

MRS. ALLEN ' S CLASS TECHNOLOGY DOWNTIME OPTIONS

Please select 3 things to do when we're experiencing technology downtime:

<p>Draw and label the characters of a book you are reading.</p>	<p>Find an object around the house beginning with every letter of the alphabet.</p>	<p>Write or draw about something fun you like to do at home.</p>	<p>Count how many forks and spoons are in your house. Which one has the most/least?</p>
<p>Write about a character who goes on an adventure. Where did they go? What happened?</p>	<p>Staple or fold pieces of paper together to make a book. Write and illustrate a story to share with your family or class.</p>	<p>Free Reading – 20 minutes.</p>	<p>How many combinations of numbers make 10? Write down all the ways you can make 10.</p>
<p>Measure how tall each person in your family is using blocks or can. Make a list of tallest to shortest.</p>	<p>Make a card for a firefighter, hospital worker, police officer, or service provider and thank them for helping to keep us safe. Have an adult help you find an address and mail the letter to a worker helping in our community.</p>	<p>Count how many windows and outlets are in your home. Which one has more/less?</p>	<p>Make a timeline of your life – starting with the day you were born</p>
<p>Do some PE activities by dancing, playing outside, or exercising with your parents' permission.</p>	<p>Play a board game with your family.</p>	<p>Design your dream bedroom. Draw and label your design.</p>	<p>Skip count by 1s, 5s, and 10s to 120.</p>
<p>Find 5 rectangles in your home. Draw a picture of each item.</p>	<p>Write 6 of your sight words on the sidewalk with chalk. Have an adult take a picture of you by your words.</p>	<p>Write a math problem about your family.</p>	<p>How many shapes do you know? Draw and label as many shapes as you can.</p>
