23
24 The District agrees that sworn Members shall participate in the
25 Safety CalPERS 3% @ 50 System with Survivor Benefits. Non-sworn Members
26 shall participate in the standard retirement plan for all other classified
27 District employees. The District will incur only the minimum contribution
28 required by CalPERS. The Member contribution shall be paid for by the
29 Member.

30
31 Section 8 – Post Retirement Benefits

32
33 Per the Tentative Agreement entered into on January 27, 2010, all
34 new Members hired after said date are not entitled to post-employment
35 (retirement) medical, vision, dental or life insurance benefits. Members
36 hired prior to January 27, 2010 are not affected and remain eligible for the
37 benefits as outlined in this Agreement.

38
39 Effective October 1, 1978, Members who retire after thirty (30) years
40 of service in the Fontana Unified School District with the retirement at age
41 fifty (50) or greater or twenty-five (25) years of service in the Fontana
42 Unified School District with a retirement at age fifty-five (55), according to
43 District records, shall be eligible to continue participation in the District-
44 sponsored medical insurance plan until the last day of the month in which

1 the Member reaches his/her 65th birthday, provided that the Member has
2 been covered under the plan for the five (5) years immediately preceding
3 retirement. Retiree benefits shall terminate prior to age sixty-five (65) upon
4 eligibility of the Bargaining Unit Member for coverage under the plan of
5 their spouse or another employer.

6
7 Effective October 1, 1981, Members who retire after fifteen (15)
8 years of service in the Fontana Unified School District with retirement at
9 age fifty (50), according to District records, shall be eligible to participate
10 in the District-sponsored medical insurance plan for any period of five (5)
11 consecutive years between the time of retirement and the last day of the
12 month in which the Member reaches his/her 65th birthday, provided that
13 the Member has been covered under the plan for the five (5) years
14 immediately preceding retirement. The years specified must be
15 consecutive, and the period specified may not extend past the last day
16 of the month in which the bargaining unit member reaches his/her 65th
17 birthday. Five (5) years of coverage shall be the maximum entitlement.
18 Retiree benefits shall terminate prior to age sixty-five (65) or prior to usage
19 of the full entitlement upon eligibility of the Member for coverage under
20 the plan of their spouse or another employer.

21
22 Members who are eligible to retire effective October 1, 1986 and
23 thereafter, along with their eligible dependents, shall be eligible to
24 participate in a District-sponsored health and welfare plan, which shall
25 include medical, dental, vision, and life insurance protection. In order to
26 be deemed eligible, a Member must have fifteen (15) years of service in
27 the Fontana Unified School District with retirement at age fifty (50) or older,
28 according to District records.

29
30 Participation shall be for a maximum period of six (6) consecutive
31 years to commence at the time of retirement, provided that the Member
32 has been covered under a retirement plan for the three (3) years
33 immediately preceding retirement. With regards to life insurance,
34 coverage shall be effective only until age seventy (70). This benefit of
35 continued coverage for a surviving spouse and other eligible dependents
36 shall only apply to Member who retire and commence participation in the
37 Retirement Health Benefit Program under this Article on or after October 1,
38 1986 and who die prior to termination of the program leaving a surviving
39 spouse.

1 As an option to the above retirement provision, Members who are
2 eligible for retirement effective October 1, 1988 under these provisions
3 may elect to participate in the District-sponsored medical insurance plan
4 for a period of eight (8) consecutive years to commence at the time of
5 retirement. Under these provisions, retirees would not receive dental,
6 vision, and life insurance protection. The surviving spouse of a Member
7 who dies prior to the expiration of his/her Retirement Health Benefit
8 Program under this Article shall be entitled to continued benefits for the
9 remainder of the original six (6) or eight (8) year program. For retirees who
10 selected the full Health and Welfare Plan for six (6) years, the survivor
11 benefits shall be limited to medical, dental, and vision. For retirees who
12 selected medical protection only for a period of eight (8) years, the
13 survivor benefits shall be limited to medical only. In neither case shall the
14 benefits include life insurance protection for the surviving spouse. The
15 District's maximum health and welfare benefits allowance to the retiree
16 shall be for a maximum of six (6) consecutive years and shall be equal to
17 active employee health and welfare benefits.

