Second
Reading
Board Policy

The Board adopted the second reading of new Board Policy 4112.8 4212.8 4312.8, Employment of Relatives (copy attached to official minutes).

Motion made by G. Hawthorn, seconded by K. Binks, and carried on a 5-0 vote.

President Chavez made a request for staff to survey surrounding districts as to their procedures for bargaining units to speak at Board meetings; Board Member Binks supported that idea.

Board
Requests

Vice President Garcia asked that a committee or task force including parents be put together to review the Secondary Grading Policy and suggested providing an interim policy until concerns were resolved.

Vice President Garcia asked for a policy on turn-around time for response to communication from the community.

President Chavez asked that a forum be held for parents of Poplar Elementary School students regarding the recent safety concerns.

Board Member Hawthorn stressed the importance for Management to listen to other employees and communicate when decisions were made, and that once all input was received Management was charged with implementing new policies and procedures and evaluating the success of those.

William Megenney, Chief of Police Services, commented on the Great Shakeout to be conducted the morning following the meeting, and encouraged people to participate.

Administrator
Comments

Alejandro Alvarez, Associate Superintendent of Business Services, commented on the presentation made at the previous meeting by a representative of County Counsel and his discovery that the current Board Bylaw 9124, Attorney, was over 20 years old, in need of updating, and asked for feedback from the Board for any changes they would like to see in the Bylaw.

Board Member Green commented on her visits to Citrus Elementary School and to the home of the student who had recently passed away.

Board
Member
Comments

Board Member Hawthorn asked for and received details on the Fontana High School Parent Center Open House that coming weekend, and for the school's free tutoring, college application and financial aid workshops. He shared that he had attended the academic awards ceremony at the school and commented on the student performance data that he had been provided.

Board Member Binks commented on attending the CAFFS event, congratulated the students and parents who had attended for recognition earlier in the evening, thanked the Maple and Truman school principals for their presentations, and spoke of the Day of the Dead event coming up at Jurupa Hills High School. She then noted that she was saddened to think that employees were in fear of their safety, and asked that her following statement to every employee be included in the minutes in its entirety: "I don't care if it's from a Board member down, our employees do not have to take any kind of behavior like that from anyone. They do not have to stand for being belittled, cussed at, made to feel they're not doing what they're supposed to. We're supposed to be one big team here together, and I challenge you if it's happening you let me know and I'll file the complaint and get all of us together and we'll file a class action complaint. So if this is happening from anyone it better stop. And I'd better stop because I'm getting worked up. We had a lot go on tonight and hopefully we can take care of business and move on for the best of this district. That's why I've been a Board member so long and it saddens me when we get these glitches that cause so much frustration and anger and whatever, and we just need to move on and take care of it together." With that she said her goodnights.

Vice President Garcia commented on her attendance at a California Latino School Boards conference and that she would be sharing some information from that with the other Board members. She appreciated the principals' presentations earlier in the meeting and commented on attending a Parents As Teachers meeting at Maple Elementary; it was a shame there was not enough funding to provide that support at all sites. She congratulated the 600 Club students and shared her appreciation of the comment about embracing the challenge of academic performance made by the Truman Middle School principal.

Ms. Garcia continued that she had been aware of the issue at Poplar Elementary School, that horrible things had been happening and she thought it was miscommunication; she hoped the issue would be resolved and was glad that security had been stepped up at the school. She congratulated the CAFFS crew on an excellent job and shared that she was looking forward to the next event in April.

Board
Member
Comments,
continued

President Chavez commented on her visits to schools and that she hoped to continue them until she got to every school. She was looking forward to working on the April CAFFS event, hoped the problems at Poplar could be settled, and sent get well wishes to the Superintendent.

President Chavez adjourned the meeting at 10:23 p.m.

Adjournment

BOARD OF EDUCATION MEETING: 11/02/11
Consent Calendar Session

BACKGROUND:

As part of our ongoing professional development initiative and to meet the goal that "All students will demonstrate proficiency in ELA standards by 2014, a requirement of NCLB", Fontana Unified School District elementary teachers will be participating in an Elementary Reading Academy during December 5-9 2011 and January, 3-6 2012. The purpose of this academy is to highlight the research-based components that are required for a student to become a reader, the five big ideas in early literacy, and to link these ideas to our adopted programs: Open Court Reading, Read 180, and System 44. Additionally, the Elementary Reading Academy will allow teachers to better understand the rationale for utilizing DIBELS in our district, as it measures acquisition of the big ideas in early literacy. Our training goal is to have every elementary teacher well versed in these essential ideas to refine core instruction and provide targeted interventions in an effort to better serve the students in our community.

