Dear Mr. Wu

Our current contract will expire on July 1, 2010. In accordance with current articles we wish to open the contract for negotiations. Due to the exceptionally difficult financial climate we are not currently seeking salary increases; however, we wish to open the entire contract for revision and simplification. ITEM TITLE: Approve use of Textbook

BOARD OF EDUCATION MEETING: 05/19/10
Discussion Action Session

BACKGROUND:

On April 2, 2008, the Board of Education adopted mathematics textbooks. At that time, the course Algebra Readiness was developed for 8th grade students needing additional mathematics instruction before attempting Algebra I. The District chose a consumable worktext from Holt for 8th grade Algebra Readiness. At the same time, high schools adopted an Algebra Readiness textbook from Glencoe to use for intervention and additional support for struggling 9th grade students. When middle school teachers began using the Holt Algebra Readiness program, they found it significantly lacking in resource materials and practice opportunities for students to master essential standards. During the 2nd trimester, middle schools conducted a 4 week pilot of the Glencoe Algebra Readiness textbook. A curriculum guide was developed for the pilot, as well as teacher training, and a pre/post assessment for students. Teacher evaluations and student achievement data clearly showed the Glencoe program was highly favorable.

During the remainder of this adoption cycle, the District will expend approximately \$164,700 (\$32,940 per year) for the Holt Algebra Readiness worktext at a cost of \$27.45 per student. By adopting the Glencoe textbook, the district will be able to utilize unused Glencoe Algebra Readiness textbooks and make a onetime expenditure for the remaining textbooks for roughly the same amount that is necessary each year.

FISCAL IMPLICATION:

Approximately \$40,000 – Restricted Instructional Material Funds

RECOMMENDATION:

The Superintendent recommends the Board of Education approve the California Algebra Readiness textbook from Glencoe for 8th grade Algebra Readiness classroom use and certify that all instructional materials are aligned with state content standards for Mathematics.

ITEM TITLE: Approve Contract Increase

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

Action Learning Systems provides Fontana Unified School District customized assessments that measure student progress in mastering the California content standards and are calibrated to the rigor of the California Standards Tests (CST) and the California High School Exit Exam (CAHSEE). These Benchmark Assessments will be used in Mathematics and English Language-Arts grades K-11. As mentioned in the Local Educational Agency Addendum, data from these exams will help teachers, counselors, and administrators make informed decisions regarding instructional practices and academic interventions. Action Learning Systems has now provided the District with K-1 Benchmark Assessments for the 2009-2010 school year which were not included in the previous invoice.

FISCAL IMPLICATION:

This price per benchmark is derived from actual student use and will vary each year based on student enrollment. By entering into a three-year agreement with Action Learning Systems, the District will secure the lowest possible unit price of \$.65 per student, per assessment. Original agreement was board approved on 9/2/09.

Original Amount: \$108,927.00
Additional Amount: \$17,320.80
New Contract Amount: \$126,247.80

General Funds not to exceed \$108,927.00 for the 2009-2010 school year.
Additional amount to be paid out of Unrestricted Lottery Funds not to exceed \$17,320.80 for the 2009-2010 school year.

ITEM TITLE: Award Bid

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

An invitation was sent out to seek bids for the purchase of translator/speaker systems for school sites. The English Learners Services Department currently has 6 transmitters and 175 receivers to help assist in interpretations at district level meetings. Due to the high volume of interpretations requested by school sites and other departments, it is necessary and beneficial to provide these systems to the school sites.

Bids for the Purchase of Translator/Speaker Systems for School Sites were opened on March 31, 2010. After review by District personnel, it is being recommended that the low bid received from Talk Technologies, Inc. be rejected. The bid specified "Talk and Listen system or equal". Talk Technologies, Inc. submitted a bid for an alternate system. It has been determined that the system bid is not equal to the specified system.

FISCAL IMPLICATION:

Total Cost: \$149,663.76 (including tax)
Budget: Title III/LEP - Restricted

RECOMMENDATION:

The Superintendent recommends that the Board of Education award Bid No. 09/10-1326, Purchase of Translator/Speaker Systems for School Sites to Audio Resource Group, Inc., for a total cost of \$149,663.76, and authorize the Director of Purchasing to sign the necessary documents.

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

In June 2007, a bid was awarded to Driftwood Dairy for the purchase of milk and milk products for the 2007/08 school year. The Special Conditions of the bid allowed an option to renew for two (2) additional years, in one (1) year increments. Upon request of the Food Services Director, it was recommended, and the Board approved, the renewal of Bid No. 06/07-1227 for the 2008/09 and the 2009/10 school years. Upon request of the Food Services Director, it is being recommended that the District utilize the Colton Unified School District Dairy Contract for the 2010/11 school year.

Public Contract Code Section 12110 allows the District to utilize existing bids from other public entities without formally bidding. This allows the District to keep within the District standards, as well as save time and cost.

FISCAL IMPLICATION:

Estimated Total for 2010/11: \$1,450,000.00
Budget: Food Services - Restricted

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the purchase of dairy products from Driftwood Dairy for the 2010/11 school year utilizing the Colton Unified School District Dairy Contract at an estimated total of \$1,450,000.00, and authorize the Director of Purchasing to sign the necessary documents.

ITEM TITLE: Approve Reduction in
Retention

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

Public Contract Code Section 9203 allows the District to release 50% of the total amount of retention currently being held on a contract and reduce future retention from 10% to 5%, if a contractor is making satisfactory progress and has successfully completed 50% of a project.