18
19 For married couples, both of whom are employed by the District,
20 arrangements may be made at the time of retirement for the health and
21 welfare benefits to be utilized in a consecutive manner rather than
22 concurrently. In this way, the protection to be enjoyed by married retirees
23 may be expanded to a maximum of twelve (12) years for full health and
24 welfare benefits or sixteen (16) years for medical benefits only. Under
25 these circumstances wherein Members would seek to defer the
26 engagement of benefits for a period of time not to exceed six (6) years
27 due to eligibility under these provisions, the District's responsibility to pay
28 for fringe benefits shall remain at the same dollar amount in effect at the
29 time of retirement. When benefits are subsequently engaged by the
30 Member, the retiree would be responsible to pay the difference in the
31 rates from the date of retirement to the commencement of the benefits.
32 Once the retiree's participation is commenced, the retiree's contribution
33 shall remain constant and any subsequent increases in the costs of the
34 benefit programs would be borne by the District. Members serving the
35 Fontana Unified School District with thirty-five (35) or more years of service
36 will be granted lifetime medical benefits for the employee and spouse
37 during the lifetime of the employee. Full retirement benefits shall be
38 granted to the surviving spouse of an employee who qualified for lifetime
39 benefits under this Article until said surviving spouse remarries or is eligible
40 for Medicare benefits, but under no condition longer than eight (8) years.
41 Notwithstanding the above, the retiring employee and spouse will retain
42 eligibility for the six- (6-) or eight- (8-) year benefit option selected by the
43 retiree. For purposes of the foregoing, completion of seventy-five percent
44 (75%) of the duty days within a fiscal year shall constitute completion of a

1 year of service. For the purposes of this Article only, paid status shall
2 exclude time elapsed during unpaid leaves of absence for three (3)
3 months or more and terminations of employment. Retirees shall be
4 responsible for payment of health and welfare benefit selections which
5 exceed the benefits provided herein.

6
7 The Board may, at its sole discretion, after consultation with the
8 Association, provide retiree health and welfare benefits provided herein
9 when, in its consideration, the circumstances of an individual situation
10 warrant such action. Members who are eligible to retire effective July 1,
11 1992, and thereafter, shall be eligible to participate in a District-sponsored
12 health and welfare plan, which includes medical, dental, vision, and life
13 insurance protection. In order to be deemed eligible, a Member must
14 have fifteen (15) years of service with the District with retirement at age
15 fifty (50), or older, according to District records.

16
17 Section 9 – Longevity

18
19 Effective July 1, 2014, longevity pay of eight hundred and fifty
20 dollars (\$850) shall be paid to a Member beginning with the eleventh
21 (11th) year of service with the District, with an additional eight hundred fifty
22 dollars (\$850) each four (4) years thereafter.

23
24 The anniversary increment is to be implemented as follows:

25

26	Year 11 – 14	\$850 total payment each year
27	Year 15 – 18	\$1,700 total payment each year
28	Year 19 – 22	\$2,550 total payment each year
29	Year 23 – 26	\$3,400 total payment each year
30	Year 27 – 30	\$4,250 total payment each year

31
32 This supersedes the grandfathering of current FSPOA Members
33 formerly classified as management who receive longevity pay beginning
34 with ten (10) years of service and every four (4) years thereafter.

1
2 **ARTICLE 6**
3 **NORMAL WORKING HOURS/SHIFT DIFFERENTIAL**

4 The District shall comply with all applicable Federal, State, and
5 Local laws regarding labor standards, to include, but not limited, to meal
6 breaks and regular breaks.

7
8 Members scheduled to attend training on a day when they are
9 scheduled to work will be required to work the full hours of the shift.
10 Reasonable travel time, determined by the Department, will be permitted
11 within the required work period. Travel time shall be based on the
12 distance from the Member's residence to the training location or the
13 length of travel to the location from which the Member must be housed
14 on or near the training site. A Member who is scheduled for training of a
15 day or longer may be placed on an alternate work schedule to
16 accommodate the hours of training in order to maintain the Member's
17 regular hours within a pay period.

18
19 Shift/school assignments and vacation priority shall be determined
20 by seniority within the job classification.

21
22 The Chief of Police may institute a regular five (5)-day, eight (8)-hour
23 work schedule or alternate compressed work schedules if, in his/her
24 opinion, it is in the best interest of the District and Department needs. Such
25 change will occur only after a fourteen- (14-) day notice is given, in
26 writing, to the Association and after meeting and consulting with the
27 Association, unless the Association expressly, in writing, agrees to waive
28 such meeting. At no time shall a Member, unless due to disciplinary
29 action, be forced to work less than one hundred sixty (160) hours every
30 four (4) weeks.

