Superintendent Olsen-Binks shared that the Alder Middle School Principal had been asked to provide a recorded message about the future of education in San Bernardino County for the County Superintendent's State of Education address on February 9th and he had done an outstanding job with that. She also shared a letter from the Association of California School Administrators recognizing the Alder Principal as their Middle School Principal of the Year.

Correspondence

Superintendent Olsen-Binks then noted she had been asked by the County Superintendent of Schools to mention that the previous Board, due to budget reductions, had discontinued its membership in the organization that provides support with legislation, San Bernardino County District Advocates for Better Schools (SANDABS). She offered to provide information on the fee for membership to the Board and facilitate a discussion on the Board's budget for a future meeting.

Superintendent Olsen-Binks provided information on the San Bernardino County Superintendent of Schools Medal of Honor call for nominations and the Beginning Boardsmanship Workshop series.

William Wu, Assistant Superintendent of Human Resources, shared that Classified HR had fully implemented the EdJoin process for job applications.

Comments

Mr. Hawthorn indicated he would hold his comments for a future meeting.

Mrs. Binks congratulated Oak Park Elementary School on the 800 API score, commented on the State of the City address where the Mayor made clear she was in full support of the City's partnership with the District, supported prior comments by Ms. Garcia about counselors and added that there were great counselors in the District; it was sad that one or two bad apples reflected on all.

Ms. Garcia shared that she had attended two schools' football banquets and how she was impressed by some of the players' grade point averages, congratulated the Alder Principal, and commented on the Governor's and State Superintendent's addresses and the budget; she looked forward to hearing from everyone as to what they (the Board) could do.

Ms. Chavez commented on football banquets she had attended and indicated that as she was placed to serve students she would be visiting every school and wanted everyone to be comfortable; she was not going to criticize but wanted to help. She congratulated the Oak Park staff and invited people to email her with any solutions for the budget crisis.

Superintendent Olsen-Binks commented on visits she was doing to school sites and possible repercussions from the State budget. Superintendent Comments

BOARD OF EDUCATION MEETING: 02/16/11
Discussion/Action Session

BACKGROUND:

Over the past few years the Fontana Unified School District has had a deficit in its revenues. As a result, reductions in personnel and programs have occurred. ITEM TITLE: Appoint Citizens' Bond
Oversight Committee Members

BOARD OF EDUCATION MEETING: 11/17/10
Discussion/Action Session

BACKGROUND:

The Citizens' Bond Oversight Committee was established in the fall of 2006 following the successful election on June 6, 2006 for a general obligation bond of \$275,000,000 (Measure C). The original committee members have served to the maximum extent allowed by Education Code 15282 and the committee bylaws; however the recently revised bylaws allow for the members to continue serving until qualified replacements can be found.

The committee must consist of the following:

- One (1) member shall be the parent or guardian of a child enrolled in the District.
- One (1) member shall be both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization, such as the P.T.A. or a school site council.
- One (1) member active in a business organization representing the business community located in the District.
- One (1) member active in a senior citizens' organization.
- One (1) member active in a bona-fide taxpayers association.
- Two (2) members of the community at-large.

Qualification Standards:

- (a) To be a qualified person, he or she must be at least 18 years of age.
- (b) The committee may not include any employee, official of the District or any vendor, contractor or consultant of the District.

The District recently received three viable applications from persons interested in serving on the committee and their names are being submitted for Board approval of the appointments. Copies of the applications have been provided to the Board of Education under separate cover and are available to the public upon request by contacting the Superintendent's office.

FISCAL IMPLICATION:

None

RECOMMENDATION:

The Superintendent recommends that the Board of Education appoint Dayle M. Jamieson, Frank Montes and Valerie Santiago as members of the Fontana Unified School District Measure C Citizens' Bond Oversight Committee; applications provided under separate cover.

ITEM TITLE: Resolution

BOARD OF EDUCATION MEETING: 02/16/11
Discussion/Action Session

BACKGROUND:

A special election allowing Californians to decide whether temporary taxes should be extended to help resolve California's fiscal crisis is being considered by the State Legislature. K-12 funding has taken a disproportionate amount of budget cuts of over \$18 billion, or about \$1,900 per student in the last three years. Without this tax extension funding for schools would fall by at least another \$2 billion, or more than \$335 per student.

The attached resolution in support of a special election allowing Californians to decide whether temporary taxes should be extended to help resolve California's fiscal crisis is being provided for Board consideration.

FISCAL IMPLICATION:

None.

RECOMMENDATION:

The Superintendent recommends that the Board of Education consider Resolution No. 11-10 in support of placing a revenue extension measure on the ballot for adoption.

Fontana Unified School District Board of Education
Board Resolution 11-10 to Support Placing a Revenue Extension Measure on the Ballot

WHEREAS, Governor Brown's 2011-12 budget proposal is a balanced approach between revenues and new cuts to solving the deficit and provides for an extension of temporary revenues to support programs our students need and deserve; and

WHEREAS, over the last several years, K-12 education funding has taken a disproportionate amount of budget cuts; and

WHEREAS, state and local funding for schools has been cut by more than \$18 billion, or about \$1,900 per student in the last three years; and

WHEREAS, Fontana Unified School District has cut over \$50 million from its budget over the past three years as a result of ongoing statewide cuts to education funding; and

WHEREAS, the loss of \$7 billion in one-time federal funding further reduces school budgets; and

WHEREAS, to begin to reverse this downward spiral, Californians must retain the revenues that enable us to invest in our schools and students; and

WHEREAS, the governor's budget proposal to limit further cuts to schools in 2011-12 is dependent on voter approval of an extension of existing temporary tax increases; and

WHEREAS, a ballot measure to extend temporary revenues will help prevent further cuts to schools, and without this extension the LAO reports that funding for schools would fall by at least \$2 billion, or more than \$335 per student; and

WHEREAS, Fontana Unified School District expects our local legislators to work with the governor to protect schools from further cuts and to ensure the continued investment our students deserve; and

WHEREAS, Fontana Unified School District opposes a cuts-only budget and supports a budget that is balanced with a combination of cuts and revenue extensions;

NOW, THEREFORE, BE IT RESOLVED that the Board of Education at Fontana Unified School District supports placing a measure on the June 2011 ballot calling for a five-year revenue extension to protect our schools and students by making education a priority in our state.

Along with district level councils, school sites have committees that reflect the same types of organizations. In order to make sure that the district continues to reach out to all stakeholders, it is imperative that we consider our outreach and reflect on our practices.
