Dear Sponsor,

The 25th Annual Fontana Santas Event will take place on Saturday, December 17, 2022. In Partnership with the Fontana School Police Department, Family and Community Engagement (FACE), and the Office of the Superintendent of Schools, we are conducting a toy drive and raising money, which will be used to provide holiday cheer to over 300 families in the Fontana Unified School District (FUSD). Fontana Santas goal is to smile at our disadvantaged children and make their Christmas special. We are asking for sponsorships or donations from local businesses and individuals like yourself to meet this goal.

By supporting this annual event, you will be endorsing the Fontana Santas program and helping to assist students in need in our community. Your sponsorship/donation will be recognized at our annual event. Help promote your business while you assist our community.

We hope we can count on you to help support this worthy endeavor. The Internal Revenue Code Section 170(c) defines charitable contributions as contributions or gifts to or for the use of a state, a possession of the United States...only if the contribution or gift is made for exclusively public purposes. FUSD is a public educational institution. Public schools are considered a political subdivision of a governmental agency and a deductible charitable contribution if it is used for the public good.
