over the years including a library and classroom building in 1953. The campus has been fully modernized. Current school facilities encompass 54,074 square feet and are situated on 8.51 acres. Facilities include 35 permanent classrooms and 16 portable classrooms. At the time of this publication in June of 2005, 100% of the school's restrooms were fully functioning.

Fontana Unified School District participates in the State School Deferred Maintenance Program, which assists school districts with expenditures for major repair or replacement of existing school building components. The district approved deferred maintenance projects for Randall-Pepper Elementary School during the 2004-05 school years which resulted in the following improvements: new roofing, new paint, and new paving.

A team of three custodians ensures that all classrooms and facilities are clean, safe, and in good repair and working order. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Each custodial staff member receives training and an extensive handbook that contains highly detailed districtwide maintenance procedures including daily expectations, responsibilities, and safety measures.

While data presented in this report is reflective of the 2003-04 school year, beginning in January of 2005, California schools must report the most recent occurrence of any of the eight emergency facility needs as specified in Education Code Section 17592.72(c)(1). Fontana Unified School District uses a facility survey instrument developed by the California Office of Public School Construction to ascertain facility improvement needs. On May 5, 2005, the district inspected Randall-Pepper Elementary School's campus using the facility survey instrument and did not find any emergency facility needs. Results of this survey may be obtained at the district office.

Safety of students and staff is a primary concern of Randall-Pepper Elementary. The school is a closed campus; all visitors must sign in at the office and wear identification badges while on school grounds.

Adult supervision is provided before and after school, and during lunch and recess periods, by teachers, classified staff, and school administrators.

In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare and Attendance to comply with Senate Bill 187 of 1997. The plan was last updated in October 2003 and was reviewed with the staff at that time. An updated copy is available to the public at the school office. Key elements of the Safe School Plan include the following:

- Safe Schools' Plan of Action
- Safe transportation
- Communication strategies
- Conflict resolution
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus

Counseling & Other Support Services

It is the goal of Randall-Pepper Elementary to assist students in their social and personal development as well as academics. The district and school provide special attention to students who experience academic problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure.

Counseling & Support Services Staff		
Title	Number of Staff	Full Time Equivalent
Counselor	1	0.5
Outreach Consultant	1	1.0
Health Assistant	1	0.6
Nurse	1	0.2
Psychologist	1	0.2

Resource Teacher	1	1.0
Bilingual Teacher Aide	4	1.5
Site Literacy Teacher	1	1.0
"Parents as Teachers" Aide	1	0
Librarian	1	1
Computer Lab Aide	1	1

Teacher Assignment

For the 2003-04 school year, Randall-Pepper Elementary had 30 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

Teacher Credential Status			
	02	03	04
Fully Credentialed	33	28	30
Emergency Credentials	3	4	1
Interns	2	2	1
Waivers	0	0	0
Total Teachers	37	29	31
Teacher Misassignments for 2004-05 = 0			
Misassignments of Teachers of English Learners = 10			
Teacher Vacancies for 2004-05 = 0			
Teacher credential data may not have been submitted or a teacher may hold one or more types of credentials. As a result, total number of teachers may not equal addition of individual categories.			

NCLB-Compliant Teachers

The federal No Child Left Behind (NCLB) Act requires that all teachers in core subject areas meet certain requirements in order to be considered "Highly Qualified" no later than the end of the 2005-06 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. Many teachers in the district are completing additional training as well as the state's process to show subject area competence in order to become NCLB-compliant.

Teacher Education Levels 2003-04		
	Randall-Pepper ES	Fontana USD
Doctorate	0.0%	1.3%
Master's Degree +30*	19.4%	34.6%
Master's Degree	3.2%	0.7%
Bachelor's Degree +30*	51.6%	45.2%
Bachelor's Degree	25.8%	18.3%
Less Than Bachelor's	0.0%	0.7%
<i>*Indicates additional hours above and beyond degree.</i>		
Courses Taught by NCLB-Compliant Teachers		
Highly Qualified Teachers	23.3%	40.9%
High Poverty Schools	n/a	32.6%
Low Poverty Schools	n/a	100.0%

Substitute Teachers

The district currently has a pool of 500 qualified substitute teachers. Substitute teachers must meet minimum state requirements; a substitute must currently be enrolled in a university and have completed 90 semester/135 quarter units toward a Bachelor's degree and have passed the CBEST, or have earned a Bachelor's Degree and have passed the CBEST. Periodically, Randall-Pepper Elementary has difficulty in obtaining qualified substitute teachers from the district's pool. In the event a substitute teacher is not available for an absent teacher, students of the absent teacher are sent to other classrooms in the same grade level to receive instruction.

