Oscar Duenas, Associate Superintendent of Instructional Services, commented on recent achievements by Academic Decathlon teams and students who participated in the Skills USA Tournament.

Alejandro Alvarez, Associate Superintendent of Business Services, had no comments.

Ms. Green commented on an apprentice program she had visited in San Bernardino where students work with contractors and that she had invited them to make a Board presentation. She then asked if the district would be liable regarding the PTA issue. Tom Sawyer, Legal Counsel, replied that the PTA was a separate entity from the district with its own record keeping process and that interaction was mainly through school principals. Superintendent Olsen-Binks added that she was treating the issue as a formal complaint; district staff and the school principal were aware of the allegations and working with parents.

Mr. Hawthorn commented that although he exchanged words with Mr. Williams earlier in the meeting, he agreed there was no way to overstate the impact any further reductions in hours or work year, or limiting the District's contribution to employee benefits, would have on lower-paid employees.

Mrs. Binks congratulated the students and parents who were recognized at the meeting, welcomed the new Citizens' Bond Oversight Committee members, provided information on the upcoming police football game, and noted that she was open to suggestions to resolve the budget crisis.

Ms. Garcia congratulated the athlete scholars and stated that she was looking for ways not only to cut the budget but also to bring in revenue such as the Saturday School program item which was approved at the meeting.

Mrs. Binks added that she would be remiss if she didn't thank everyone who spoke that evening; their comments put things into perspective.

Ms. Chavez offered condolences to Socorro Enriquez on the passing of her father, noted how proud she was of the scholar athletes, and that she was still visiting schools and wanted to help bring in resources and support.

Due to the current qualified status of the Fontana Unified School District budget, the County Superintendent via the appointed Fiscal Advisor has directed the District to reduce the 2011-2012 budgets by 11.8 million dollars and the 2012-2013 budget by 19.7 million dollars.

The County emphasized the necessity to make long term reductions in order to receive a positive certification for the District's budget and to remain fiscally solvent. AB1200 requires school district budgets to be projected for 3 years. Temporary short term reductions from year to year which cannot be projected for 3 years will continue to place the district in jeopardy of insolvency.

The following plan contains a negotiable item with the three labor unions and management along with reductions that have the least impact on services to students and the majority of employees.

The state continues to reduce revenue to the educational budget and defer payments on the existing budget. Because of this, the Fontana Unified School District has already reduced over 45 million dollars to the overall budget over the past three years. The employees of the district have taken furlough days and reductions to work hours and days. Several administrators are overseeing several departments, teachers have seen an increase in class size, and all employees are working at or near minimal staffing levels. The impact of the state cuts to education continues to be devastating in all facets of District operation.

The Board of Education is for responsible fiscal stewardship and must make reductions in order to maintain financial solvency.

ITEM TITLE: Tier III Sweeps

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

During the 2008/2009 school year, California fell into a state of financial crisis due to the nationwide recession. The Governor and the State Legislature made drastic cuts to the state budget affecting all educational institutions including K-12 school districts. In order to ease the financial burden on the general fund for districts, the Governor and Legislature divided restricted state funds into three Tiers:

Tier I state funds maintained all their restrictions

Tier II state funds allowed partial flexibility

Tier III state funds allowed full flexibility

Districts were allowed to take penalties on Tier II and fully sweep Tier III restricted funds into the general unrestricted funds for five years. Flexibility conditions on Tiered funds were to be fully restored at the beginning of the 2013/2014 school year. The Fontana Unified School District has used flexibility on Tier II funds (Class Size Reduction and English Language Acquisition Program-ELAP carry over funds) and swept a total of \$8,735,878 of Tier III funds to supplement the general fund deficit for the last two years. Due to the lack of fiscal growth in California's economy and lack of funds to the districts' general fund FUSD will continue to use the Tier II and III flexibility. For the 2011/2012 school year, an additional amount of \$2,849,000 from Tier III funds will be swept into the general funds.

FISCAL IMPLICATION:

Estimated Savings to the general unrestricted fund with the sweeps of the following Tier III Programs: Adult Education \$500,000, Cal. Safe Supportive Services \$385,205, Certificated Staff Mentoring Program \$194,028, Community Based English Tutoring (CBET) \$453,184, Deferred Maintenance \$400,000, Peer Assistance and Review (PAR) \$125,630, Pupil Retention Block Grant \$212,584, School Violence/School Safety \$54,203, Teacher Credentialing Block Grant \$524,500.

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve an additional \$2,849,000 be added to the \$4,367,939 of Tier III funds already earmarked to be swept to the general unrestricted fund for a total of \$7,216,939 for the 2011/2012 school year .

ITEM TITLE: Elementary minimum days

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Currently, elementary schools have minimum days that are staggered throughout the week. Moving to a single day for all elementary schools will result in a savings of \$75,000.00 in transportation costs. The alignment of all elementary schools to the same minimum day will allow elementary administrators, faculty and staff to participate in district wide planning and professional development. Additionally, in the event that a student transfers to another elementary school, parents will not have to make adjustments to their childcare arrangements.

