Truman Middle School has embraced a proactive approach to school-wide discipline known as Positive Behavioral Interventions and Supports (PBIS). The program is meant to reinforce the positive behaviors of students who meet behavior expectations and instill those behaviors in students who need extra support to reach school-wide expectations of being ready, being respectful, and being responsible. Students will earn rewards and special privileges when they exhibit positive behavior. Likewise, students will be redirected and provided other means of correction (OMOC) when they do not live up to the school's behavioral expectations.

Behavioral Expectation Assemblies are held once a month, facilitated by Administrators, Counselors, and Climate and Culture Coach who share information and discuss school policies with all our students. Topics include: School wide expectations, Education Code violations (bullying, sexual harassment, drugs, fights, etc.) and other important issues. Each student is provided with a student handbook that also contains the school code of conduct, academic expectations, behavior expectations, and safety policies.

#### **STUDENT RECOGNITION PROGRAM ACADEMIC ACHIEVEMENT RECOGNITION**

Truman Middle School provides opportunities for students to challenge themselves to do their personal best. Academic Achievement Recognition encourages students to foster pride and reach their highest potential. Students who make outstanding achievements in this area will be recognized throughout the year. Daily, students are caught being good. Weekly, students who are “Caught Being Good” are recognized publicly. Monthly, Timberwolves of the Month, as well as, students with Perfect Attendance receive certificates and recognition.

#### **CAUGHT BEING GOOD RECOGNITION**

Students are recognized daily for “caught being good” and displaying “being ready, being respectful, or being responsible.” Any staff member can issue caught Being Good slips. Names are drawn on a weekly basis.

#### **PERFECT ATTENDANCE**

Students can be recognized for “PERFECT ATTENDANCE” awards for being in school daily and for being on time to every class period, every single day. If a student is taken out of school for any time for an appointment such as doctor, dentist, etc. then the student does not qualify for having perfect attendance.

#### **HONOR ROLL**

Students are recognized at the end of each semester for their hard work and achievement for maintaining a certain GPA throughout each semester. We have 3 different HONOR Roll categories: The Highest is 3.8 GPA to 4.0 GPA, the High is 3.5 GPA to a 3.7 GPA, and Honors is 3.0 GPA to 3.4 GPA.

#### **AWARD CEREMONIES/CELEBRATIONS**

At the end of each semester, student may be recognized at an awards ceremony for academic excellence, attendance, and citizenship.

#### **TIMBERWOLF OF THE MONTH**

Every student can be recognized for outstanding academic efforts and for good citizenship. One student from each grade level is selected from a pool of nominations made by the Truman Staff to be Timberwolf of the Month. These students are recognized for being ready, being respectful, and being responsible daily. Students receiving the Timberwolf of the Month award will have their pictures on the school’s website and marquee, posted in the administration office, and will be recognized during the morning announcements.

#### **TIMBERWOLF OF THE YEAR**

An 8<sup>th</sup> grade student will be chosen for Timberwolf of the Year. The student is chosen by the Truman Staff. The award recipient will receive a special certificate along with being recognized during the 8<sup>th</sup> grade promotion ceremony.

#### **ACADEMIC STANDARDS**

Truman is committed to academic excellence for all students. Students are regularly assessed, and common core state standards are taught in each class.

### **ACADEMIC/BEHAVIOR STANDARDS FOR PARTICIPATION**

All students are encouraged to participate in all school activities, including band, choir, drama, intramurals, ASB, etc. In order to participate, students must meet the following academic and behavior requirements:

- **GRADES:** Students **must earn a 2.0 GPA with no more than 1 F.**
- **CITIZENSHIP:** A student will be ineligible if he/she has an Unsatisfactory (U) in Citizenship on his/her grading reports.
- **ATTENDANCE:** A student will be ineligible if he/she has been Truant during the semester.
- **SUSPENSION:** A student will be ineligible if he/she has been suspended from school during the semester.
- **ADMINISTRATIVE APPROVAL**

Students who fail to meet the above requirements may be excluded from activities including sports, dances, assemblies, field trips, end of the year activities, etc.