Topics to be covered at the Elementary Reading Academy include: Overview, Linguistics, and Early Literacy; Phonemic Awareness and Phonics; Multisyllabic Words and Fluency; Vocabulary; and Comprehension.

The Elementary Reading Academy is a follow-up to the Instructional Materials Professional Development (formerly known as SB472) that was previously offered by the District. This link from theory to practice will allow teachers to better meet the literacy needs of our students as identified by DIBELS.

FISCAL IMPLICATION:

\$42,292.00 to be paid out of Restricted Title II Funds

RECOMMENDATION:

The Superintendent recommends that the Board of Education approve entering into a contract with Consortium on Reading Excellence (CORE) to provide the Elementary Reading Academy to teachers December 5-9, 2011 and January 3-6, 2012, in the amount of \$42,292.00, and authorize the Associate Superintendent of Instructional Services to sign related documents.

On May 19, 2011, the District formally terminated their contract for cause and made formal demand on the Surety, Great American, to fulfill its obligations under the performance bond to complete the scope of work. Great American procured bids from qualified, licensed contractors to complete the work. Southern California Landscape, Inc. was selected as the responsive, responsible contractor.

There is \$57,064.97 left unpaid on the original contract with Sierra Landscape Co. Southern California Landscape's cost to complete the contract is \$84,100.00. Great American will issue payment to the District to cover the remaining balance.

BEFORE THE GOVERNING BOARD OF THE FONTANA UNIFIED SCHOOL DISTRICT
COUNTY OF SAN BERNARDINO, CALIFORNIA

**EMERGENCY RESOLUTION FOR
COMPLETION LANDSCAPING AND LANDSCAPING MAINTENANCE
(Sitework & Utilities–Category #2–Landscaping) at Citrus Continuation High School**

RESOLUTION NO. 11-100

WHEREAS, the Governing Board of the Fontana Unified School District (“District”) originally awarded a Contract for the landscaping work portion for the construction of Citrus Continuation High School Sitework & Utilities–Category #2–Landscaping (Bid No. 9/10-1324) (hereinafter referred to as “Project”) to Sierra Landscape Co., (“Sierra”).

WHEREAS, on or about August 20, 2009, the District and Sierra entered into a contract for the Project whereby Sierra was required to perform the landscaping scope of work on the Project.

WHEREAS, Sierra’s payment and performance bond surety on the Project is Great American Insurance Company (“Great American”);

WHEREAS, due to Sierra’s failure to provide all the services required by the Project contract, the District’s legal counsel issued a termination letter to Sierra dated April 26, 2011 providing Sierra and its surety, Great American, with the required notice of the District’s termination for cause of the Project contract in accordance with the terms of the contract documents;

WHEREAS, pursuant to the terms of the termination letter, Sierra was required to cure the issues raised in the District’s Notice of Termination within 72 hours of receiving the notice and has failed to either address or cure the issues raised in the District’s Notice of Termination;

WHEREAS, on May 19, 2011, the District formally terminated Sierra’s contract for cause and made formal demand on the surety, Great American, to fulfill its obligations under the performance bond and complete Sierra’s scope of work;

WHEREAS, Great American and the District have negotiated an agreement whereby Great American will tender a contractor (“Southern California Landscape, Inc.”) to complete Sierra’s scope of work on the Project;

WHEREAS, it would work an incongruity and not produce any advantage to the District to competitively bid completion of Sierra’s scope of work for the Project due to the immediate need to complete the Project and provide safe and adequate facilities;

WHEREAS, competitive bidding for the completion of work would entail significant delays to prepare plans and specifications detailing the exact state of the

Project and would further require at least an additional two weeks to advertise, award and contract for the services of a takeover contractor;

WHEREAS, Meakin v. Steveland (1977) 68 Cal.App.3d 490 and Los Angeles Dredging v. Long Beach (1930) 210 Cal. 348 holds that statutes requiring competitive bidding do not apply when competitive bidding would work an incongruity or not produce any advantage;

WHEREAS, Shore v. Central Contra Costa Sanitary District (1962) 208 Cal.App. 2d 465 and Garvey School District v. Paul (1920) 50 Cal.App. 75, further holds that a contract for takeover work may be exempted from competitive bidding upon termination for cause of the original contractor;

WHEREAS, in order to complete work on the Project and to minimize any damages to the work performed and danger to students, it is necessary to enter into a new contract or contracts for a takeover contractor for the Project;

WHEREAS, the Governing Board desires by a majority of the vote and pursuant to Education Code section 17604 and similar statutes, to delegate authority to the Associate Superintendent of Business Services the authority to execute any and all agreements and to complete all necessary documents to complete the Project, or to otherwise carry out the intent of this Resolution.

