

# **To all World History Students registered for Junior year IB History of the Americas**

## **YOU HAVE A SUMMER ASSIGNMENT!**

Please check it out and come to **B204** to pick up a packet. This is required work for the course.

If you have questions about the assignment, you may contact Ms. Sanchez at [SanckR@fUSD.net](mailto:SanckR@fUSD.net).

*The work can be done after the start of school, however, it will be much easier if it is completed beforehand.*

**The plan is to add you to a new TEAM:  
“IB History Summer Assignment”**

**Please be on the lookout for it.**

If you do not have access to the TEAM but think you should, please contact me. Thanks! Looking forward to seeing you in class!