### **ACADEMIC COMPETITION**

Truman Middle School encourages students to participate in academic competitions. Students will have the opportunity to participate in District, County, and State competitions.

**NOTE:** The school does not pay out-of-state transportation expenses.

### **HOMEWORK**

Homework is an embedded portion of schoolwork. Homework gives the students the opportunity to independently practice the skills that were learned in class. Homework is designed to ensure that students will:

Develop regular study habits, responsibility and self-discipline.

1. Designate a quiet place to study and do work at home.
2. Have opportunities to reinforce, extend or enrich classroom learning.
3. Learn to budget time effectively.

Students should write their homework assignments in their planners daily. Assignments may take different forms: writing, reading, math problems, vocabulary, independent research, etc.

Students should spend an average of 30 minutes per subject each day on homework. Higher-level classes will have heavier homework loads. Students should plan on spending some time each day with each subject. They should, at least, review what has been covered in each class. It is the student's responsibility to complete all assignments on time.

Homework assignments will be part of the student's grade. Students who do not complete and turn in their homework are not fulfilling the requirements of the course and their grades will be affected.

In cases of absences, students will be given the opportunity to make up missed work. Teacher policies will vary, but generally students will have the same amount of time to make up their missed work as they were absent. If the work is completed within a reasonable length of time, students should receive full credit for completed assignments.

If a student will be absent for more than three days, contact the office to get work for the student to do in advance of their return to school. Students suspended from school will be allowed to complete all missed assignments that can reasonably be made up. Parents are encouraged to provide a regular study time at home and monitor their child's homework completion.

### **PROGRESS /GRADE REPORTS**

Progress reports are distributed each quarter. Parents can request a progress report more frequently by contacting the

office. The student will take the report to each teacher. It is the student's responsibility to make sure each teacher completes the report. It is the parents' responsibility to hold their child accountable to have the report filled out and brought home. If there is a concern about the student's grade, a parent conference should be arranged with teachers.

### **Q PARENT CONNECTION**

This useful tool allows parents to access their child's academic progress by viewing each teacher's gradebook and provides the most accurate view of student progress. A PIN and temporary password are sent by the district with a student's report card if the parent has never logged into Q. Parents can access the site at: <https://sis.fusd.net/ParentPortal>

### **Q STUDENT CONNECTION**

Students can access their own class assignments, academic history, assessment scores, report cards, etc. Students who wish to use this system must have a computer account which is provided once parents sign an Acceptable Use Policy (AUP).

Students can access Q Student Connection at: <https://sis.fusd.net/StudentPortal>

### **TRUMAN INFORMATION ONLINE**

To access a school events calendar, important announcement educational links, and more students and parents can visit Truman Middle School online at: <https://www.fusd.net/Domain/41>

### **INTERNET USE POLICY**

**Students:** The Acceptable Use Policy will allow you to use the Internet in the Fontana Unified School District. Your signature is required on the document to insure you have read and understand its content.

**Parents:** The document has been provided to make you aware of the different aspects and situations that the Internet includes. Your signature is required as confirmation that you and your child fully understand the guidelines and rules of the policy.

The Student Internet Acceptable Use Policy is signed by every student and parent at the beginning of each school year.

### **RETENTION POLICY INFORMATION**

Students who do not meet specific academic performance standards might not be promoted to the next grade. Students must meet the standards in specific content related skills. These areas include state tests, district math, language arts and reading assessments, and grades from math and language arts classes.

Students and parents will be notified if the student is at-risk of failing a grade. Students who are notified that they may be retained have the ability to change their status by earning passing grades in language arts and math classes and earning passing grades on district math and language arts tests.

Additionally, students who are notified they may be failing a grade may be assigned additional help in reading, writing and math. This extra help may be held after school. It is important that all students take their classes seriously and work to their full potential.

### **ATTENDANCE POLICY**

California State Law requires students to attend school regularly and promptly. According to State Law, it is the obligation of all parents to ensure that every school-aged child under their care and supervision receives adequate education and training and attends school.