FISCAL IMPLICATION:

Estimated Savings General Unrestricted Fund \$75,000.00

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve a single minimum day for elementary schools.

BACKGROUND:

The District currently employs Noon Duty Aides to assist with supervision of students during breakfast and recess periods. The salaries are paid out of unrestricted general funds.

Restricted Child Nutrition Funds can be used to pay for the salaries of Noon Duty Aides for the duration while they provide supervision to students during meal periods.

FISCAL IMPLICATION:

\$20,300.00 savings to the District Unrestricted General Fund.

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the item for Noon Duty Aide funding reallocation.

BACKGROUND:

For the 2010-2011 school year, the Fontana Unified School District aligned the elementary and middle school calendars with the high school calendar. This resulted in a reduction of bus driver positions and time needed for route planning. As the school year progressed a lack of work for the Transportation Operator Supervisor was identified.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund \$86,066.00

ITEM TITLE: Approve Decrease
Certificated Substitute Pay Rate

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

On November 15, 2006, the Board of Education for the Fontana Unified school District approved the increase in pay for certificated substitutes from \$90/\$100 to \$120 for all day and long-term assignments. During the 2009/10 school year, the State of California kept 18.355% of the un-deficited revenue limit per ADA as well as an additional 3.85%.

For the Fontana Unified School District, the total deficit to the Base Revenue Limit is \$45 million for the 2011-2012 school year. These cuts are expected to continue through the 2012/13 school year and beyond. In an effort to meet the District's financial obligations, it is recommended that the certificated substitute pay be reduced from its current rate.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund \$450,000

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve a decrease to the daily substitute rate of pay from \$120 to \$100 for daily and long-term positions and decrease the daily substitute rate for Fontana Unified School District teachers, retirees and vacant special education positions to \$100 per day, effective March 16, 2011.

History Day, Science Fair, Writing
Showcase and Math Field Day

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

It has been a long standing history for Fontana Unified School District to participate in History Day, Math Field Day, Writing Showcase and Science Fair. The district has been successful in sending many students to the county, state and national competitions. Due to the shortfall in funding, the district is being forced to redefine what is offered to students as part of the base instructional program. The costs associated with participation in the programs include entry fees, student awards, custodial overtime, secretarial overtime, certificated stipends and comp time. If a student does qualify for the state or national competition the district pays for the entry fee and costs associated for student and chaperone travel. This year 204 students have submitted entries in Science Fair. Eighty students participated in History Day. Math Field day and Writing Showcase are scheduled to be held later this year however, last year 575 students participated in Writing Showcase and 468 students participated in Math Field Day.

FISCAL IMPLICATION:

Estimated Savings to the General Unrestricted Fund \$18,000.00

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve to discontinue participation in History Day, Science Fair, Writing Showcase and Math Field Day programs.

ITEM TITLE: Restructure of Printing Services
and Contracts

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Budgetary restrictions, technological advancements, and advanced production of core instructional materials for future years have factored into the continuing decline in centralized print production demand. Print impressions have declined by over 50% since 2008-2009 on district print production devices.

These factors, combined with anticipated cost reductions associated with printing contracts, document imaging, production costs, and utilization of current employees contribute to significant savings.

Restructuring of printing services will reduce costs, minimize service interruptions, and expand services without eliminating additional employees.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund \$983,000

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the restructuring of printing services and contracts.

ITEM TITLE: Reduction and Reorganization
of Police Services

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

District police and security services currently consist of 78 Full Time Equivalent (FTE) positions, of which 15 positions are vacant. One additional position is completely funded by the School Improvement Grant at A.B. Miller High School.

Campus Security Officers consist of 46 FTE positions, of which 11 positions are vacant. CSO's are assigned to Police Services, but report directly to work at school sites and receive daily supervision from campus administrators. The current allocation of School Police Officers consists of 17 FTE positions, of which 3 are vacant.

The reorganization of the department will eliminate the current job classification of Campus Security Officer II in order to streamline the efficiency and enhance the professionalism of personnel who provide for site safety and security.

The job description and specific basic training requirements will be increased to include basic laws of arrest course and the ability to successfully demonstrate basic physical fitness standards. This will offer the district a higher level of professional standards and increase the level of service to students and staff. The newly created positions will continue to work under the umbrella of Police Services and will be named as District Safety Officers. The allocation will be 26 FTE positions under this new job classification.

Additional elimination in the reorganization will be to eliminate the funding of an existing vacant Police Officer position. The loss of overall security personnel numbers will require filling the two vacant Police Officer positions and the existing vacant Dispatcher position.

Consequently because some District Safety Officers will be issued School Police radios to enhance communications capability; it will also be necessary to create an additional dispatcher position to handle the higher volume of radio traffic.

FISCAL IMPLICATION:

Estimated Savings to the General Unrestricted Fund \$ 973,275.00

RECOMMENDATION:

The Superintendent recommends that the Board of Education adopt the Reduction and Reorganization of Police Services as submitted on the attached and adopt Resolution No. 11-16.

