Dear Parents, students and community.

Last night Fontana High School received an anonymous bomb threat and a threat to harm some specific staff members.

Fontana School Police conducted a thorough search of the campus and found nothing. Fontana School Police and the Fontana Police Department did not believe these threats to be credible, however as an extra safety precaution explosive-sniffing dogs were used during the night in order to ensure the campus was secure, again nothing was found.

Fontana Unified School District will hold school today, Thursday November 20<sup>th</sup>, and students and the community should expect a heightened police and school security officer presence. Our children's safety and the safety of everyone at our schools remains our number one priority. Again school will be in session today Thursday, November 20<sup>th</sup>.

Students who chose to make threats of this nature will be held accountable by the school district and the criminal legal system.

Thank you

Olivier Wong Ah Sun, Chief of Staff