Regular school attendance is a very important part of a successful school experience. Poor attendance is the most frequent cause of unsatisfactory achievement. A student who is frequently absent places himself/herself at a serious

disadvantage because he/she misses out on valuable instruction. We expect students to attend school each day and attend all classes.

**ANY UNEXCUSED ABSENCE OR TARDY VIOLATES THE STATE LAW AND MAY BE CATEGORIZED AS A TRUANCY.**

**ABSENCES**

If a student is to be absent from school, it is the parent's responsibility to call the attendance office at 357-5190, ext. 35214, and notify the attendance clerk of the absence. Notes should be turned in during first period. An accurate record is kept of all absences and tardies. Please try to schedule all medical/dental appointments after school.

Excessive tardies and absences will result in a parent conference and/or a School Attendance Review Board (SARB) referral for administrative action. Tardies and absences accumulate for the year. Students may be cited for trancies.

**MAKE UP WORK FOR ABSENCES**

We encourage students to select a "Study Buddy" for each class and exchange contact information. When students are absent, it is their responsibility to contact their "Study Buddy" and get the homework for the day.

**TARDIES**

Students are expected to be in class on time. Random tardy sweeps will be conducted frequently. Consequences will be given for students who are not present in class.

**The first 6 tardies to any individual class, the teacher will handle.** This could include, but not limited to verbal warning, self-reflections, re-visiting the PBIS Matrix, teacher-student conference, parent contact, detention, request for parent shadowing, teacher-parent-student conference, etc.

**The 7<sup>th</sup> tardy will be referred to the counselor. Eight (8) or more tardies will be referred to the administration.**

**THE 10-10 RULE**

Students will not be given a pass for any reason from any class during the first 10 minutes of each class period or the last 10 minutes of each class period.

**STUDENT DRESS POLICY**

Truman Middle School is proud of its high Academic Standards. To maintain these standards, we must hold students to an appropriate dress code to reinforce students' focus on learning. Dress should be appropriate for normal school activities. It should reflect pride, respect, and decency. Health, safety, and modesty are guides to acceptable school attire. So that there will be no disruption of school activities, students are **REQUIRED** to adhere to the following guidelines while at school, or any school-related activity:

1. Bandanas, hairnets, or nylon stockings are not allowed. Beanies, caps, hats, hoods (without logos) are allowed **OUTSIDE** only.
2. Clothing must cover all undergarments (muscle shirts, underwear, bra, etc.)
3. Gang related attire is not allowed.
4. Shorts/skirts must be of sufficient length to cover the buttocks and underwear when standing, walking, bending over, or sitting. The length must be appropriate for school.
5. Shirts may not be low cut or show off the mid-section.
6. Excessively baggy pants are not allowed.
7. Shoes or sandals with a heel strap must be worn at all times. Bedroom slippers, flip flops, and

- open-toe shoes are **not** acceptable.
8. Costumes, ridiculous hats, etc., (except on school dress-up days) are prohibited.
  9. P.E. uniforms may not be worn outside of P.E. class.
  10. Clothing, headwear, backpacks, and jewelry shall be free of inappropriate writing, pictures, or any other insignias, symbols, or emblems.
  11. Any article of clothing that advocates racial, ethnic, religious, or sexual prejudice, the use of drugs, tobacco, or alcohol is prohibited.
  12. Any article of clothing, headwear, or jewelry that can be construed to have a “double meaning” is prohibited.
  13. Clothing considered sleepwear or swimwear are not allowed.

In case of questionable dress, **(not covered in the dress code listed above)**, a site administrator will make the final decision. Appropriate action will be taken at that time, and when necessary, home contact will be made seeking parental cooperation and assistance. If parents are unable to be contacted to bring an appropriate clothing item for their child, a loaner shirt will be provided to the student to wear for the remainder of the school day.

**Clothing trends change frequently. When this occurs, this dress code may be modified to ensure a safe school setting for students.**

#### **CONFISCATED ITEMS PROCEDURE**

If an electronic device or other item has been confiscated, it will be held in the office. **Teachers may have additional classroom consequences.**

**1<sup>st</sup> offense:** Students may pick up the item at the end of the day.

**2<sup>nd</sup> offense:** Students may pick up the item after the Office holds item 5 school days, unless picked up by parent/guardian.

