

FONTANA UNIFIED SCHOOL DISTRICT

Every Student Successful Engaging Schools Empowered Communities

Special Education Local Plan Area (SELPA)/ Special Education

Many students struggle in school due to deficits in planning, problem solving, controlling impulses, being flexible, and regulating emotions. These skills fall under the category of executive function (EF). All individuals need strong EF skills to succeed in all areas of life. The good news is EF skills can be taught. Join us to learn how parents and family members can play an important role in building and supporting EF skills that help your child thrive.

FINISHING THE SCHOOL YEAR SUCCESSFULLY: SUPPORTING THE STRUGGLING ELEMENTARY LEARNER

Webinar Hosts

Carol Burmeister, M.A., has experience as a paraprofessional, general education teacher, special education teacher, program specialist, university instructor, and consultant in a variety of settings. She is co-author of the books, FLIPP the Switch: Strengthen Executive Function Skills as well as FLIPP the Switch 2.0: Mastering Executive Function Skills from School to Adult Life for Students with Autism.

Dr. Sheri Wilkins has worked in public education as a paraprofessional, teacher, university professor, coach, and trainer for over 35 years. Dr. Sheri is passionate about building the capacity of family members and educators to support struggling students to experience more success in school, at home, and in the community. She is co-author of the books FLIPP the Switch: Strengthen Executive Function Skills (2015) and FLIPP the Switch 2.0: Mastering Executive Function Skills From School to Adult Life for Students with Autism (2021).

FONTANA UNIFIED SCHOOL DISTRICT

Every Student Successful Engaging Schools Empowered Communities

Special Education Local Plan Area (SELPA)/ Special Education

Muchos estudiantes tienen dificultades en la escuela debido a deficiencias en planeamiento, resolver problemas, controlando impulsos, ser flexibles, y regular emociones. Estas habilidades caen bajo la categoría de función ejecutiva (EF). Todo individuo necesita habilidades EF fuertes para tener éxito en toda faceta de la vida. La buena noticia es que las habilidades EF pueden ser enseñadas. Únase a nosotros y aprenda como los padres y miembros de la familia pueden tener un papel importante en el desarrollo y apoyo de esas habilidades EF para ayudar a sus hijos a prosperar.

TERMINANDO EL AÑO DE MANERA EXITOSA: APOYANDO AL APRENDIZ DE PRIMARIA CON DIFICULTADES
