Leticia Garcia congratulated District students for improvement on the California State Tests and commented that hearing about the District's current financial status made the unpopular decisions of earlier in the year worth it. She shared that she was horrified about one of the speakers receiving a terrible piece of mail and that it was completely unacceptable to be so hateful. She then noted she would be attending and helping with the CAFFS event, and that she thought it would be a good year for the District in terms of academic growth and improvement. She also sent well wishes to Mrs. Olsen-Binks.

Sophia Green wished Mrs. Olsen-Binks a quick recovery.

Gus Hawthorn thanked schools for the growth in test results and wished Mrs. Olsen-Binks well; that the true test of leadership was shown in what happened in a leader's absence, and that as things were running smoothly showed she had done a good job.

BarBara Chavez expressed pride in the test scores, thanked Target for the donation, and shared her sadness at the letter the parent who spoke had received; everyone needed to work together to change such things. She commented on the current financial stability of the District and noted that even though the Board had to do things previously that people weren't happy with they were necessary to save the District. She wished Mrs. Olsen-Binks well and sent her prayers.

President Chavez adjourned the meeting at 9:17 p.m.

Adjournment

Motion made by G. Hawthorn, seconded by S. Green, and carried on a 5-0 vote.

BACKGROUND:

Public Contract Code Section 12110 allows the District to utilize existing contracts through the State of California without formally bidding. RESOLUTION APPROVING THE PURCHASE OF ELECTRONIC DATA PROCESSING GOODS & SERVICES FROM SAVE ON VIDEO OFF THE CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS)

WHEREAS, pursuant to Public Contract Code Section 12110, the Department of General Services is authorized to make purchases or leases of electronic data processing or telecommunications goods and services on behalf of school districts and other local governmental agencies; and

WHEREAS, the purchases or leases of such goods and services by the Department of General Services are to be made upon the same terms, conditions and specifications at a price lower than the District can obtain through its normal acquisition procedures; and

WHEREAS, the California Multiple Award Schedules (CMAS) has contracts for electronic data processing or telecommunications goods and services which the District needs to purchase in order to complete the project identified below; and

WHEREAS, based upon the facts identified below and information presented to the Governing Board, it is in the best interest of the District to purchase the electronic data processing goods and services from Save On Video, who currently has contracts in good standing with CMAS. This authorization is requested for the 2011/2012 school year through June 30, 2012.

NOW, THEREFORE, BE IT RESOLVED:

SECTION 1. FACTS SUPPORTING PURCHASE OFF CMAS:

Save On Video has been providing access control systems, network wiring, network services, and video equipment for surrounding businesses for many years. They have provided Fontana Unified School District with these solutions and are aware of our District's standards and needs.

Based upon the goods and services to be provided by Save On Video, it has been determined that the price to be obtained through CMAS is lower than if the District were to competitively bid the goods and services.

SECTION 2. FINDINGS: The Governing Board, upon consideration of the facts identified in Section 1 above, and upon the information, data, etc., provided at the meeting at which this Resolution is adopted, hereby finds that it is in the best interest of the District to utilize Save On Video CMAS Contract Numbers 3-09-58-0238A and 3-11-84-0016A for electronic data processing goods and services needed through June 30, 2012.

SECTION 3. PAYMENT BOND: In accordance with the requirements of Civil Code Section 3247, Save On Video will provide a payment bond for 100% of each contract amount.