**3<sup>rd</sup> offense and beyond:** Students may pick up the item after the Office holds item 20 school days unless picked up by parent/guardian.

#### **P.E. UNIFORMS**

Students must dress in P.E. clothes and participate in P.E. activities every day. A non-dress hierarchy of consequences will be fully implemented. P.E. clothes may be purchased from the student store. To eliminate lost or stolen items, students are encouraged not to loan clothes to others or leave them in a friend's locker. Student's name will be printed on the uniforms.

#### **P.E. LOCKERS**

Students are assigned a locker during P.E. class. Lockers are to be used for storing P.E. clothes only. Locks may be purchased through the student store (ASB room). Students assume responsibility for loss or damage to their belongings. To avoid problems, students are advised not to give locker combinations to each other or put their belongings in another student's locker.

#### **BUS TRANSPORTATION**

Fontana Unified School District may provide limited bus transportation for Truman students. Currently, bus transportation is only scheduled for students with disabilities. Bus transportation is a privilege and students must follow all school and bus rules while on the bus. The school reserves the right to deny bus transportation to students who do

not comply with safety, school and/or bus rules. It is the student's responsibility to be at the bus stop on time. The driver oversees the bus and students. All school rules apply on the bus and at bus stops. Students will be disciplined for misconduct and may be suspended from riding the bus.

#### **ENGLISH LANGUAGE ADVISORY COUNCIL (ELAC)**

English Language Advisory Council meets five times a year to discuss and learn about ways students can increase their achievement in English Language Development. English Language Advisory Council membership is composed of parents and staff.

#### **SCHOOL SITE COUNCIL (SSC)**

School Site Council meets once a month to discuss student achievement and how the school plan can support student achievement. School Site Council membership is composed of parents, staff, and students.

#### **CLUBS ON CAMPUS**

Students can participate in clubs on campus such as: ASB (Associated Student Body), PBIS Club (Positive Behavior Interventions and Support) Yearbook Club, Technology-Robotics Club, Garden Club, BASIC Club (Brothers and Sisters in Christ), Mile Club, Cheer, etc. Club meetings are held either at lunch or after school with a school site employee as their club advisor. Clubs may vary year to year.

#### **INTRAMURAL SPORTS**

Opportunities are available for students to participate in intramural sports such as: Volleyball, Basketball, and Soccer, where we compete against other middle schools within the district. These sports are organized, facilitated, and run by the City of Fontana. Students must maintain satisfactory grades, attendance, and behavior to participate and be on a team.

#### **HEALTH SERVICES**

Parents are to notify the health office about serious health concerns and regularly prescribed medication. If an injury occurs, students must notify a teacher or staff member immediately. In case of serious injury/illness, parents are contacted for referral to their family physician. If students become ill or have a health concern, they may ask their teachers for a pass to see the health assistant. The health assistant's hours are from 7:00 a.m. to 2:30 p.m.

#### **IMMUNIZATIONS**

Receiving shots/immunizations promptly ensures the safety of all students. Whooping cough, also known as pertussis, continues to threaten students in California. To help stop its spread, California law requires that all students entering the 7<sup>th</sup> grade must have proof of a whooping cough booster (Tdap) shot and two measles (or MMR) shots. It is stated that students will not be allowed to attend 7<sup>th</sup> grade without an up to date shot record.

#### **INSURANCE**

Although Truman will exercise care to prevent accidents, neither the school nor the district can assume responsibility for accidents or injuries to students. Parents are encouraged to carry personal insurance coverage. Private insurance coverage information is included in the parent information packet.

#### **MEDICATIONS**

A physician or dentist must prescribe all medications taken at school. The school is required to have a written statement from the prescribing physician and a written authorization from the parent or legal guardian before a student may take medication at school. These statements must be renewed whenever the prescription changes. Medication must be provided to the school in the container in which it was issued and must be clearly labeled with the student's name. Students may not transport medication to and from school or carry it with them while they are on campus. Under no circumstances will school personnel provide aspirin or any other medicine to students (AR 5141.21).

