

# Choice Board

Language Arts- 4<sup>th</sup> Grade

<p>What is the most interesting story that a family member has ever told you about their life? Write about their story and illustrate it.</p>	<p>Watch a TV show or movie. Design a board game based on the TV show or movie.</p>	<p>What is your favorite activity? Why is this your favorite? Who do you do this activity with? Write about it and draw an illustration of you doing the activity</p>	<p>If you could create an app that could help people in some way, what would it be? Describe your app and draw an illustration of it.</p>
<p>You have an idea to improve your school. Explain your idea to someone at home. Write about your idea.</p>	<p>Think of something that interest you. Write a story, poem, play, or song about it. Illustrate your interest.</p>	<p>Create an advertisement for your favorite TV show. Through your ad, invite others to watch it and let them know why they should watch the TV Show.</p>	<p>What is your favorite snack to eat? Create a commercial to advertise the item. Try to persuade the viewer to want to eat it.</p>
<p>Design a comic strip about something fun that happened to you or someone you know; or something funny from a book or movie. Use words and illustrations.</p>	<p>Write about what do you want to be/do when you grow up? What job do you want? Why is this the best job for you? What is your plan to reach this goal?</p>	<p>Choose a movie to watch with your family. Write a different ending to the movie. Read your ending to the story to a family member. Ask them to write a comment about your ending</p>	<p>You are given a magical camera. Everything you take a picture of becomes yours. You can only take three pictures. What three pictures would you take? Explain your answer. Illustrate the three pictures you would take.</p>
<p>To stay healthy, you need to exercise. What exercise do you prefer? Do you like to do the exercise with someone or alone? Write about the exercise you chose.</p>	<p>Think of a meal that someone prepared for you that you loved. Ask that person how they made it. Write the ingredients and steps on how to make the meal.</p>	<p>Think about the events that have happened during your life. Create a timeline of these events with words and illustrations.</p>	<p>What animal makes the best pet? Give three (3) or more reasons for your opinion. Make a poster advertising the best pet.</p>
<p>Watch a non-fiction TV show. Draw three (3) or more things that you learned from the show in sequential order. Inside each drawing, write what you learned from the non-fiction show.</p>	<p>Watch a TV show or read a book. Using materials from home, make a simple puppet based on a character from the TV show or book. Write a script and perform a one-minute show about the character.</p>	<p>Design a TV ad or poster that will encourage/persuade children to eat more vegetables and less junk food.</p>	<p>Read a short story. Make up five (5) questions. Answer your own questions. Then ask a family member or friend to read the short story and answer your questions.</p>
