CAL POLY POMONA AND FUSD SIGN AGREEMENT GUARANTEEING UNIVERSITY ADMISSION TO QUALIFYING HIGH SCHOOL GRADUATES

FONTANA, CA – Students in the Fontana Unified School District now have the opportunity to take advantage of a fast-track plan that guarantees admission to Cal Poly Pomona for qualified students, thanks to an agreement established between the University and district administrators on September 2, 2015.

At the FUSD Board of Education meeting on Wednesday, Cal Poly Pomona President Dr. Soraya Coley and FUSD Superintendent Dr. Leslie A. Boozer signed a Memorandum of Understanding (MOU) outlining a compact that sets a structured roadmap to college success, improving university accessibility for Fontana students.

This MOU will allow Fontana to work with Cal Poly Pomona to build upon our current programs and to increase the college-readiness of our students, increase supportive programs to our parents, and allow for students of Fontana to have priority admission and assistance in internship programs and summer placements, as well as facilitate support for financial aid and scholarships.

“We are very proud to enter into this agreement with Cal Poly Pomona on behalf of our students and families,” said Dr. Boozer. “This partnership will expand and enhance the educational opportunities for all students in our district.”

“We are committed to increasing the college-going rate for students here in California,” said Dr. Coley. “We are very pleased to work in partnership with the Fontana Unified School District.”

FUSD Board President BarBara Chavez agreed. “This agreement, along with the previous agreement with Cal State San Bernardino, continues to provide an advantage to the students of the Fontana Unified School District to pursue their dreams for the future.”