### **P.E. MEDICAL EXEMPTION**

If a student is unable to participate in physical education because of injury, illness, or a disabling condition, parents must write a note requesting a P.E. exemption. Students needing to be excused more than 5 days must have a physician's statement documenting the specific activity limitation. Students may be given an alternate assignment during this time. If the student is excused for a long duration period they may be assigned to the library as a library assistant during this class period.

### **TELEPHONE**

The school phones are used for school business. Students should not use them for personal calls. However, in case a student becomes ill or there is an emergency, the office will call parents to pick them up. Students cannot be given phone messages unless it is an emergency. Arrangement for a ride home if staying after school, must be made ahead of time.

### **LIBRARY**

Truman Middle School is proud to maintain a library with well over 16,000 books. The hours of operation are Monday through Friday, 7:30 a.m.-3:00 p.m. Students are encouraged to wear their ID cards when entering the library.

### **VISITING THE CLASSROOM**

Parents are welcome to visit their child's classroom providing they have made advanced arrangements with teachers. During instructional time, parents are not to inhibit or disrupt class activities with the teacher. All parents are to enter the campus through the administration office, sign-in and sign-out, and obtain a visitor's pass. Parents and all visitors must have a pass to visit classrooms.

### **ID CARDS**

Students will receive one ID card at no cost. Please keep ID cards as they are needed to check books out of the library, at lunch, and to attend dances and other school activities. It is important to keep your student ID card. ASB will replace lost ID cards for \$5.00. For safety purposes, we recommend all students to wear their ID on their lanyard while at school.

### **ACCIDENT AND ILLNESS**

Testing and other evaluation procedures must conform with the requirements of 34 CFR 104.35 as to validation, administration, areas of evaluation, etc., The district shall consider information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social and cultural background, adaptive behavior, physical or medical reports, student grades, progress reports, parent observations, anecdotal reports, and MAPS/CAASPP scores. 34 CFR 104.35.  
Section 504 21/22
8. Placement decisions must be made by a group of persons (i.e., the Section 504 Committee), including persons knowledgeable about your child, the meaning of the evaluation data, the placement options, and the legal requirements for least restrictive environment and comparable facilities. 34 CFR 104.35.

**Regulation 5145.71: Title IX Sexual Harassment Complaint Procedures**

**Status:** ADOPTED

**Original Adopted Date:** 08/16/2022 | **Last Reviewed Date:** 08/16/2022

Administrative Regulation  
Title IX Sexual Harassment Complaint Procedures

AR 5145.71  
Students

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

All other sexual harassment complaints or allegations brought by or on behalf of students shall be investigated and resolved in accordance with BP/AR 1312.3 – Uniform Complaint Procedures. The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

Because the complainant has a right to pursue a complaint under BP/AR 1312.3 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for BP/AR 1312.3 are concurrently met while implementing the Title IX procedure.

**Reporting Allegations/Filing a Formal Complaint**

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 5145.7 – Sexual Harassment or to any other available school employee, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations when a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations, including as part of the district's obligation to not be

deliberately indifferent to known allegations of sexual harassment. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

The Title IX Coordinator, investigator, decision-maker, or facilitator of an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Such persons shall receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

### **Supportive Measures**

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, course-related adjustments, modifications of class schedules, mutual restrictions on contact, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

### **Emergency Removal from School**

A student shall not be disciplined for alleged sexual harassment under Title IX until the investigation has been completed. However, on an emergency basis, the district may remove a student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. This authority to remove a student does not modify a student's right under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

### **Dismissal of Complaint**

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal of a formal complaint or any allegation in the complaint in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to BP/AR 1312.3 – Uniform Complaint Procedures as applicable.

### **Informal Resolution Process**

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

### **Written Notice**

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process.
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process.
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence.
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process.

