# EXPUNGEMENT CLINIC

**FRIDAY, OCTOBER 23  
10AM - 12PM**

Attend our VIRTUAL Expungement Info Clinic with the Inland Empire Latino Lawyers Association to learn more about our Post Conviction Relief Services.

In law, “expungement” is the process by which a record of criminal conviction is destroyed or sealed from state or federal record. An expungement order directs the court to treat the criminal conviction as if it had never occurred, essentially removing it from a defendant’s criminal record as well as, ideally, the public record.