Police Services Reorganization and Reduction Plan

March 2, 2011

District Police Services currently consists of 78 Full Time Equivalent positions to include the following job classifications;

Title:	Current Number of Positions:
Police Officers	17 (3 Vacant)
Campus Security Officers	46 (11 Vacant)
Public Safety Dispatchers	4 (1 Vacant)
Support Staff	4
Lead Campus Safety Officers	6 (1 SIG funding)
Chief of Police	1 (Contract)

Total Cost to the General Fund: **\$ 5,121,483.00**

In an effort to reduce overall cost to the general fund and to enhance the professionalism of the department it is necessary to reorganize the security services and further enhance police and dispatch. It is opined that the overall service and safety to the students and the staff will drastically increase through the following program change;

- 1) Eliminate all current Campus Security Officer II Positions for an overall savings to the General fund of **\$ 2,305,132.00**.
- 2) Eliminate funding of a single Police Officer position for an overall savings to the General Fund of **\$ 68,363.00**.
- 3) Fill two vacant Police Officer Positions which are already funded. Thus, causing no additional cost to the current general fund expenditures.
- 4) Fill one vacant Public Safety Dispatcher position which is already funded. Thus, causing no additional cost to the current general fund expenditures.
- 5) Create a new job description of District Safety Officer, which would consist of significantly higher entry level requirements to include possession of a certificate of completion for P.C 832, Basic Laws of Arrest course and the ability to show proficiency

in physical fitness. This would cause the creation of 26 positions at a total cost to the General Fund of **\$ 1,340,371.00**.

- 6) Create an additional Public Safety Dispatcher position to allow for the handling of increased radio traffic due to the District Safety Officers being added to the police radio in order to allow for direct contact with School Police Dispatch. This position would add a total cost to the General Fund of **\$ 59,848.00**.

Total net reduction to the General Fund with the aforementioned eliminations and additions is equal to: **\$ 973,276.00**.

Title:	Recommended Number of Positions:
Police Officers	16
District Safety Officers	26
Public Safety Dispatchers	5
Support Staff	4
Lead Campus Safety Officers	6 (1 SIG funding)
Chief of Police	1 (Contract)

Total Cost to the General Fund: **\$ 4,148,207.00**

Section B - References K through X:

In addition to reducing expenditures to the budget in the amount of 11.8 million due to the qualified status of the district's budget, it is necessary to plan for additional reductions that are anticipated based on the governors proposed 2011-2012 budget. The Governor has asked the Legislature to vote on a ballot measure to be placed on a special election in June that would ask the voter to extend the vehicle license fee, income tax and 1% sales tax increases. In the event the ballot initiative is not placed on the ballot or the voters do not approve the extensions, the district must plan for additional reductions in the amount of 13 million dollars. As part of the \$11.8 million dollars in reduction, \$6.25 million are dependent on an item that is currently being negotiated. If the item is not successfully negotiated, the district must account for a reduction(s) that equal \$6.25 million.

The Board of Education was provided with a list of possible reductions. This was an unfiltered list that contained items that were collected through e-mails, letters and the budget committee. The suggestions were discussed in a board workshop. The items are represented on the agenda and the impact on students, instruction, safety, and sustainability have been considered.

ITEM TITLE: Deferred Maintenance

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

The Deferred Maintenance Program provides State matching funds, on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems and floor systems.

Chapter 12, Statutes of 2009, (SBX3 4 – Ducheny) has changed the manner in which Deferred Maintenance will be funded through the year 2012-2013. Districts will receive funding based on the district's prorated share of the 2008-09 formulated base. The recent legislation eliminated the need to locally match these dollars.

While the dollar amount changes from year to year, we receive an approximate amount of \$1,400,000. By reducing the districts contribution items that were previously listed on the five year plan in facility and infrastructure repairs may extend completion timelines to another fiscal year.

FISCAL IMPLICATION:

Reduction in the contribution to Deferred Maintenance in the amount of \$1,100,000.

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the Tier III flexibility option and not fully fund the match to the Deferred Maintenance account in the approximate amount of \$1,100,000.

ITEM TITLE: Suspension of
Benchmarks for 2011/2012

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Fontana Unified is currently declared Program Improvement District – Year 2, anticipating advancement to Year 3. The requirements for Program Improvement include multiple-measures for assessing student achievement, a ten percent set aside of Title 1 funds for professional development, and implementing Essential Program Components as described by California Department of Education. The benchmarks are used to inform instruction preparing students for success on the Standardized Testing and Reporting assessments and the California High School Exit Exam. The benchmarks are administered in Language Arts and Mathematics at high school and middle school quarterly and at elementary three times per year. The cost associated with the benchmarks including outside contracts, printing, and clerical support associated is \$175,786.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Funds \$175,786

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the suspension of district wide multiple-choice benchmarks and eliminate the associated Intermediate Secretary position and adopt Resolution No. 11-25.