31
32 Shift Differential

33
34 Except when working a regular shift, including the day shift, swing
35 shift, and the graveyard shift, any Member required to render service
36 between the hours of 5:00 p.m. and 5:00 a.m. shall be paid an additional
37 five percent (5%) increase over their regular hourly rate, plus any other
38 stipends or increases allowed in this Agreement.
39
40
41
42
43
44

1 **ARTICLE 7**
2 **OVERTIME**
3

4 Overtime at the rate of one and one-half (1-1/2) times the regular
5 rate shall be paid after hours in excess of the Member's regularly assigned
6 shift duration, depending on the Member's assigned shift, in any one (1)
7 day or after forty (40) hours in any one (1) work week
8

9 If a five (5)-day, eight (8)-hour per shift is required, Members will
10 receive overtime pay for any hours worked beyond the eight (8) hour shift
11 or beyond forty (40) hours in the work week. All other overtime, leave of
12 absence, and holiday pay remain as stated in this Agreement.
13

14 When a Member is required to render service on a non-workday, or
15 if recalled to work on the same day where he/she has previously
16 completed a regular work assignment, depending on the assigned shift,
17 or if a Member has to perform overtime for special events such as, but not
18 limited to, training, school sporting events or other District related or
19 authorized events, then the Member shall be compensated for a
20 minimum of three (3) hours, but not for less than the actual number of
21 hours worked.
22

23 If a Member is required to remain on-call and fit for response to
24 duty, he/she will be compensated with one (1) hour of their regular hourly
25 rate for every eight (8) hours on call. If the Member is then recalled to
26 work while on-call, the period of time on duty shall be deducted from the
27 time on-call for purposes of calculating on-call compensation.
28

29 Compensatory Time
30

31 At the discretion of the District, whenever overtime is authorized,
32 Members may submit a request for credit in the form of compensatory
33 time equal to one and one-half (1-1/2) hours for each hour of overtime
34 worked in lieu of overtime pay. Members may accrue a maximum of
35 eighty (80) hours of compensatory time. Any additional time must be
36 paid in the form of cash at the Member's overtime rate.
37

38 Use of compensatory time shall be at the discretion of the Chief of
39 Police, or his/her designee, depending on Department needs. At no time
40 shall compensatory time be granted if its use is detrimental to the normal
41 operations and needs of the Department.
42
43
44

1 All accrued compensatory time shall be utilized within the same
2 fiscal year in which it was earned. Compensatory time not used by the
3 end of the fiscal year shall be cashed out at the Member's overtime rate.

4
5 Unused compensatory time shall be paid to Members upon
6 separation from employment.

**ARTICLE 9
LEAVE OF ABSENCE**

Section 1 – Sick Leave

Sick leave of absence with pay is granted to District employees to protect the health and welfare of both employees and students. The use of sick leave for purposes other than the Member's illness, injury or attendance to an appointment with a health care provider shall be considered abuse of paid or unpaid leave.

Every full-time Member (1 FTE) shall be entitled to ninety-six (96) hours of paid sick leave for illness or injury per fiscal year of service. Such leave shall be exclusive of all days he/she is not required to render service to the District.

New Members accrue sick leave from the first (1st) of the month in which they are employed, providing their employment commences on or before the fifteenth (15th) of the month. If employment commences on or after the sixteenth (16th) of the month, sick leave is accrued from the first (1st) of the following month. A Member must be employed past the fifteenth (15th) day of the month to accrue sick leave credit for that month. Members in a non-paid status for a fractional period of a month accrue sick leave for the entire month when in a paid status for eighty (80) or more hours in that month. A Member who serves less than eighty (80) hours in a month receives no sick leave credit for that month.

Credit for sick leave need not be accrued prior to taking such leave by the Member and such leave of absence may be taken at any time during the year. If the Member does not take the full amount of leave allowed in any year, the amount not taken shall be accumulated from year to year with no cap.

However, a new Member shall not be eligible to take more than six (6) days or the proportionate amount to which he/she may be entitled, until the first (1st) day of the calendar month after completion of six (6) months of active service with the District.

A Member shall once a year be credited with a total of one hundred (100) working days of paid extended sick leave in addition to sick leave to which he/she is entitled under paragraphs 2 and 3 listed above. Such days of extended sick leave, in addition to those required by paragraphs 2 and 3 listed above, shall be compensated at fifty percent (50%) of the Member's regular salary and shall be available after all other

1 paid leave entitlement has been exhausted, but shall not be cumulative
2 from year to year. Benefits accrued while on paid sick leave shall be the
3 same as the benefits which would have been accrued had the Member
4 worked. Each day of absence claimed under this paragraph must be
5 supported by a physician's statement that will verify the inability of the
6 Member to work.

