Points - Do you have any Feedback - Do you have

mentor. I learned a lot about myself and about mentoring. :)

challenging was knowing what was due and when- meeting logs, mileage, and later on the ILP, but much of th
r staff work really hard to make sure the mentors have what they need, and area very supportive to our que:

.

ould be required to meet monthly with other induction teachers to share their progress.

ellow educators who were willing to open their doors for candidate observations. I also appreciate the short,
ntastic and supportive.

s)

with my teachers and I loved every training that was given.

entors and Audry for a job well done

t throughout the year.

is was because of the changes taking place in the process. Overall, I have heard from new teachers, tha

, rotational workshop or break-out sessions model when attending Induction PD with my candidate.

t this new system is great! They appreciate the just-in-time support and as a mentor I liked having time

to feel like I was giving meaningful support. Thank you!