ITEM TITLE: Elimination of 26 Library
Specialists

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Due to the budget crisis in California, school districts have been forced to identify reductions in employees and programs that serve students. The Library services department is a critical part of the education of students. Library Services provide support to the base instructional program by the collection, distribution and inventory control of textbooks. Library Services also provides support to the academic program in various ways such as book fairs, reading clubs, research support, teaching of library use, and reading to children. While these services are of great value they are not mandated by law with the exception of the Williams mandate which mandates the distribution of textbooks at decile 1, 2 and 3 schools. The elimination of 26 library specialist positions will reduce services to elementary and middle school to basic inventory and the collection and distribution of textbooks and ancillary materials.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund \$1,177,047.00

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the elimination of 26 Library Specialist positions and adopt Resolution No. 11-22.

ITEM TITLE: Suspend Additional
Assignments from FTA Schedule C

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

FTA Collective Bargaining Agreement Appendix Schedule C contains certain stipend positions for additional assignments. The amount of the stipend is negotiable, but the discretion to offer the additional assignments remains with the District.

If the Musical Director and Assistant Directors, Drama Directors at the Middle Schools, Academic, Decathlon Head Coach and Assistant Coaches, Academic Pentathlon Head Coach and Assistant Head Coaches, Mock-Trial Coordinator and Assistant Coach, Speech and Debate Coach additional assignments are not offered and the High School Drama Director is limited to one production/play per year, there would be a savings to the general unrestricted fund.

If the Elementary Leadership Team and Middle School Department Chair Additional Assignments were suspended there would be a savings to the general unrestricted fund.

FISCAL IMPLICATION:

Estimated savings to the general unrestricted fund \$176,590 and \$200,000 respectively

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve to suspend the offering of these Schedule C additional assignments.

BACKGROUND:

High School Athletics operational budgets are controlled by site administration and primarily monitored by the individual Athletic Directors. Athletic Directors are responsible to expend the operational budgets in a fiscally prudent manner to provide equitable access high quality athletic programs, taking student interests and needs into account. A reduction in these funds will be disbursed amongst the comprehensive High Schools. Specific reductions to teams or levels will be determined by the Site Administration.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund of \$ 330,000.00

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve a reduction in High School Athletics Funding.

ITEM TITLE: Counselors / Secretaries /
Guidance Technicians

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Due to the budget crisis in California, school districts have been forced to identify reductions in employees and programs that serve students. Although every effort has been made to maintain educational and social service programs for students' district wide, the continued lack of funds has made it impossible not to impact the needs of students. The fiscal crisis has also had a dramatic impact on personnel as the district has had to limit programs and services to what is mandated by law.

The Counseling program has played an important role in our student's education, however it has become necessary to dissolve the Counseling program along with secretarial support, while continuing to support students in meeting the base instructional program.

Classroom scheduling and transcript review for students will continue to be provided through the addition of Guidance Technicians at all Secondary sites.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund and AB 1802 Tier III Categorical Fund of \$6,250,000 in Counselor costs

Estimated savings to the General Unrestricted Fund of \$244,206 in Secretarial costs
Estimated additional cost to the General Unrestricted Fund of \$1,000,000 for Guidance Technicians

Total estimated savings of \$5,494,206

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the elimination of the Counseling program (Counselors and Secretaries) and approve the creation of additional Guidance Technicians and adopt Resolution Nos. 11-27 and 11-41.

DETERMINATION OF TIE-BREAKING CRITERIA FOR 2011-2012

Pursuant to provisions of Education Code section 44955, the Board of Education is required to determine the District needs should it become necessary to determine the order of termination for employees who first rendered paid service to the District on the same day.

For the 2011-2012 school year only, to meet the requirements of section 44955, the Board of Education determines the needs of the District and the students by establishing the following tie-breaking criteria:

The following rating system shall be applied in determining the order of termination of certificated employees:

- A. Total Number of Credentials, Subject Matter Authorizations and Supplemental Authorizations
- B. Credential Status (Clear, Preliminary, Intern, Permit)
- C. Total Number of Years of Teaching Experience in the Fontana Unified School District
- D. Total Number of Verified Years of Teaching Experience post Bachelor's Degree

TIE-BREAKING PROCEDURE

In the event that common day hires have equal qualifications based on application of the above criteria, the District will then break ties by utilizing a lottery.

ITEM TITLE: 2012 Summer School Program **BOARD OF EDUCATION MEETING:** 03/02/11
Discussion/Action Session

BACKGROUND:

The Summer School program provides students opportunities for remediation and acceleration at the end of each school year. The Summer School program is a reimbursable program and funding to the district is normally determined based on student attendance. Reimbursement is provided a year later. During the 2008/2009 school year, the state included Summer School in the Tier III categorical programs allowing districts to sweep funds and supplement the general unrestricted fund. The state locked funding to what was earned in the 2007/2008 school year in Fontana for a total of \$873,171 for each of the next five years without allowing an increase in reimbursements regardless of the number of students attending.

Due to continued cuts to the general unrestricted budget and the need to maintain fiscal solvency, the Fontana Unified School District can no longer afford to front the necessary funds needed to run the summer school program and finds it necessary to sweep the allocation to supplement the general unrestricted budget.