7
8 Verification of illness may be required by the District for any
9 absence for which sick leave is claimed.

10
11 The District shall prescribe ~~to~~ the required rules and regulations
12 indicating the manner of proof of illness or injury. However, regulations
13 shall not discriminate against treatment or violate any conditions
14 protected by HIPAA and the need thereof by the practice of ~~the~~ religion
15 of any well-organized religious sect, denomination or organization.

16
17 Section 2 - Utilization of Sick Leave During Periods of Vacation

18
19 Personal illness or injury occurring during a scheduled vacation may
20 be charged to sick leave provided medical substantiation of illness is
21 furnished by the Member. An absence due to personal illness or injury that
22 occurs prior to and extends into a scheduled vacation may be charged
23 to sick leave.

24
25 Section 3 – Vacation Leave

26
27 Vacation time is accrued each fiscal year from the date the
28 Member first renders probationary service. Vacation is accrued at the
29 equivalent of eight (8) hours for each month of service, ninety-six (96)
30 hours per fiscal year. If the Member first renders service on or before the
31 15th day of the month, eight (8) hours of vacation leave shall be provided.

32
33 After five (5) years of continuous service, ten (10) hours of vacation
34 time shall be granted for each month worked, one hundred twenty (120)
35 hours per fiscal year. After ten (10) years of continuous service and
36 starting on the 11th year, the Member will continue to accrue ten (10)
37 hours of vacation leave per month, plus an additional forty (40) hours per
38 fiscal year, to be given on July 1 each year, for a total of one hundred
39 sixty (160) hours per year.

40
41 Vacations shall be scheduled at the convenience of the District
42 and, as nearly as possible, at the convenience of the Member. Seniority
43 within the job classification shall be considered when multiple requests for
44 the same vacation day(s) are submitted on the same day.

1 Vacations accrued by July 1 shall be taken by the following June
2 30; however, with the approval of the supervisor, a Member who cannot
3 use all vacation days may be permitted to carry over a maximum of one
4 (1) year's accrual, not to exceed one hundred sixty (160) hours in any
5 event. Members whose carry over balance exceed the one (1) year
6 accrual must submit leave documents to account for using the excess
7 time within the next four (4) pay periods to bring the balance down to
8 one (1) year's accrual.

9
10 Upon resignation, termination or retirement, all remaining vacation
11 hours shall be paid at the Member's current rate of pay, including any
12 and all incentives.

13 Section 4 – Personal Necessity Leave

14
15
16 During each fiscal year, each Member shall be entitled to utilize a
17 period of time equivalent to eight (8) days or sixty-four (64) hours for
18 personal necessity. Members who work less than eight (8) hours per day
19 shall have the leave privilege prorated for hours of service.

20
21 Personal Necessity Leave shall not be used merely for an extension
22 of a holiday, vacation or convenience. Such leave time used shall be
23 deducted from the Member's accumulated sick leave.

24
25 Personal Necessity may only be used for the following reasons, one
26 of which the Member shall indicate on the Leave Document (form D-28.3)
27 as the reason for requesting such leave:

28 1. Death or serious illness of a member of his/her immediately family
29 when leave is required beyond that provided by District policy.

30 2. Accident involving his/her person or property or the person or
31 property of an employee of his/her immediately family, which requires
32 immediate attention.

33 3. Appearance in court before any government, regulatory or
34 administrative tribunal as a litigant, party or witness under proper
35 subpoena or any order to appear.

36 4. Items of an emergency nature, involving circumstances which
37 could not be anticipated and/or which involve extenuating
38 circumstances and which are not based on personal convenience and
39 which prevent the employee from performing his/her normal duties.

40
41 Approval must be requested and cannot be denied if the request
42 meets any one of the definitions of personal necessity as listed above and
43 if the request is submitted a minimum of two (2) working days prior to the
44 date requested, unless an exigency exists. In the event that a Member

1 fails to provide two (2) working days' advance notice of a personal
2 necessity leave request, the circumstances preventing the submission of
3 such request in a timely manner shall be explained in writing to the
4 supervisor who shall have the discretion to deny the request

5
6 Abuse or misuse of personal necessity leave shall be subject the
7 Member to appropriate disciplinary action.

8 9 Section 5 – Parental Leave

10
11 In cases of pregnancy, the Member may request a leave of
12 absence without pay for a period not to exceed one (1) fiscal year. At
13 the end of the leave, the Member shall be reemployed in a comparable
14 position and, when possible, the same position, provided that the position
15 is not greater than that which the Member would have enjoyed if he/she
16 were not on leave.

