Robert P. Ratcliffe, Chief of School Police, noted that a non-profit organization had been established to accept donations for the Fontana Leadership Intervention Program (FLIP), and asked persons wishing to serve as volunteers on that oversight committee to contact him.

Alejandro Alvarez, Associate Superintendent of Business Services, commented that although the details were still unknown he was hoping for a vote on the state budget.

Oscar Dueñas, Associate Superintendent of Instructional Services, noted that the Local Education Authority (LEA) Task Force had been formed, invitations had been sent out for those meetings, and as much representation as possible was needed. The meetings are open for all interested persons to sit in on and observe.

Mrs. Binks congratulated the Advanced Placement scholars and parents, thanked public speakers for their comments, commented on the budget cuts to public education, and asked the Superintendent to look into the possibility of partnering with local automotive dealerships to provide vehicles to transport cheerleaders to athletic events.

Ms. Chavez commented on her personal experience as a high school student in comparing schools and noted she would work very hard to make improvements for Fontana High School. She then commented on testing by school psychologists for Spanish-speaking students and requested follow-up to a related concern, as well as more workshops for parents to help them understand the workings of schools, and for information on the number of substitute teachers currently assigned to Fontana High School.

Mrs. Ramos congratulated the Advanced Placement scholars and parents, thanked public speakers for their comments, and commented on the Fontana Leadership Intervention Program (FLIP).

Ms. Mancha thanked teachers for providing a booth at Cruise Night, thanked Chiefs Jones and Ratcliffe for their presentations, commented on the "Rachel's Challenge" program and the Riverside/San Bernardino Counties School Boards joint meeting she had attended earlier in the week. She noted it took nerve and teaching for the students who had spoken to provide their comments, and as Board members they needed to look out for all District schools.

Mr. Hawthorn expressed his appreciation for the parent volunteer who had spoken at the meeting, commented on the academic award programs he had attended at Summit and Fontana High Schools and expressed his appreciation for the hard work of the school staffs that were reflected in those students who were not only academically strong but showed confidence.

Cali Olsen-Binks, Superintendent, noted that Ted J. Porter Elementary School had won the "Lefty's Reading Challenge" hosted by the Auto Club Speedway, shared information about Mango Elementary School's book, and reminded the audience of the upcoming budget cut days for the District.

ITEM TITLE: Approve First Reading Board
Bylaw

BOARD OF EDUCATION MEETING: 10/20/10
Discussion/Action Session

BACKGROUND:

The Political Reform Act requires every local government agency to review its conflict of interest code biennially. Every even-numbered year, each agency must submit to the County Board of Supervisors a notice indicating whether or not an amendment is necessary, and forward the amended code to the Board within 90 days of filing the notice. An agency's amended code is not effective until it has been approved by the Board of Supervisors.

Board Bylaw 9270, Conflict of Interest, was last revised on May 7, 2008. Since that time, numerous organizational changes have occurred, resulting in various changes to staff titles of designated positions for disclosure. The attached bylaw reflects those changes. Deleted language is shown as strikethrough text; new language is underlined.

FISCAL IMPLICATION:

None

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the first reading of revised Board Bylaw 9270, Conflict of Interest.

In addition, a Board member or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his/her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor. (Government Code 89503)

The above limitations on gifts do not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the above limitations except as described in Government Code 89506.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

ITEM TITLE: Adopt Resolution

BOARD OF EDUCATION MEETING: 10/20/10
Discussion/Action Session

BACKGROUND:

Every year during the last week of October, people around the country take the time to observe Red Ribbon Week. This tradition began informally in 1985 when residents of Calexico, California donned red ribbons to honor the sacrifice of a hometown hero, Enrique "Kiki" Camarena. Camarena was a Special Agent with the Drug Enforcement Agency sent undercover to Guadalajara, Mexico to expose the organizations producing and trafficking drugs. His successes, however, angered the drug cartels, and on February 7, 1985, Camarena was kidnapped and subsequently tortured and killed for his efforts to stop the drug trade.

Today, while millions of people pay tribute to Special Agent Enrique Camarena, it is significant to note that Red Ribbon week is much more than a simple gesture of thanks and respect. In a very important way, those participating in Red Ribbon Week continue his work and legacy. While stemming the flow of drugs into schools and communities takes dedication from brave individuals like Enrique, it also takes the commitment of every educator, parent, student and neighbor.

By observing Red Ribbon Week, Californians send a message that they want their communities to be safe and drug free. This week, the Fontana Unified School District joins with the rest of the nation in honoring Special Agent Camarena's sacrifice by reaffirming its opposition to drugs.

FISCAL IMPLICATION:

None.

RECOMMENDATION:

The Superintendent recommends that the Board of Education adopt Resolution No. 10-58 recognizing the week of October 23-31, 2010 as Red Ribbon Week.