FISCAL IMPLICATION:

Estimated savings to Tier III categorical funds of \$873,171

RECOMMENDATION:

The Superintendent recommends that the Board of Education sweep the state allocation for the 2012 Summer School program in the amount of \$873,171 to supplement the general unrestricted fund.

Continuation High School

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

Citrus Continuation High School is being relocated to a new larger facility built with funds from the Measure C Bond. The new campus contains facilities large enough to support a student body capacity of over 800 students. In an effort to reduce expenditures it has become necessary to close Eric Birch Continuation High School and transfer those students and teaching staff to the new Citrus Continuation High School campus.

The combining of the administration, teaching and classified staff will result in reductions in General Unrestricted Fund positions. An enhanced safety plan will be implemented by Police Services to provide a full time Police Officer and District Safety Officers to this campus.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund of \$ 277,496.00

ITEM TITLE: Elimination of Systems Analyst
Programmer

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

For the 2010-2011 school year, the Fontana Unified School District implemented new technologies increasing reporting program delivery capabilities. Through previous system automation programming needs have changed. Due to these changes, the position of Systems Analyst/Programmer has been identified as a possible reduction.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund of \$129,200

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the elimination of the Systems Analyst/Programmer for the 2011-2012 school year and adopt Resolution No. 11-23.

ITEM TITLE: Elimination of the JROTC
Program

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Two Comprehensive High Schools currently offer JROTC courses. Both of these programs are popular with students. The JROTC members perform vital services to school activities. The District pays for one half of the salary for the Military instructors to run these programs.

If JROTC is eliminated, additional certificated staff would be needed to provide alternate elective courses for the students displaced from the program.

FISCAL IMPLICATION:

No General Unrestricted Fund Savings, as the elimination of the positions would result in a net loss due to the need to hire additional Certificated Staff.

RECOMMENDATION:

The Superintendent does not recommend that the Board of Education adopt the elimination of the JROTC Programs nor approve Resolution 11-35.

ITEM TITLE: Change Athletic Director from Management position to FTA bargaining unit position **BOARD OF EDUCATION MEETING:** 03/02/11 Discussion/Action Session

BACKGROUND:

Athletic Directors are currently administrative management employees with duties that include the hiring and supervision of all lead and assistant coaching positions. Athletic Directors work irregular hours which may include nights and weekends, as well as attending events which may last longer than the regular school day.

Placing the duties back to an FTA bargaining unit member would then limit the workdays to a contracted 182 or 192 workdays at 6 or 8 hours per day. An FTA bargaining unit member cannot interview and recommend for hire fellow FTA bargaining unit members for coaching positions. Board Policy Exhibit 4319.21 – Code of Ethics, outlines the expectations of administrative personnel in the selection and recommendation of personnel, thereby delegating said duties to administrative personnel.

By leaving the duties with an administrative employee, the District would retain optimal delivery of administrative services in the supervision and maintenance of the athletic programs.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund of \$39,707

RECOMMENDATION:

The Superintendent does not recommend the Board of Education approve Changing the Athletic Director from Management position to FTA bargaining unit position.

ITEM TITLE: Elimination of Locker Room
Attendants

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

Due to the current budget crisis, the District Budget Committee has identified locker room attendant positions as possible eliminations. There is 1 male and 1 female Locker Room Attendant per comprehensive high school for a total of 10 positions.

In addition to custodial/janitorial duties in the locker room area, Locker Room Attendants are responsible to: check out loaner PE clothes; launder the loaned PE clothes; maintain, distribute, and launder athletic uniforms; inventory PE equipment; oversee student locks and locker combinations; and supervise students in the locker room area.

Because of the various duties encompassed in the job description that cannot be easily redistributed, the benefits of this elimination are outweighed by the negative impact in maintaining necessary Physical Education services to students.

FISCAL IMPLICATION:

Estimated Savings to the General Unrestricted Fund of \$430,054

ITEM TITLE: Elimination of Transportation
Department

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

The District currently provides daily transportation for 14,500 students. Each day of attendance is equal to approximately \$37 of Average Daily Attendance (ADA) revenue to the District. At 180 school days per year, this is equal to ADA revenue of \$96,570,000.

If Transportation was eliminated, there would be savings in personnel, vehicles, vehicle maintenance, equipment, and operational costs. However, these savings may be offset by a loss of ADA, which in turn would result in a significant net loss of revenue to the District.

FISCAL IMPLICATION:

Estimated savings to the General Unrestricted Fund of \$1,232,000

Possible savings offset due to loss of ADA revenue is unknown.

BACKGROUND:

The Long Term Independent Study is a program that is not mandated by law but allows for students to receive instruction in an alternative setting. Students in independent study work closely with their teachers, in one-on-one meetings or in small groups. Independent study can be a highly personalized form of instruction and offers a high degree of flexibility and individualization, serving a wide range of students including: highly gifted students who are not challenged in their regular classrooms and wish to accelerate; students who have health issues or the need to work that make classroom attendance difficult; students who, for a variety of reasons, have fallen behind in their studies and need an individualized approach to fill in gaps in their learning or make up credits; and students who want an individualized approach that allows them to delve more deeply into areas of special interest. It is also used as a dropout prevention or recovery mechanism. DETERMINATION OF TIE-BREAKING CRITERIA FOR 2011-2012

Pursuant to provisions of Education Code section 44955, the Board of Education is required to determine the District needs should it become necessary to determine the order of termination for employees who first rendered paid service to the District on the same day.

