

Student Athletic Clearance

Every student athlete must be cleared in order to participate in sports in any capacity, including tryouts.

- **Online Clearance**

- Must be filled out on www.athleticclearance.com.
- You must set up an account on this website (or begin new clearance for returning students) for the state of California. Select the correct year, school, and the sport(s).
 - As part of the online Athletic Clearance, a PARENT/GUARDIAN types name for online signatures **AFTER** reading embedded forms, and STUDENTS type their name for online signatures. This means there needs to be a parent and student signature for each form.

- **Participation Physical Examination -- Physical Examination Form**

- Students must take a yearly physical examination prior to trying out. Physicals are good for one school year.
- The physical **MUST** have a physician's/clinic's stamp and signature for it to be considered valid, and the date of the examination.
- Medical History form on other side should be filled out to the best of yours and your parent's knowledge. Signed by both student and parent and dated.
- Upload both sides of physical onto www.athleticclearance.com.

- **Insurance Card**

- This needs to have the **student's name** on it or we will need documentation providing proof that the student is covered under the parent's policy.
- Upload this onto www.athleticclearance.com.

- **Confirmation Letter**

- Once all the above steps have been completed, print the **confirmation letter**. BOTH STUDENT AND PARENT must sign the confirmation letter IN INK.
- Once signed, upload to www.athleticclearance.com.
- **NO ELECTRONIC SIGNATURES ACCEPTED FOR THIS FORM.**