17
18 Health and welfare benefits shall not be provided during parental
19 leave unless paid for by the Member. During such a leave, a Member
20 shall maintain, but not add to, accumulated sick leave or other employee
21 benefits, including seniority.

22
23 Sick leave may be used for the delivery of a child, for a bona fide
24 medical disability connected with a pregnancy as verified by a doctor's
25 statement and for normal postpartum recovery [generally four (4) days].
26 Sick leave may not be used for postpartum care of the infant or for child
27 care.

28
29 Upon request, the Board shall provide a Member who is a natural or
30 adopting parent an unpaid leave of absence for the purposes of rearing
31 his/her infant under three (3) years of age. The Member shall notify the
32 District that he/she intends to take such a leave at a reasonable time prior
33 to the anticipated date on which the leave is to commence. Upon the
34 Member's request, the Board may, at its discretion, grant an additional
35 year of parental leave to a combined maximum of two (2) fiscal years.

36
37 The terms of this Article shall not abrogate or abridge the rights of
38 the Member under the Family Medical Leave Act.

39 40 Section 6 – Personal Leave

41
42 A personal leave of absence without pay for not more than thirty
43 (30) working days may be granted administratively to transact urgent
44 personal business. The approval or rejections thereof shall be determined

1 on the basis of the position the Member holds, inasmuch as certain
2 positions do not lend themselves to temporary replacements due to the
3 technical nature or level of responsibility of the assignment.

4
5 The approval and duration of such leaves shall be left to the
6 discretion of the Superintendent and, if approved, the Member shall
7 return to same or like position. Leaves of absence in excess of thirty (30)
8 working days are subject to ratification by the Governing Board in
9 accordance with the provisions of this Article.

10
11 Personal leave shall not be awarded for the purpose of
12 investigating or accepting employment opportunities elsewhere.

13
14 Section 7 – Public Office Leave

15
16 Every permanent Member who is elected to public office shall be
17 granted an unpaid leave of absence from his/her duties as an employee
18 of the District, upon request, for the term of office. Such absence shall not
19 affect the classification of the Member or any rights under this Agreement.

20
21 No remuneration shall be awarded by the District for such public
22 office duties. However, during the term of such absence, the permanent
23 Member may be employed by the District to render service in less than
24 full-time capacity for such compensation and conditions as may be
25 mutually agreed upon.

26
27 Within six (6) months following the expiration of term of office, the
28 Member shall be entitled to return to the position held by him/her at the
29 time of his/her election. The Member shall be placed on the salary
30 schedule at the level to which he/she would have been entitled had
31 he/she not absented himself/herself from the District.

32
33 A substitute employed to replace the permanent Member on
34 public office leave shall not have any right to such position following the
35 return of the Member to his/her assignment.

36
37 Section 8 – Military Leave

38
39 Members on military leave shall be entitled to all rights as provided
40 by State and Federal Law.

1 Section 9 – Immediate Family Member Defined

2
3 Father, mother, sister, brother, daughter, son, wife, husband, legal

7 grandmother or grandfather of spouse or any relative living in the
8 Member's immediate household.

9

12 Members shall be granted a leave of absence with pay and all
13 entitled benefits and privileges for a period equal to three (3) assigned
14 shifts (work days) due to death or imminent death in the immediate family
15 or a period equal to five (5) assigned shifts if more than six hundred (600)
16 miles, round trip, is required to attend or arrange funeral services. The
17 Governing Board, upon the recommendation of the Superintendent, may
18 enlarge the benefits at its discretion.

19
20 A maximum of three (3) days of leave without loss of pay in any one
21 (1) school year may be granted for absence due to serious illness or
22 accident, with death imminent, of an immediate member of the family as
23 defined above. Medical verification shall be required to substantiate
24 imminent death leave.

ARTICLE 10
COURT LEAVES OF ABSENCE

1
2
3
4 The District and Association recognize that Peace Officers
5 appointed under Penal Code §830.32 are not exempt from jury duty
6 service. Members who receive a jury duty subpoena shall notify their
7 immediate supervisor of the appearance date a minimum of three (3)
8 working days prior to the date indicated on the subpoena.

9
10 Members who must appear in court shall be compensated their full
11 daily salary, excluding any amount received by the court for jury duty
12 payment, if payment is received. Within ten (10) days of receiving
13 payment from the court, the Member shall remit to the District the amount
14 received as jury duty payment. Members required to serve on jury duty
15 must obtain written verification from the appropriate court indicating the
16 date(s) that they actually served.