For the 2011-2012 school year only, to meet the requirements of section 44955, the Board of Education determines the needs of the District and the students by establishing the following tie-breaking criteria:

The following rating system shall be applied in determining the order of termination of certificated employees:

- A. Total Number of Credentials, Subject Matter Authorizations and Supplemental Authorizations
- B. Credential Status (Clear, Preliminary, Intern, Permit)
- C. Total Number of Years of Teaching Experience in the Fontana Unified School District
- D. Total Number of Verified Years of Teaching Experience post Bachelor's Degree

TIE-BREAKING PROCEDURE

In the event that common day hires have equal qualifications based on application of the above criteria, the District will then break ties by utilizing a lottery.

ITEM TITLE: Elimination of the Enrollment
Center

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

The Enrollment Center was designed and established in 2003 to meet the needs of a growing and diverse community and to provide a one-stop enrollment process. Prior to the enrollment center's creation enrollments were done at each individual site and parents then were asked to go to various locations throughout the district to apply for transportation, language assessments, receive immunizations as well as special education and medical services. Currently the Enrollment Center enrolls pre-school, elementary and secondary students in an adequate and timely manner and provides more accurate data in our student information system providing for more funding due to fewer errors in our reporting to the state.

The Enrollment Center staff is mainly composed of Personnel from other departments but housed in the building to provide the community one place with all services needed to enroll students without having to travel throughout the district. The following funds such as Economic Impact Aid/Limited English Proficient (EIA/LEP), Early Education, Special Education, Medi-Cal and MAA, Transportation, and Comprehensive Health are used to support the personnel costs allowing for minimal impact to the general unrestricted fund. Closing the Enrollment Center would result in the elimination of three Intermediate Clerk Typists.

Closing down the Enrollment Center would not eliminate the need to enroll students which would then be pushed to the sites. Due to budget reductions, sites no longer have adequate personnel to enroll students without having a major impact on the office staff and additional positions would be required to be created. Parents would also have to take more time off from work to travel to different locations throughout the district for appropriate services for student enrollment. Human error on data entry would increase dramatically with the lack of monitoring and data correction causing for incorrect state reporting and possible loss of funds.

FISCAL IMPLICATION:

Estimated Savings to the General Unrestricted Fund of Personnel costs of \$133,518.73

RECOMMENDATION:

The Superintendent does not recommend the Board of Education approve elimination of the Enrollment Center nor approve Resolution 11-32.

ITEM TITLE: Elimination of Fontana
Alternative Learning Center

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

During the 2008-2009 school year, the District opened the Fontana Alternative Learning Center (FALC) to help retain students who had significant struggles while attending comprehensive or continuation high schools. The students may have been involved in significant criminal misconduct or serious school site disciplinary issues. The need exists for an alternative campus to allow these students to be successful rather than expelling the students to the county community day school. This program is the only alternative learning program available for expelled students to retain average daily attendance in the district.

FISCAL IMPLICATION:

Estimated Savings to the General Unrestricted Fund of \$ 413,752.00

RECOMMENDATION:

The Superintendent does not recommend that the Board of Education adopt the elimination of the Fontana Alternative Learning Center nor approve Resolution Nos. 11-33 and 11-39.

ITEM TITLE: Closing of Schools

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

The Budget Committee recommended closing of additional school sites as a possible reduction in expenditures to the general unrestricted fund. However, certificated FTE's would be retained as student numbers would be maintained. The only realized savings would be minimal in the form of some classified employees and a single administrator. Overcrowding may possibly occur at schools that would be forced to absorb displaced students. The fiscal savings could be greatly reduced by the facilities requirements.

ITEM TITLE: Reduction of 12 month
employee work year

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

If the work year is reduced for all 12 month employees to either 11 months or 10 months the estimated savings would not be fully realized. The amounts listed as savings would only materialize if every 12 month employee is reduced. However, as some services are necessary year round, it would be impossible to reduce every single employee, and therefore, the full amounts listed would not be the true amount saved. Many essential functions of the district operate year round, including the board of education, the superintendent's office, instructional and student services, maintenance and operations, human resources, payroll, benefits, police services, etc.

Each Division would have to go through each of their respective departments, position by position, to identify which positions could be cut back with minimal impact to existing service levels. Therefore, if the Board took action on either alternative to cut employees' work-years, it would require further work by staff and a separate meeting for the recommendation to be brought back identifying each position to be cut.

FISCAL IMPLICATION:

Estimated Savings to both Restricted and Unrestricted Funds for a maximum of \$3,663,625

RECOMMENDATION:

The Superintendent does not recommend that the Board of Education approve the reduction of 12 month employee work year.