Teacher Evaluation

Temporary and probationary teachers are evaluated twice annually and tenured teachers are evaluated every other year. Evaluations are conducted by administrators who have been trained and certified for competency to perform teacher evaluations. Evaluation criteria are based on the California Standards for the Teaching Profession, which include:

- Engaging and supporting all students in learning
- Creating and maintaining effective environments for student learning
- Understanding and organizing subject matter for student learning
- Planning instruction and designing learning experiences for all students
- Assessing student learning
- Developing as a professional educator

Training & Curriculum Improvement

All training and curriculum development activities at Randall-Pepper Elementary School revolve around the California State Content Standards and Frameworks.

Professional development activities were provided during the 2003-04 school year to support the adoption of new curriculum and the implementation of new programs including:

- Data Analysis/Using Data to Direct Instructional Decisions
- Step Up to Writing/Other Writing Strategies
- Open Court Reading
- Standards Plus
- McRel Nine Effective Teaching Strategies
- Teaching with the Brain in Mind
- Brain-based Instruction and Brain-based Learning
- Three Dimensional Model of Teaching

Fontana Unified School District offers support to new and veteran teachers as well as interns, pre-intern teachers, and substitute teachers. Staff members are encouraged to attend workshops and conferences. The district annually offers three staff development days. During the 2003-04 school year district training included:

- Beginning Teacher Support and Assistance (BTSA)
- Peer Assistance and Review (PAR)
- Reading and Writing Instructional Strategies (Grades K-5)
- Instructional Strategies in Language Arts, Math, and Science (Grades 6-12)
- Classroom Management
- Differentiated Instruction for English Language Learners
- Certification for Gifted and Talented Education (GATE)
- Use of Technology in the Classroom

Textbooks & Instructional Materials

Fontana Unified School District held a Public Hearing on January 19, 2005 regarding district wide sufficiency of instructional materials pursuant to the settlement of Williams vs. the State of California. It was determined that there were not sufficient textbooks in the following areas: 1) class sets were provided, individual students did not receive their own textbooks; 2) health textbooks were not purchased for grades K-5; and 3) social studies textbooks for grades K-5 were out of print. The Board resolved to purchase additional textbooks and laboratory materials in order to meet state requirements and to adopt new materials in health for grades K-12. During spring 2005, additional textbooks and instructional materials were purchased, ensuring that each pupil, including English Learners, has textbooks or instructional materials to use in class and to take home to complete required homework.

All textbooks and instructional materials used within the district are aligned to the California State Content Standards and have been approved by the Board of Education. Textbooks in grades K-8 have been selected from the state's most recent list of adopted materials. Fontana Unified School District follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

District-Adopted Textbooks (Grades K-5)		
Subject	Publisher	Year Adopted
Language Arts	SRA/McGraw-Hill: <i>Open Court Reading</i>	2003
Language Arts	Hampton Brown: <i>Into English</i>	2003
Math	Scott Foresman: <i>California Mathematics</i>	2001
Science	McGraw-Hill	2001
Science	Houghton Mifflin	2001
Social Science	Houghton Mifflin	1991

Contact Information

Parents who wish to volunteer or participate in Randall-Pepper Elementary's leadership teams, school committees, or school activities may contact the school's office at (909) 357-5730. Parents may also leave voice mail messages for teachers.

Student Achievement & Assessment

Multiple measures of student achievement are used as an ongoing part of the quality instructional program at Randall-Pepper Elementary. These measures are used to monitor students' actual progress as well as to evaluate the effectiveness of the instructional program. In 2003-04, district language arts and math assessments were administered three times to students in kindergarten through fifth grade. These were curriculum embedded tests, developed by the district, written and aligned with the state and district standards. Using the results of district assessments, state assessments, and student grades, Fontana Unified School District created a multiple measures matrix. This matrix was used to evaluate overall student progress and to identify students at risk of not meeting grade level standards. The district and school then provided various intervention programs for students who were performing below grade level standards.

Norm Referenced Test

The CAT/6 is a standardized norm referenced test, which indicates how the student or group of students compares with that of a national sample group of students tested from around the country. All students in grades two through eleven are tested each spring. Students in grades two through five are tested in the academic areas of reading, spelling, written expression and mathematics. The table below reflects the percentages of students scoring at or above the 50th percentile (or those students performing at or above the average level) in reading and math.

CAT/6 Norm Referenced Test 2003 & 2004 % At or Above 50th Percentile																
Subject Area	Reading								Math

^SED - Socioeconomically Disadvantaged
Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Physical Fitness

In the spring of each year, Randall-Pepper Elementary is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test measures each student's ability to perform fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ).

California Standards Tests (CST)

California Standards Tests assess student performance on the California State Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested and include Advanced (exceeding standards), Proficient (meeting standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards) levels. The state target for every student is to score at the Advanced or Proficient level. For detailed course and grade level results, please visit the state's Standardized Testing and Reporting (STAR) website: <http://star.cde.ca.gov>.

Scores are not disclosed when fewer than 10 students are tested within a grade level and/or subgroup.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. The state has determined a performance target of 800 for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Awards: Schools that meet both schoolwide and subgroup Growth Targets are eligible for the Governor's Performance Award. For schools with an API of 800 and above, the state requires at least a five-point improvement to qualify for awards.