19 dismissed prior to the end of his/her normal work day, the Member need
20 not report to work for that calendar day.

21
22 In the event a Member, responding to a jury duty summons, is
23 required to call the court offices to receive instructions as to whether or
24 not to report to jury duty, the Member will report to work per his/her
25 normal work hours and will be excused for the remainder of the work day
26 if notified to report to jury duty at any time during the day.

27
28 A Member shall be entitled to paid leave to appear in court as a
29 witness, when subpoenaed, other than as a litigant or defendant, or to
30 respond to an official order to appear from another governmental entity.

4 **ARTICLE 11**
5 **PROBATIONARY PERIOD**

6 Section 1 – Newly Hired Members

7 Newly hired Members shall be subject to a probation period equal
8 to twelve (12) calendar months from the 1st day that they render paid
9 service as an employee in that classification for the District. Trainees in
10 any classification do not begin to accrue seniority until the first day they
11 render service as a full duty, non-trainee Member of the Association.

12 Section 2 – Seniority Determination

13
14 Should two (2) or more Members have the same date of hire with
15 the District, seniority shall be determined based upon the following criteria
16 in order of precedence:

- 17
18 1. Total length of service as a full-time, compensated, Peace
19 Officer or Dispatcher, within that classification, with any
20 California P.O.S.T. certified agency.
21
22 2. Education, defined as post-secondary units with any accredited
23 institution of higher learning.
24
25 3. Training.
26

27 In the event that two (2) or more Members are equal after an
28 evaluation of the above criteria, the order of seniority shall be determined
29 by lot drawn by the Assistant Superintendent, Human Resources of the
30 District, or designee. The drawing shall be done in the Human Resources
31 Office and the President of the Association shall conduct the drawing with
32 designees from the Human Resources Office.
33

34 Human Resources shall provide the Association copies of the results
35 of the above determination.

1

3
4 The District is a drug and alcohol free workplace. Members agree
5 to adhere to current law and Department policy regarding drug/alcohol
6 use and testing. Members may use prescription drugs while working, if it is
7 a non-narcotic and does not adversely affect the Member's ability to
8 safely discharge the duties as shown in the job description.

9
10 Regardless of any legislation, during the length of this Agreement,
11 Members shall not engage in the use of cannabis or any other substance
12 that can be ingested that contains Tetrahydrocannabinol (THC) whether

**ARTICLE 13
SUSPENSION/DISCHARGE**

1
2
3
4 The District recognizes that an effort shall be made to remediate
5 any unsatisfactory job performance displayed by Members prior to taking
6 formal disciplinary action by management personnel. Making Members
7 aware of employment standards, as well as the consequences for non-
8 compliance with the standards, shall precede corrective or disciplinary
9 steps which shall include, but not be limited to, in-service and/or hands-on
10 training.

11
12 This recognition of progressive discipline, however, shall not
13 preclude the District from seeking immediate dismissal of Members for
14 serious acts of misconduct which may include, but not be limited to, theft,
15 assault and/or battery, dishonesty, or other serious types of misconduct.

16
17 In the event that a Member is alleged to have acted in such a
18 manner as to warrant a suspension, demotion, and/or discharge, he/she
19 shall be furnished with a copy of the reason(s) for the action. The
20 Association shall be notified in writing within five (5) working days
21 whenever a Member is charged with serious misconduct that may result in
22 the suspension, demotion or a recommendation to the Board for
23 termination.

24
25 The procedures for Member suspension, demotion or dismissal are
26 set forth in District's Administration Regulation 4218 and are to be
27 complied with regarding all discipline matters. The District shall abide by
28 the Peace Officer Bill of Rights or other codes applicable to California
29 Peace Officers with sworn Members.

30
31 Notwithstanding any other language, rule or regulation to the
32 contrary, whether contained within the District's Administrative Regulation
33 4218 or elsewhere, the Chief of School Police shall have the authority to
34 impose disciplinary measures up to and including written reprimand. The
35 Chief shall have the right to recommend assignment transfers and position
36 changes not resulting in a loss of pay to Human Resources, who shall have
37 the final right to impose the action. The decision of the Chief of School
38 Police shall constitute the final decision of the District. The Chief of School
39 Police shall not have the authority to impose disciplinary measures
40 amounting to unpaid suspension, demotion or dismissal.