ITEM TITLE: Closure of Fontana Adult
School

BOARD OF EDUCATION MEETING: 03/02/11

Discussion/Action Session

BACKGROUND:

The two main functions of Fontana Adult School (FAS) are to teach English to the newly immigrated and to provide Adult Secondary Education which will allow students in the community an opportunity to receive a high school diploma or GED certificate.

Students enroll at FAS because they want to improve their lives and to take courses that will help them to find jobs that will enrich their future. They come to learn from teachers who are fully credentialed, highly qualified and teaching in their area of expertise.

The current Adult Education Staff consists of one Administrator, one Counselor, one CSO, 35 part-time teachers and 5 Clerical positions.

Adult Education has already been reduced because Tier III program funds have been swept into the general unrestricted fund of Fontana Unified School District over the last two years, \$339,000 in 2009-10 and \$789,000 in 2010-11. Student yearly enrollment has gone from approximately 6000 to 3600 students.

In addition, Adult Education has already earned \$499,000 in non-sweepable funds which will be received in the 2011-12 school year. If Adult Education closes, that money will go back to the State of California.

FISCAL IMPLICATION:

Estimated Savings to the General Unrestricted Fund of \$653,000, by sweeping the remaining Tier III Categorical Adult Education funds.

RECOMMENDATION:

The Superintendent does not recommend that the Board of Education approve sweeping the remaining Tier III Adult School Program funds and the closure of Fontana Adult School nor approve resolution 11-29 and 11-36.

ITEM TITLE: Approve Contract

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

For 2010/11, the District has been able to contract, pending Board of Education approval, for all comprehensive high school commencement ceremonies to be held at Citizens Business Bank Arena. The schedule for the graduations would be as follows:

Tuesday, 05/24/11: Eric Birch High School and Citrus High School

Wednesday, 05/25/11: Fontana A. B. Miller High School and Summit High School

Thursday, 05/26/11: Fontana High School and Kaiser High School

The contract with Citizens Business Bank Arena calls for each comprehensive site to pay \$13,500.00 and for each continuation site to pay \$7,500.00 for commencement ceremonies.

In working with the high school principals for their commencement ceremony to be held at Citizens Business Bank Arena, a number of factors were considered. These factors included (1) the ease of holding the graduation at the arena; (2) reduction in District-paid overtime and additional utility expenditures for field lights; (3) elimination of the rental of sound systems and/or video production equipment; (4) the issue of limited number of graduation tickets being removed or the increase in available seating offsetting the ticket issue; (5) the inside air-conditioned environment of the arena and no concern for weather; (6) the ability of the parents to see the graduation up close and on the arena's large TV screens; (7) the security that Citizens Business Bank Arena provides with their security staff; and (8) the overall satisfaction of the Fontana Unified School District high school principals and parents who attended graduations at Citizens Business Bank Arena.

FISCAL IMPLICATION:

Estimated costs of \$13,500.00 per comprehensive high school and \$7,500.00 per continuation high school; ASB Funds, General Funds, School Improvement Grant Funds, and Donations

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve a 2010/11 contract with Citizens Business Bank Arena in a total amount of \$54,000 for the high school commencement ceremonies for Fontana High School, Henry J. Kaiser High School, Fontana A. B. Miller High School, and Summit High School and a contract with Citizens Business Bank Arena in a total amount of \$15,000 for the high school commencement ceremonies for Eric Birch High School and Citrus High School and authorize the Associate Superintendent of Business Services to sign the necessary contract.

ITEM TITLE: Approve POS Purchase

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

For over ten years now the Food Services Department has been utilizing a point of sale system (POS) that accounts for student meals served in a month for reimbursement reporting purposes. However, the current system no longer meets the District's growing needs, therefore, it is necessary to implement a more modern and efficient POS system that will provide the department with improved student data, application processing, cashier and reporting features.

FISCAL IMPLICATION:

Total Cost: \$54,223.69 - Fund 13

- Software
- Online Meal Payments
- Training
- Installation

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve the purchase of the new point of sale and back office system from Meals Plus in the amount of \$54,223.69 and authorize the Director of Purchasing to sign the necessary documents.

DETERMINATION OF TIE-BREAKING CRITERIA FOR 2011-2012

Pursuant to provisions of Education Code section 44955, the Board of Education is required to determine the District needs should it become necessary to determine the order of termination for employees who first rendered paid service to the District on the same day.

For the 2011-2012 school year only, to meet the requirements of section 44955, the Board of Education determines the needs of the District and the students by establishing the following tie-breaking criteria:

The following rating system shall be applied in determining the order of termination of certificated employees:

- A. Total Number of Credentials, Subject Matter Authorizations and Supplemental Authorizations
- B. Credential Status (Clear, Preliminary, Intern, Permit)
- C. Total Number of Years of Teaching Experience in the Fontana Unified School District
- D. Total Number of Verified Years of Teaching Experience post Bachelor's Degree

TIE-BREAKING PROCEDURE

In the event that common day hires have equal qualifications based on application of the above criteria, the District will then break ties by utilizing a lottery.

