## **Minor Electrical Fire at Elementary School** **Almond Elementary School**

**Fontana, California:** On Thursday, January 11, 2018, at 10:48 a.m., Almond Elementary School staff observed a minor electrical fire in a piece of equipment near the playground. Out of an abundance of caution, school personnel activated the fire alarm and safely moved all students and staff away from the fire. The San Bernardino County Fire Department and the Fontana School Police Department arrived and worked together to extinguish the fire.

The school has been deemed safe and all students and faculty were allowed to resume regular scheduled activities. At no time during this incident were students or staff placed in any danger. The Maintenance and Operations Department is assessing damages and coordinating necessary repairs.