Above All Names Construction Services, Inc. is nearly 95% complete with concrete work on Bid No. 09/10-1321, Five School Site Restoration (Cypress, Live Oak, Maple, Oleander, and Virginia Primrose Elementary Schools) and has completed all work within the contract requirements to date with the exception of Cypress Elementary School. There are no issues with suppliers, and it has been recommended by Lundgren Management, Construction Manager, and the Executive Director of Facilities that the District release 50% of the retention currently being held and reduce future retention from 10% to 5% on the contract with Above All Names Construction Services, Inc. (Bid Package No. 01 – Concrete), contractor on the Five School Site Restoration project.

Original Contract Sum:	\$115,118.00

ITEM TITLE: Approve Increase in
Vehicle Release Fees

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

Police agencies are tasked with impounding vehicles that are involved in criminal activity as well as vehicles that are abandoned on District properties. When this occurs, those vehicles must be stored in accordance with the law. In doing so, there are administrative costs to include impound hearings as well as documentation for impounding the vehicle. Because of this taxing of employee time, it is necessary to pass those expenditures on to either the violator or the owner of the vehicles to help offset costs to the community.

The Police Services Department conducted a survey of other law enforcement agencies and found that the District's current release fee of \$80.00 is low in comparison. Police Services would like to raise our fee to \$100.00 to be in line with the City police department's release fee and bring to an average of surrounding law enforcement agencies.

FISCAL IMPLICATION:

Increase in funding to the School Police Traffic Safety fund to help offset administrative costs for vehicle impounds.

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the District's Police Services Department increase in vehicle release (impound) fees from \$80.00 to \$100.00, effective July 1, 2010.

ITEM TITLE: Approve Job Classification
Change

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

The Fontana Unified School District has been in discussion with the employees who work as School Police Dispatchers regarding their work classification. Currently, there are four (4) individuals in that classification who are management employees. Pursuant to discussions, the current employees wish to join the Fontana School Police Officers' Association.

Therefore, the School Police Dispatcher job classification would become a bargaining unit position covered under the Fontana School Police Officers Association (FSPOA) contract. Current employees in that position shall retain all management level benefits (176 hours of vacation time accrual per year, \$75,000 base level life insurance benefits) but shall be subject to the terms of the FSPOA contract. New employees in the classification shall be hired in under the terms of the FSPOA contract.

FISCAL IMPLICATION:

None.

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the change of job classification for School Police Dispatcher from Management to the Fontana School Police Officers Association (FSPOA) bargaining unit; current employees in said position to retain all Management level benefits, new employees in the classification to be hired in under the terms of the FSPOA contract.

ITEM TITLE: Approve Grant Application

BOARD OF EDUCATION MEETING: 05/19/10
Discussion/Action Session

BACKGROUND:

As a part of the regulations associated with the American Recover and Investment Act (AARA), School Improvement Grants (SIG), Race to the Top (RTTT), and Senate bills X5.1 and X5.4, California must identify the lowest achieving school and implement a school intervention model to improve performance. Fontana A. B. Miller High school has been identified as a Persistently Low Achieving School by the State of California in accordance with the following Federal guideline: the Adequate Yearly Progress (AYP) proficiency average for last 3 years at A. B. Miller High School is - 36.45%.

Listed Districts were required to adopt one of four models for school improvement:

- Turnaround: remove Principal and Staff, rehire no more than 50% of original staff, adopt a new governance structure, implement a research-based instructional program aligned to the State Standards, increase learning time
- Restart: school is closed and reopens as a charter school, operated by an approved State Charter Operator
- School Closure: school is closed and students enroll in a higher achieving FUSD school
- Transformation: remove Principal, improve teacher and school leader effectiveness, increase learning time, institute instructional reform, create a community- oriented school, provide operational flexibility

On April 21 the Board of Education voted on the transformation model. Since that time the district has negotiated with Fontana Teachers Association and the Miller SIG team, in collaboration with the District Office SIG support team, has completed the SIG application that is due to the state of California June 1, 2010.

FISCAL IMPLICATION:

The submission of the application could warrant the district receiving up to \$2 million a year for three years in restricted SIG funding to be spent on A. B. Miller High School on improving student achievement, meeting the goals of the Miller SIG. In the event that Fontana Unified School District is not awarded the SIG, it is negotiated with Fontana Teachers Association that in the 2010/11 school year \$508,500.00 will be used from district Tier III flexible categorical monies (sweeping) to meet the terms of the negotiated agreement.

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the School Improvement Grant (SIG) application for Fontana A. B. Miller High School.

BACKGROUND:

In June 2008, a bid was awarded to GCR Tire Inc. for the purchase of tires and rims for District buses and vehicles for the 2008/09 school year. The Special Conditions of the bid allowed an option to renew for two additional years, in one year increments. The Board of Education awarded renewal of the contract for the 2009/10 school year in which GCR Tire, Inc. held their pricing even though one of their suppliers had a 6% price increase. For the 2010/11 school year, two of their tire suppliers, Bandag and Hankook, increased their prices 6% due to continued increases in energy, raw material, fuel and transportation costs. GCR Tire, Inc. reflects these costs in their renewal pricing. Upon request of the Transportation Director, it is being recommended that Bid No. 07/08-1278 be renewed (year 3 of 3) for the 2010/11 school year.

FISCAL IMPLICATION:

Estimated Total for 2010/11: \$125,000.00

Budget: Tires/Tubes – Repair of Vehicles (General Fund/Unrestricted)

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve renewal of contract with GCR Tire Inc., for the 2010/11 school year, at an estimated total of \$125,000.00, and authorize the Director of Purchasing to sign the necessary documents.

Special conditions of the bid allow for renewal of the contract, in one (1) year increments, for up to five (5) years. SC Fuels will hold current pricing for the 2010/11 school year. Upon request of the Transportation Director, it is being recommended that Bid No. 08/09-1300 be renewed for the 2009/10 school year (year 2 of 5).
