Marco A. Garcia – Principal Chad Allen - Assistant Principal Lourdes Rivera – Climate and Culture

Dear Parents and Guardians,

My name is Mrs. Lourdes Rivera, and I am the Climate and Culture Coach at Fontana Middle School. As a Climate and Culture Coach, my goal is to provide your students with the necessary tools to make positive choices and be successful at FMS.

I support your students at FMS through Restorative Practices. Restorative Practices represent a positive step forward in helping all students learn to resolve disagreements, take ownership of their behavior, and engage in acts of empathy and forgiveness. I teach students to “make things right” when they have made a mistake, reflect upon their actions, repair the harm done, and restore the relationship.

I facilitate community building circles which teaches students to form relationships in the classroom, restorative circles which are used to resolve a problem in a group setting, motivational interviews which are used to change a specific negative behavior, and small group sessions where we talk about topics that interest students.

I check-in on students who need extra behavior support and remind students of our schoolwide behavior expectations (FMS C.A.R.E.S.) inside and outside of the classroom, and have constant communication with parents regarding their student.

I am here to help you and your student in any way I can. The student can contact me if they need my help, or they can be referred to me by a parent/guardian, administrator, teacher, or staff member.

If you have any questions, or need my assistance, please do not hesitate to contact me at rivelo@fusd.net or fill out the “FMS Climate and Culture Support Request” form.

I look forward to working with you, and help your student succeed at Fontana Middle School.

Sincerely,

Lourdes Rivera

Climate and Culture Coach
Multi-Tiered System of Supports
