SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT STATEMENTS

DISTRICT MISSION

"Every Student Successful. Engaging Schools. Empowered Communities."

DISTRICT VISION

Fontana Unified is a community united to ensure that every student is prepared for success in college, career, and life.

CORE VALUES

- Teamwork and Respect
- Excellence and Achievement
- Responsibility and Accountability
- Equity and Opportunity
- Dedication and Commitment

CORNERSTONES OF SUCCESS

- Every Student Successful: Schools demonstrate a relentless focus on preparing students for success in college, career and life.
- Engaging Schools: Schools have the high-quality resources, leaders and teachers to provide the comprehensive learning environment required for a world-class education.
- Empowered Communities: Schools cultivate healthy environments and meaningful partnerships with families and communities to support student achievement in and out of school.

DISTRICT GOALS

- Increase proficiency and strategic thinking
- Promote multilingualism and multiculturalism
- Increase graduation and college and career readiness
- Cultivate effective teachers and leaders
- Engage students and decrease dropout rates
- Strengthen family and community engagement
- Promote healthy environments

SCHOOL STATEMENTS

Principal's Message:

At Citrus Elementary School, we are dedicated to equipping all students with the skills they need for college and career success, and ensuring that no one falls through the cracks. This means teaching students 21st Century Skills. In addition to providing rigorous, Common Core Based Instruction, we also believe in training students in the hidden curriculum of student skills. We do this via the AVID Elementary model.

AVID Elementary is based on Writing to Learn, Inquiry, Collaboration, Organization, and Reading to Learn (WICOR) strategies. We provide all our students with agendas or calendars and teach them how to organize their time. We also give school tools, such as 2-pocket folders or 3-ring binders along with all necessary supplies to all students, teaching them how to organize their tools and be ready to learn. Finally, we teach students how to organize their thoughts via focused notetaking using Thinking Maps and 3-Column Notes. Through these strategies, we prepare our students with the knowledge they need to succeed at the business of school.

SCHOOL PROFILE

Citrus Elementary is focused on preparing students to be college and career ready. This means equipping students with the Academic, Behavioral, and Social-Emotional skills they need for success.

To equip students with the Academic skills they need, we provide rigorous instruction based on the California Common Core State Standards. We infuse technology into our lessons by integrating laptops and cloud-based programs such as Office 365 in blended learning instruction. Additionally, as an Advancement Via Individual Determination (AVID) Elementary school, we equip students with the study skills they need to be a successful student.

To equip students with the Behavioral skills they need, we fully implement all three Positive Behavioral Interventions and Support (PBIS) tiers. This means we provided instruction on appropriate behavior to all students along with scaffolded interventions for those who need additional support. We have been recognized by the California PBIS Coalition as a Platinum PBIS school, the highest honor possible, since the 2018-19 school year.

To equip students with the Social-Emotional skills they need, our staff are trained in Restorative Practices. We provide Morning Meetings for our students and weekly Second Steps lessons focusing on social-emotional skills.

Citrus staff are dedicated to equipping all students with the skills they need for college and career success and ensuring that no one falls through the cracks.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Age and Condition of Facilities

Citrus Elementary School provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision. Built in 1999, the school sits on 12.72 acres and includes a library, a staff lunch, 23 permanent classrooms, 18 portable classrooms, a computer lab, a teacher's workroom, and a cafeteria/multipurpose room.

Campus Supervision

Each morning when before school starts, support staff greet students and parents at the school entrance area. School side aides supervise students until school begins. During recess and lunch, school site aides monitor students and provide Sun Bucks to those who demonstrate our schoolwide expectations of being safe, respectful, and responsible, reporting back to teachers and administration when necessary. When students are dismissed for the day, teachers and other school staff monitor the bus loading and student pickup areas. During school hours, all visitors must sign in at the front office, show photo identification, and wear identification badges while on campus.

Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors.

The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines. Each custodial staff member receives job training and is provided a copy of the district's cleaning manual which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

One full-time day custodian and two full-time evening custodians are assigned to Citrus Elementary and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order. Each morning before students arrive on campus, the day custodian inspects facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds. Noon aides check restrooms for cleanliness frequently throughout the day as part of their regular duties and notify the custodian when cleaning or restocking is required. The principal and custodians communicate frequently regarding campus maintenance and safety issues. Daily housekeeping and cleaning takes place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary who forwards all work orders to the district's maintenance department who identifies the scope of the project and then assigns the project to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

Improvements to Facilities

The following facility improvements are being made districtwide where necessary: wi-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards), portable ramp replacement, portable HVAC units for portable classrooms of various sites, re-sealing of gym floor, solar installation projects, PA system upgrades, paint exterior of entire school, paint interior of entire school, replace/repair swamp coolers, replace intermittent failing HVAC units, replacement of portable siding and paint, replace ramps, general installation of TVs in classrooms.