II/USP: Schools that do not meet their Growth Targets and have a Statewide API Rank of one to five are eligible to participate in the Immediate Intervention/Underperforming Schools Program (II/USP), which provides resources to schools to improve academic achievement.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API)												
	2001 Base	Growth Target	Actual Growth	Growth 2001-02	2002 Base	Growth Target	Actual Growth	Growth 2002-03	2003 Base	Growth Target	Actual Growth	Growth 2003-04

^SED - Socioeconomically Disadvantaged

Adequate Yearly Progress (AYP)

No Child Left Behind (NCLB) is a federal law which mandates that all students, including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency, meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate Adequate Yearly Progress (AYP) toward achieving that goal. AYP mandates that certain requirements are met each year:

- Each school and subgroup must perform to a proficiency level; 13.6% of elementary and middle school students must be proficient in language arts and 16% must be proficient in math.
- At least 95% of students must take state standardized tests.
- Schools must show improvement in the Academic Performance Index (API).

After two consecutive years of failure to meet AYP in a particular subgroup, a school becomes eligible for Title I Program Improvement (PI). Schools can be categorized as PI for a maximum of five years. However, a school may exit from this status after two consecutive years of success in the affected subgroup(s). There are several consequences for schools that have been placed in Program Improvement, including the provision of additional tutoring and replacement of staff. Students of PI schools are also allowed to transfer to other schools (within their district) that meet AYP.

A "Yes" in the adjacent chart means the school or subgroup was at or above the 2004 targets for participation rate or percent proficient. "No" means the school or subgroup was below the participation rate or percent proficient. Randall-Pepper Elementary School met all of the 2004 AYP criteria and did not qualify for Title I Program Improvement.

More information about Title I and NCLB requirements can be found on the following Internet websites: <http://www.cde.ca.gov/nclb/> and <http://www.nclb.gov>.

Special Programs

Instructional programs are aligned to California State Content Standards. The school structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques and supplemental instructional materials and programs. Special programs include:

- Resource Specialist Program
- Special Day Class
- Parents as Teachers (PAT)
- Even Start
- State Preschool
- Homework Club
- Math, Reading, and Writing Club
- America Reads Tutors
- Fast For Word intervention program
- After-school English Learners support
- ELD tutors after school for grades 2-3
- Gifted and Talented Education (GATE)
- Site Literacy Coach teacher and student support
- Remediation for Kindergarten and First Grade students
- Panther Extended Day Tutorial Program
- English Language Acquisition Program (ELAP)
- English Language Learners support in the classroom
- SB 65 Motivation and Maintenance Program

Quality of Instruction & Leadership

Leadership at Randall-Pepper Elementary is a responsibility shared among district administration, the principal, assistant principal, instructional staff, students, and parents. Overall administration of school activities, teacher evaluations, and daily operations are only a few of the many responsibilities undertaken by Randall-Pepper Elementary's principal. Principal Gail Watkins joined the school in the fall of 2004. She brings to the school more than 27 years of educational experience. Working closely with teachers and staff, the principal leads the school's efforts to offer a well-balanced and rigorous core curriculum aligned with state and district standards.

Staff members and parents are encouraged to participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals.

- School Site Council (SSC)
- Leadership Team
- District Advisory Council (DAC)
- Student Success Teams (SST)
- Parent Teacher Association (PTA)
- Coordination of Services Team (COST)
- Individual Education Plan (IEP) Teams
- English Language Learners Advisory Committee (ELAC)
- District English Language Learners Advisory Council (DELAC)
- Special Education Review Team (SERT)

Expenditures & Services Funded

At the time this report was published, the most recent salary and budget comparison data for the state of California was for the 2002-03 school year. In 2002-03, Fontana Unified School District spent an average of \$6,304 to educate each student.

Current Expense of Education Per Student*		
2002-2003		
Statewide Average		
Fontana USD	All Unified School Districts	All Districts
\$6,304	\$6,882	\$6,822

**Ed-Data and California Department of Education, School Fiscal Services Division - J-200 Reports.*

In addition to general fund state funding, Fontana Unified School District receives state and federal categorical funding for special programs. For the 2003-04 school year, Randall-Pepper Elementary had the following categorical programs:

- Title I (Schoolwide)
- Title V
- Reading First
- Drug/Alcohol/Tobacco Education
- Special Education
- Mentor Teacher
- Gifted and Talented Education (GATE)
- School Improvement Program (SIP)
- English Language Acquisition Program (ELAP)
- Economic Impact Aid - Limited English Proficient
- SB65 Funding
- Comprehensive School Reform Demonstration Grant

Salary and Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having more than 20,000 average daily attendance throughout the state.

Salaries as a Percentage of Total Budget		
2002-2003		
	Fontana USD	California
Teacher Salaries	42.6%	41.6%
Administrative Salaries	5.4%	5.1%