1 All disciplinary measures imposed shall have the right to an
2 evidentiary appeal pursuant to applicable law, except those imposed or
3 recommended by the Chief of School Police as outlined above.

4
5 Disciplinary measures beyond those imposed by the Chief of School
6 Police shall be subject to the provisions of FUSD Administrative Regulation
7 4218, et.al. When a Member appeals a disciplinary action subject to
8 evidentiary appeal pursuant to applicable law within the scope of this
9 Article and the matter is to proceed to an evidentiary hearing, the
10 hearing shall be subject to the procedures as outlined in FUSD
11 Administrative Regulation 4218. The District shall have the right to use a
12 non-binding arbitrator as the hearing officer. The Association and the
13 District shall each pay one-half (1/2) of the selected hearing officer's fees
14 and expenses, as well as any costs associated with obtaining a list of
15 arbitrators and/or selecting and notifying the arbitrator selected.

4 **ARTICLE 14**
5 **GRIEVANCE PROCEDURE**

6 DEFINITIONS:

7
8 Grievance

9 A grievance is an allegation by a Member or Members that
10 he/she/they have been adversely affected by an alleged
11 misinterpretation, misapplication or violation of the Agreement or any
12 other applicable statute by the District. Actions to challenge or change
13 the policies, regulations or other matters outside of this Agreement are not
14 within the scope of this procedure and review must be taken under
15 separate processes.

16 Day

17
18 The term "day" shall constitute a regular business day.

19
20 Immediate Supervisor

21
22 Immediate supervisor is the lowest level administrator having
23 immediate jurisdiction over the grievant.

24
25 TIME LIMITS

26
27 The time limits contained herein are considered maximum limits;
28 however, time limits may be extended by mutual written agreement. In
29 the event the grievant fails to meet a time limit, the grievance shall be
30 deemed to have been waived. In the event the District fails to meet a
31 time limit, such failure shall automatically move the grievance to the next
32 step of the grievance procedure.

33
34 GRIEVANCE STEPS:

35
36 Informal Level

37
38 Before filing a formal written grievance, the grievant shall attempt
39 to resolve the alleged grievance through an informal conference with the
40 grievant's immediate supervisor.

1 Step 1

2
3 No later than twenty (20) days following the act or omission giving
4 rise to the grievance or no later than twenty (20) days following the date
5 upon which the Member reasonably should have known of the act or
6 omission, the grievant must present such grievance in writing to the
7 immediate supervisor.

8
9 The written grievance shall contain a statement of the grievance,
10 the provision(s) of the Agreement allegedly involved, and the remedy
11 sought.

12
13 The immediate supervisor shall communicate a written decision to
14 the Member within ten (10) days after receiving the grievance. Such
15 written decision shall contain an explanation of the decision rendered.

16
17 Within the above time limits, either party may request a personal
18 conference with the other party.

19
20 If the grievant is not satisfied with the disposition of the grievance at
21 this step, an appeal to the next step must be made in writing to the
22 appropriate personnel within ten (10) days after the decision is delivered
23 to the grievant. Failure to appeal within this time period shall serve as a
24 waiver of all appeal rights and the decision at this step shall be final and
25 binding.

26
27 Step 2

28
29 The Superintendent, or his/her designee, shall consider the
30 grievance, render a decision within ten (10) days after receiving the
31 grievance, communicate a decision to the grievant in writing, and
32 provide a copy of the decision to the Association. This shall not preclude
33 the Superintendent, or his/her designee, from meeting and discussing the
34 results with the grievant, but doing so does not mitigate the requirement
35 of placing the decision in writing and providing copies as stated above.

36
37 Such written decision shall contain an explanation of the District's
38 position regarding the grievance. Either the grievant or the
39 Superintendent, or his/her designee, may request a personal conference
40 to discuss the grievance within the above time limits. If the
41 Superintendent, or his/her designee, does not respond within the above
42 time limits, the grievance shall automatically proceed to the next step.

1 If the grievant is not satisfied with the disposition of the grievance at
2 this step, an appeal to the next step must be made in writing to the
3 appropriate personnel within ten (10) days after the decision is delivered
4 to the grievant. Failure to appeal within this time period shall serve as a
5 waiver of all appeal rights and the decision at this step shall be final and
6 binding.

7
8 Step 3

9
10 If the grievant is not satisfied with the disposition of the grievance at
11 Step 2, or if no written decision has been rendered within the applicable
12 time limits, the grievant may within ten (10) days after a written decision is
13 rendered, or should have been rendered, by written notice to the
14 Superintendent, elect to submit the grievance to the Board of Education
15 for consideration.