The above notice shall also include the name of the investigator, facilitator of an informal process, and decision-maker and shall inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the title IX Coordinator.

## **Investigation Procedures**

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for all parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the Determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. (34 CFR 106.45)

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

## **Written Decision**

The Superintendent shall designate an employee as the decision-maker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decision-maker shall afford each party the opportunity to submit written, relevant questions that

the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decision-maker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

## **Appeals**

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome

4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

The district's decision may be appealed to the California Department of Education within 30 days of the written decision in accordance with BP/AR 1312.3.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

### **Remedies**

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

### **Corrective/Disciplinary Actions**

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the Section "Supportive Measures," until the complaint procedure has been completed and a determination responsibility has been made. (34 CFR 106.44)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion. After the completion of the complaint procedure, if it is determined that a student at any grade level has committed sexual assault or sexual battery at school or at a school activity off school grounds, the principal or Superintendent shall immediately suspend the student and shall recommend expulsion. (Education Code 48900.2, 48915)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education of the student regarding the impact of the conduct on others
4. Positive behavior support
5. Referral of the student to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

### **Record-Keeping**

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolutions and the results therefrom.
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances.
3. All materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public.

## **Advancement Via Individual Determination (AVID)**

### **MARKING THE TEXT**

(A strategy used by the Department of Rhetoric and Writing Studies at SDSU)

#### **Number the Paragraphs**

1. Before you read, take a moment and number the paragraphs in the section you are planning to read. Start with the number one and continue numbering sequentially until you reach the end of the text or reading assignment. Write the number near the paragraph indentation and circle the number; write it small enough so that you have room to write in the margin.
2. Like page numbers, paragraph numbers will act as a reference so you can easily refer to specific sections of the text.

#### **Circle Key Terms, Names of People, Names of Places, and/or Dates**

In order to identify a **key term**, consider if the word or phrase is...

- Repeated
- Defined
- Used to explain or represent an idea
- Used in an original (unique) way
- A central concept or idea
- Relevant to one's reading purpose

#### **Underline an Author's Claims**

A claim is an arguable statement or assertion made by the author. Data, facts, or other backing should support an author's assertion. (For more on this definition see Stephen E. Toulmin's, *The Uses of Argument* (11-13)) Consider the following statements:

- A claim may appear anywhere in the text (beginning, middle or end).
- A claim may not appear explicitly in the argument so the reader must infer it from the evidence presented in the text.
- Often, an author will make several claims throughout his or her argument.
- An author may signal his or her claim, letting you know that this is his or her position.

#### **Underline Relevant Information**

While reading informational texts (i.e., textbooks, reference books, etc.) read carefully to identify information that is relevant to the reading task.

Relevant information might include:

- A process
- Evidence
- Definitions
- Explanations
- Descriptions
- Data/Statistics

## The 5 Phases of the Focused Note Taking Process

AVID's focused note-taking process has five phases. Each of these phases makes note taking a powerful and portable learning tool student can carry with them throughout their educational experience.

**1) Taking Notes**

Create the notes by selecting a note-taking format, set up the notes, and take notes based on the information source. Select, paraphrase, and arrange the information in a manner that meets your note-taking objective.

**2) Processing Notes**

Revise the notes by underlining, highlighting, circling, chunking, adding, or deleting. You are identifying, sorting, organizing, and classifying the main ideas and details. Evaluate the importance of the information in the notes.

**3) Connecting Thinking**

Analyze the notes using inquiry to make connections and deepen your understanding of the content. Connect the new learning to what you already know and identify points of confusion.

**4) Summarizing and Reflecting on Learning**

Pull together the most important aspects of your notes and construct a summary that captures the meaning and importance of the content. Reflect on how the learning helps you meet the objective.

**5) Apply the Learning**

Use the notes. Revisit them as a resource or a learning tool to help you apply or demonstrate what you have learned.

**Identify** - What is the main idea? Theme? Author's purpose?  
**Infer** - Fill in the gaps; Think about what you already know and what you are reading now  
**Evaluate** - Form opinions - "I think...", "I believe..."; think about the "big picture"
