Social Media Threat at Sequoia Middle School

Fontana Unified School District

Fontana, California:

For Immediate Release:

On Tuesday, October 31, 2017, the Fontana School Police Department was contacted by staff at Sequoia Middle School, who reported a social media threat made by two students. The Fontana School Police Department detained the students and determined the social media threat to be deemed "not credible".

At this time the Fontana School Police Department has deemed the school safe. Fontana School Police Officers will be standing by at the school for the remainder of the day to ensure student and staff safety.