Additionally, the following facility improvements are planned specifically for our school: remove and replace roof system for multiple permanent buildings site-wide, creation of a windbreak for door for the front office.

Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

SAN BERNARDINO COUNTY WILLIAMS INSPECTION RESULTS

On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. The inspection was completed on August 22, 2022. Results of the inspection conducted during the 2022-23 school year and corrective action taken by the district are provided below.

The following good repair deficiencies were observed:

Section 10. Fire Safety: Multi-purpose Room: Elevator/Wheelchair Lift permit not current (Remedied November 2022)

INSTRUCTIONAL MATERIALS

Sufficiency of Instructional Materials

Fontana Unified School District held a public hearing on September 21, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.

Adoption of Instructional Materials

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2021-22	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents are encouraged to get involved in Citrus Elementary School's learning community. Parents may volunteer to help out in their child's classroom, read to students, and chaperone field trips. Back to School events provide opportunities for parents to interact with school staff while supporting their child's academic programs. Parents are invited to Sun Chats each month to enjoy coffee and share their concerns or discuss school activities. Parent education activities includes monthly Parent University trainings based on topics requested by parents. The School Site Council, Parent Teacher Association, and English Learner Advisory Council provide opportunities for parents to have input on curricular programs and financial planning.

School-to-home communication is provided in both English and Spanish. The Citrus Elementary School website is kept current with monthly school events. We also use Q Communication (Parent Square) to provide regular updates to families. Parents can use this platform to communicate directly to teachers and staff.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The comprehensive Safe School Plan is developed by the Safe Schools Committee on an annual basis to comply with Senate Bill 187 of 1997 and is submitted to the District for approval. The plan was last reviewed, updated, and approved in August 2022. An updated copy is available to the public at the school office.

Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020–2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit county and city public libraries, which contain numerous computer workstations.

PROFESSIONAL DEVELOPMENT

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs.

All staff completes mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance and Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Three days are dedicated annually to district-wide staff development. All school sites have early student-release days on Wednesdays for PLC meetings, Staff collaboration, teacher prep time and professional development. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five - ten days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

COUNSELING AND SUPPORT SERVICES

Citrus Elementary School makes every effort to meet the academic, emotional, and physical needs of its students. The school employs a full-time counselor to provide counseling and support services.

Student Intervention Teams (SIT) address issues that affect the ability of a student to perform at his or her best in school and recommend various intervention strategies/services to meet the unique needs of referred students.

The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Citrus Elementary's special education staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

The charts display support staff available to students at the school in the reporting year. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

DISCIPLINE AND CLIMATE FOR LEARNING

In 2016-17, Citrus Elementary implemented Positive Behavior Intervention and Supports (PBIS) Tier 1 interventions. These interventions were designed to teach students and parents our schoolwide expectations of being safe, respectful, and responsible. Some of these interventions included: posting signs across campus, explicitly teaching all students how to behave in the various areas across campus, and providing students Sun Bucks when they demonstrated these expectations. Students were able to spend their Sun Bucks in Sun Store, which was run on a weekly basis by parent volunteers. Through these efforts, Citrus won the Silver Award from the California PBIS Coalition for its successful PBIS launch.

In 2017-18, Citrus Elementary launched PBIS Tier 2 interventions intended to target students for whom Tier 1 was not enough. They identified students for these interventions based upon teacher recommendation and discipline data. These interventions included a student mentor program called Check In Check Out, Community Building Circles, and Social Skills classes. Citrus won the Gold Award from the California PBIS Coalition.

In 2018-19, Citrus Elementary added PBIS Tier 3 interventions, focused on students who needed targeted support along with their Tier 1 and Tier 2 interventions. Skilled professionals conducted assessments to determine the function of behavior, and a team of educators developed individualized behavior plans designed to help these students improve behaviorally. We were honored with the Platinum Award, the highest award possible, from the CA PBIS Coalition.

In 2019-20, there was no formal rating system from the CA PBIS Coalition due to the Pandemic. However, for the 2020-21 and 2021-22 school years, we once again achieved a Platinum score.

Citrus continues to implement all three tiers of PBIS. This proactive approach to discipline relies on a teaching emphasis of behavior. When students present challenging behavior, Citrus staff reteach the expected behaviors and use Restorative Dialogue to interact with students and get them to reflect on their behaviors. Thanks to this approach, we are "blue" on the CA Dashboard for our suspension rates, which is the highest tier. On the annual FUSD parent survey, 95% of parents responded that Citrus Elementary is a safe place.
