Dear Kindergarten Families,

It is time to enroll your kindergarten student for the 2012-2013 school year. New Senate Bill (SB) 1381 amended California Education Code to change the required birthday for admission to kindergarten beginning with the 2012-2013 school year. **Your child needs to be 5 years old on or before November 1, 2012 to attend Kindergarten for the school year 2012-2013.**

**All students who attended preschool MUST REGISTER FOR KINDERGARTEN AT THE ENROLLMENT CENTER for the school year 2012-2013. Kindergarten students will be enrolled in their home school (based on attendance boundary) regardless of where they attended preschool. Please visit our website at [www.fusd.net](http://www.fusd.net) to find your home school. If you wish to apply for an Intra District Transfer, to go to another school, you must do it during the month of January 2012 and return it to the school you want your child to attend. However, the student will be enrolled in the home school until you receive your approval from Child Welfare and Attendance to go to the school requested.**

Registration packets will be available at the Enrollment Center and at all elementary schools by January 9, 2012. It's important that you pay close attention to all the requirements needed for enrollment and that you adhere to your school scheduled week. Missing some of the requirements could result on a delay and/or having to return to complete enrollment. Documentation needed for kindergarten enrollment:
