Dear Students and Families,

Welcome to the 2024-2025 school year! We're delighted to have your child with us at Sequoia and look forward to getting to know them as they become part of our school family.

We eagerly anticipate an exhilarating year, commencing with vigor under our school's theme: 'It's an Eagles Thing.' This theme signifies our shared experiences and distinct identity. As a united school community, we recognize and value the responsibility of embodying the Eagles way, inclusive of our students and families, as we guide and educate them about our school's ethos.

Sequoia is a National Schools to Watch, AVID National Demonstration Site, PBIS Platinum, and Dual Immersion School. In addition, we offer sports, clubs, and services focused on academic and social success for all.

We designed our student handbook to provide information on all the policies, procedures, and services Sequoia offers. In addition, it contains an agenda to track all your assignments, tests, quizzes, important dates, and provides an opportunity for students, parents, and teachers to communicate regarding student progress. Please do not remove, tear, or alter any pages in the handbook. Take a moment to look through your student handbook and learn more about all the great programs and services Sequoia has to offer.

We encourage you to become involved in all the activities, clubs, and sports Sequoia has to offer, allowing you to feel even more connected to our school.

We look forward to sharing in all your successes this year, and we know you are all going to do exceptionally well. Wishing you all an amazing school year.

Sincerely,

Mrs. Monica Young  
Principal