ITEM TITLE: Parcel Tax Information

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

The Fontana Unified School District is committed to offering its students a challenging and quality education, versed in the arts and academics, with emphasis in math, science and English proficiency. Securing an exceptional program requires adequate funding. The District is faced with the most severe financial emergency of the post-Proposition 13 era. The District has had to cut, re-allocate and/or delay over \$50 million in educational programs or services because of the financial emergency. Future cuts appear likely. The reduction in overall funding in the foreseeable future could be over 35% from the 2003-2004 school year. As the District's funding has been reduced over the past five years, costs have escalated further hindering the District's educational program. The County Superintendent of Schools has directed the District to have a positive certification for its budgets in 2011-2012 and 2012-2013 school years. If the District does not get additional funding, then the alternative is to further cut the District's budget to meet the budget demands of the County Superintendent of Schools. This could mean fewer staff, larger classes, and fewer programs for our students. The State of California has failed to provide adequate funding. A temporary solution to stem the crisis and return the District to 2004-2005 status of providing smaller class sizes and exceptional programs is through Section 4 of Article XIII A of the California Constitution and Sections 50075 and 50079 of the California Government Code. The provisions authorize a school district, upon approval of two-thirds of the electorate voting on the measure, to levy a special tax for specified purposes following notice and a public hearing, which notice and public hearing have been duly given and held.

As a special tax the funding mechanism, the revenue received can only be used for the purpose stated in the resolution ordering the election. Thus, it could be designed so that funds are used only to support direct classroom instruction in the arts and academics, with emphasis in math, science and English proficiency. Low income seniors can be made exempt from the parcel tax, but would have to apply for the exemption. The tax could be collected for any length of time, but typically 5 years has been applied by most Districts in the state. It would be a Temporary 5-Year Emergency Educational Tax that is collected by the San Bernardino County Tax Collector.

The election can be accomplished by mailed ballot in early May and late August of each year and in early March of even-numbered years. Many counties allow all mailed ballot elections on nearly any Tuesday of which another election is not scheduled. The parcel tax approval process takes 90 days, but more time will be required to develop, plan, and to allow citizens to organize campaign committees.

FISCAL IMPLICATION:

Unknown at this time.

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

As a member of the California School Boards Association (CSBA), the Fontana Unified School District Board of Education has, over the years, participated in the CSBA Delegate Assembly Elections for Subregion 16-B, San Bernardino County. Voting is now occurring for representatives to the CSBA Delegate Assembly. Subregion 16-B has six vacancies. The Board as a whole may vote for up to the number of vacancies in the Subregion as indicated on the ballot provided to the Board under separate cover. Not more than one vote may be cast by the Board for any one candidate. The ballot must be returned to CSBA, postmarked by the U.S. Post Office on or before Tuesday, March 15, 2011.

FISCAL IMPLICATION:

None

RECOMMENDATION:

The Superintendent recommends that the Board of Education vote for as many as six candidates for the California School Boards Association (CSBA) Delegate Assembly as provided under separate cover.

ITEM TITLE: Adopt Resolution

BOARD OF EDUCATION MEETING: 03/02/11
Discussion/Action Session

BACKGROUND:

April was first declared Child Abuse Prevention Month by presidential proclamation in 1983. Since then, April has been a time to acknowledge the importance of families and communities working together to prevent child abuse. The majority of child abuse cases stem from situations and conditions that are preventable when communities are engaged and supportive. A community that cares about early childhood development, parental support, and maternal mental health, for instance, is more likely to foster nurturing families and healthy children.

FISCAL IMPLICATION:

None.

RECOMMENDATION:

The Superintendent recommends that the Board of Education adopt Resolution No. 11-09 recognizing the month of April 2011 as Child Abuse Prevention Month.

Resolution 11-09
Fontana Unified School District
Board of Education

Resolution to recognize April 2011 as Child Abuse Prevention Month

WHEREAS, child abuse and neglect is a community problem affecting both the current and future quality of life of a community; and

WHEREAS, child maltreatment occurs when people find themselves in stressful situations without community resources, and do not know how to cope; and

WHEREAS, the majority of child abuse cases stem from situations and conditions that are preventable in an engaged and supportive community; and

WHEREAS, child abuse and neglect can be prevented by making sure each family has the support they need to raise their children in a healthy environment; and

WHEREAS, child abuse and neglect not only cause immediate harm to children, but are also proven to increase the likelihood of criminal behavior, substance abuse, health problems such as heart disease and obesity, and risky behavior such as smoking; and

WHEREAS, all citizens should become involved in supporting families to provide safe, nurturing environments for their children, giving them the opportunity to grow up to be caring, contributing members of the community; and

WHEREAS, effective child abuse prevention programs succeed because of partnerships created among social service agencies, schools, faith communities, civic organizations, law enforcement agencies, and the business community;

Now, therefore, the Fontana Unified School District Board of Education do hereby proclaim April 2011, as "CHILD ABUSE PREVENTION MONTH" and call upon all citizens, community agencies, faith groups, medical facilities, elected leaders and businesses to increase their participation in efforts to support families, thereby preventing child abuse and strengthening the communities in which we live.
