Authorization/Subjects

Authorization Code	Authorization Description	Subject Code	Subject Description
ELA1	The following instructional services may be provided to English learners: (1) instruction for English language development in grades twelve and below, including preschool, and in classes organized primarily for adults. If the prerequisite credential or permit is a designated subjects adult education teaching credential, a child development instructional permit, or a child development supervision permit, English language development instruction is limited to the programs authorized by that credential or permit; (2) specially designed content instruction delivered in English in the subjects, programs and at the grade levels authorized by the prerequisite credential or permit. This English learner authorization also covers classes authorized by other valid, non-emergency credentials or permits held, as specified in Education Code Section 44253.3. This credential authorizes the holder to teach all subjects in a self-contained class and, as a self-contained classroom teacher, to team teach or to regroup students across classrooms, in grades twelve and below, including preschool, and in classes organized primarily for adults. In addition, this credential authorizes the holder to teach core classes consisting of two or more subjects to the same group of students in grades five through eight, and to teach any of the core subjects he or she is teaching to a single group of students in the same grade level as the core for	NONE	
R2M		GSX	General Subjects (Examination)

ELA1	The following instructional services may be provided to English learners: (1) instruction for English language development in grades twelve and below, including preschool, and in classes organized primarily for adults. If the prerequisite credential or permit is a designated subjects adult education teaching credential, a child development instructional permit, or a child development supervision permit, English language development instruction is limited to the programs authorized by that credential or permit; (2) specially designed content instruction delivered in English in the subjects, programs and at the grade levels authorized by the prerequisite credential or permit. This English learner authorization also covers classes authorized by other valid, non-emergency credentials or permits held, as specified in Education Code Section 44253.3. This authorizes the holder to conduct Educational Assessments related to student's access to the academic core curriculum and progress towards meeting instructional	NONE
