Agenda Item #1: Review CA Dashboard Data

Mr. Garcia **motioned to** Approve Agenda Item # 1

Motioned seconded by Mr. Fisher

Discussion/Comments: Student population for the year of 2021 we had 996. Of that 82 percent 82.5% of them were identified as socially economically disadvantage 17.9% were English language learners and 3% were foster youth. We did see it increase in our African American students this past school year, from 6.5. Point 1% of our students are Native American, 2% of our students are Asian. Up to 1.8% of our students are Filipino. Our largest number of you know, race, ethnicity would be Hispanic with 84.62 or more races .6 and our white students took a slight decrease from last year to 4.1. Performance data last year we did not have any testing. This upcoming school year will be the first, this will be all new state data. In English we are at moderate progress, Mathematics we need more work as a decrease in our scores for mathematics for the year that it counted for 2019. In L.A., it has increased significantly. A decline in our Filipino ELA students. Since 2019 we had an increase in suspension rate. African American and English language learner groups, there was a wide end achievement that we needed. We needed to start working on and our special education students who maintained their progress. English language learners made a lot of progress, we had 50% of our students were making progress towards proficiency that year that we had was 142 students. 12% of our students meet the requirement for reclassification 36 moved to level 3, and 30% moved to Level 2, 22% moved to Level 1. There are 14 students who are close to be reclassified.