NOW, THEREFORE, BE IT RESOLVED that the Governing Board makes the following findings regarding the emergency which exists:

1. That the above recitals are true and correct.
2. That completion of work on the Project is necessary to immediately necessary to keep the Project on schedule and to avoid damages to the landscape work performed on the Project. Given the timing and the termination that occurred, there is inadequate time to assess the work, prepare drawings and rebid;
3. That under Shore v. Central Contra Costa Sanitary District the District may take over and complete work from SIERRA, a contractor that has been terminated for cause;
4. That it would work an incongruity and not produce any advantage to the District to competitively bid the Project.
5. That the District's Governing Board hereby approves the award of a contract to Southern California Landscape, Inc., to complete the work not completed and abandoned by Sierra.
6. That the District's Governing Board hereby approves the delegation of authority to its Associate Superintendent of Business Services or his designee, pursuant to a majority of the vote of the Governing Board and Education Code section 17604 and

similar statutes, to execute any and all agreements and to complete all necessary documents to complete the Project, or to otherwise carry out the intent of this Resolution, all subject to ratification of the Board of Education.

Due to this closure, it is necessary to find an alternative site to house these students. San Bernardino County Superintendent of Schools, Bob Murphy Community Day School (CDS) campus would be able to serve our expelled special day class (SDC) students as well as resource specialist (RSP) students.

Currently the fee for service is: SDC: \$18,955.00; RSP: \$2,878.00. Anticipated number of students to be referred for the 2011/12 school year is 9 SDC students and 6 RSP students.

BACKGROUND:

The Federal Communications Commission has established the E-Rate program to assist schools in the acquisition of affordable telecommunications. E-Rate's internal connections program is highly competitive based on district technology plans, current and proposed use of technology resources, and socioeconomic factors.

Recipients of E-rate funding are expected to provide matching funds based on the number of students receiving free or reduced meals at the school sites to receive discounted equipment and/or services. The funds currently approved for the District are set to expire on September 30, 2012. Products and services must be received prior to this date.

Fontana High School's current network infrastructure is the oldest in the district offering limited capacities to move forward as a 21st century school. In order to maintain and increase network and telephone functionality, it is necessary to replace the outdated network infrastructure currently in place at Fontana High School.

RECOMMENDATION:

The Superintendent recommends that the Board of Education, utilizing CMAS contract numbers 3-08-70-2473F and 3-09-70-2473G, approve a contract with Network Integration Company Partners, Inc. dba NIC Partners, for the purchase of network cabling, materials and installation services at Fontana High School in the amount of \$1,678,948.41, in which 86% of eligible items will be paid by the Federal Communications Commission's E-Rate Program, and authorize the Associate Superintendent of Business Services to sign necessary documents.

ITEM TITLE: Contract

BOARD OF EDUCATION MEETING: 11/02/11
Discussion/Action Session

BACKGROUND:

The Federal Communications Commission has established the E-Rate program to assist schools in the acquisition of affordable telecommunications. E-Rate's internal connections program is highly competitive based on district technology plans, current and proposed use of technology resources, and socioeconomic factors.

Recipients of E-rate funding are expected to provide matching funds based on the number of students receiving free or reduced meals at the school sites to receive discounted equipment and/or services. The funds currently approved for the District are set to expire on September 30, 2012. Products and services must be received prior to this date.

Fontana High School's current network infrastructure is the oldest in the district offering limited capacities to move forward as a 21st century school. In order to maintain and increase network and telephone functionality, it is necessary to replace the outdated network infrastructure currently in place at Fontana High School.

Public Contract Code Section 12110 and the Federal E-Rate Program allow the District to utilize existing contracts and bids placed by the State of California to procure goods and services. This allows the District to keep within District standards, as well as save time and cost.

FISCAL IMPLICATION:

Funding: \$ 164,999.81 - Fund 40 (Special Reserve for Capital Outlay Projects)-restricted
\$1,013,570.27 - Federal E-Rate Funds

RECOMMENDATION:

The Superintendent recommends that the Board of Education, utilizing CMAS contract number 3-09-70-0163AE, approve a contract with Nexus IS, Inc., for the purchase of network equipment for Fontana High School, in the amount of \$1,178,570.08, in which 86% of eligible items will be paid by the Federal Communications Commission's E-Rate Program, and authorize the Associate Superintendent of Business Services to sign necessary documents.
