## Parking Permit Student Contract

**Students can ONLY park in the general student parking spaces next to the football stadium.**

**Late start seniors will be given a late start sticker to be allowed to park in front of the school.**

1. The price for the initial permit and each additional/replacement permit is \$10.00 with ASB Card and \$15 without ASB Card. Permits are only valid for the current school year and expire on the last day of school for that year.
2. Hours of parking permit enforcement are Monday through Friday from 6:00 am to 5:00 pm (with the exception of handicapped parking, parking in fire lanes, reserved student spaces, and rules pertaining to safe driving practices, which are enforced at all times).
3. Parking permits **MUST** be adhered to the windshield on the **bottom of the passenger side of the windshield (Front)** of the vehicle.
4. **A student parking permit limits parking to any stall in the student parking lot, located on the NORTH SIDE of the stadium. Parking in any location other than in a designated student parking stall is prohibited and subject you to citation(s) and/or revocation of driving privileges and/or disciplinary consequences.**
5. Parking at Jurupa Hills High School is a privilege and may be revoked by administration for safety and/or disciplinary reasons.
6. Violations of the Fontana Unified School District and/or Jurupa Hills High School Student Code of Conduct related to the use of your vehicle are always in effect. Such violations may result in a revocation of your parking permit as well as other disciplinary consequences. Examples of these violations include, but are not limited to, off-campus parking, reckless and/or unsafe driving practices, and closed campus violations involving the use of your vehicle.
7. The school system retains authority to conduct routine patrols of student parking lots and inspections of the exteriors and visible interiors of student automobiles on school property. The school system may inspect the interior of student automobiles whenever a school authority has reasonable suspicions to believe illegal or unauthorized materials are contained inside the automobile. Such patrols and inspections will be conducted without notice, without student consent, and without a search warrant. **If I fail to provide access to the interior of my car upon request by a school official, I will be subject to disciplinary action and the revoking of my parking privilege.**
8. **The school is not responsible for the vehicle or its contents.** You are advised to leave vehicle(s) locked at all times.
9. Once parked, **I am not permitted to remain in the car or return to the parking lot during school hours** without authorization from the administration.

10. The parking lot is a restricted area. There is to be **no loitering or visitation** in the parking lot without an administrator's permission.
11. The "**NO SMOKING**" or possession of tobacco products regulation also applies to the parking lot.
12. Tardiness resulting from not being able to find a parking space will not be excusable.
13. **Parking decals are nontransferable.** If a student drives multiple vehicles to school, **each vehicle must have a different permit** (be registered, listed, and documentation provided).
14. Any vehicle without a permit, or parked in a space that is in violation of the parking permit contract, will be subject to citation(s) and possible revocation of a student's parking privileges.
15. If I violate my provisional license restrictions (as outlined in section 12814.6 of the California Vehicle Code) I will have my parking privileges revoked for the remainder of the school year.
16. I understand that excessive late arrivals to school, excessive absences from school, or continued disciplinary infractions could cause my driving privileges to be revoked by the school's administration.

**Failure to adhere to the above conditions places your vehicle subject to a city citation (Section 21113 (a) CVC), a \$10 school citation for each occurrence, a revocation of your campus driving privileges, and other discipline consequences as outlined in the Jurupa Hills High School Student Code of Conduct.**

*The signature below indicate that my parents/guardians and I have read and understand the above rules and conditions and agree to abide by the conditions set forth in this contract.*

#### Student Acknowledgement of Regulations

*I have read, fully understand, and agree to abide by the student parking regulations as written above.*
