

Dear Kaiser HS Seniors & Family,

Unfortunately, Senior Year for the Class of 2022 has been impacted by the Covid-19 virus. Now more than ever, Seniors are excited to be back on campus creating memories during their final year of High School. It's amazing just how quickly time flies. In just a few short months your Son or Daughter will be awarded their diploma. Think of the hard work, the early mornings, and the late nights. All of the moments that have led up to this special day. As a parent, you must be proud of this once in a lifetime accomplishment. Congratulations!

CELEBRATE GRADUATION . . .