16
17 The Board shall consider the grievance and render a decision within
18 ten (10) days after its first regular meeting following official receipt of the
19 grievance. The Board may, in its sole discretion, decide to conduct an
20 informal hearing in Closed Executive Session or to render a decision based
21 upon a review of written documents developed in the previous Steps of
22 the Grievance Procedure. If the grievant is not satisfied with the disposition
23 of the grievance at this step, an appeal to the next step must be made in
24 writing to the appropriate personnel within ten (10) days after the decision
25 is delivered to the grievant. Failure to appeal within this time period shall
26 serve as a waiver of all appeal rights and the decision at this step shall be
27 final and binding.

28
29 Step 4

30
31 Grievances as defined in this Article, and not resolved to the
32 satisfaction of the Grievant at Step 3 above, may proceed to non-binding
33 advisory arbitration at the election of the Association. Selection of the
34 arbitrator to hear such grievance shall be either by mutual agreement of
35 the Association and District, or through the alternative strike method from
36 a list comprised of an odd number of arbitrators. The Association and
37 District shall each pay one-half (1/2) of the selected arbitrator's fees and
38 expenses, as well as any costs associated with obtaining a list of arbitrators
39 and/or selecting and notifying the arbitrator selected.

40
41 The arbitrator selected to hear such grievance and render findings
42 advisory to the Board shall render such findings in a written report to the
43 Board setting forth the issue(s), the positions of the parties, a discussion of
44 the evidence, and the findings and/or recommendations made to the

1 Board. Such report shall be delivered to the Board, the District, and the
2 Association within thirty (30) days following conclusion of the hearing or
3 submission of the grievance upon written record.
4

5 The Board may accept, reject or modify the arbitrator's findings and
6 recommendations. However, if the Board exercises its discretion to reject
7 or modify the arbitrator's findings, in whole or in part, the District shall pay
8 the entire cost of the arbitrator's fees and expenses, as well as any costs
9 associated with obtaining a list of arbitrator's and/or selecting and
10 notifying the arbitrator selected.
11

12 If the Association exercises its discretion to seek judicial review of
13 the arbitrator's findings and recommendations, either in whole or in part,
14 the Association or the Legal Defense Fund, if approved, shall pay the
15 entire costs of the judicial proceedings.
16

17 MISCELLANEOUS:
18

19 A Member may be represented up to Step 1 of the Grievance
20 Procedure by himself/herself and, at his/her option, accompanied by a
21 representative provided by the Association. If a Member is not
22 represented by the Association, or its representative, the Member shall
23 give a written waiver of rights to representation to the District and a copy
24 to the Association. The Member may then represent himself/herself and
25 resolve the grievance directly with the District without further involvement
26 of the Association.
27

28 The Association representative charged with the responsibility of
29 processing a grievance or providing representation for the grievant will
30 receive paid release time in order to execute said responsibilities.
31

32 Prior to release from duties for grievance processing or
33 representation, the designated representative must inform the immediate
34 supervisor in order that substitute service may be obtained, if such is
35 necessary. That time off shall be limited solely to one (1) designee
36 representing grievant in a conference with a management person.
37

38 Under no circumstances shall such time be used for investigating
39 grievances, gathering information, interviewing witnesses or preparing a
40 presentation. The granting of release time does not mean that the District
41 must schedule any or all such grievance meetings during working hours.
42 The District shall maintain separate grievance files for documents,
43 communications, and records dealing with the processing of a grievance.
44

ARTICLE 15
WORKER'S COMPENSATION

1
2
3
4 The provisions of Workers' Compensation laws are applicable to
5 employees within the State of California. Pursuant to these provisions, an
6 "employee" is defined as a person who is in the employment of another
7 either by oral or written contract and lawfully or unlawfully employed.

8
9 The Member, together with his/her supervisor, shall complete and
10 forward to the Risk Management Office Form B-28, Accident Investigation
11 Form, as soon as practicable after an injury occurs.

12

ARTICLE 16
INDUSTRIAL ACCIDENT OR ILLNESS LEAVE

Eligibility:

It is the legal obligation of the Governing Board to adopt rules and regulations for industrial accident or illness leave of absence for persons employed in classified positions. Governing Board policy pertaining to industrial accident or illness leave shall apply to all Members, unless otherwise required by law regarding accidental, injury, disability or death involving a Peace Officer.

The allowable leave shall be the equivalent of sixty (60) assigned shifts in any one (1) fiscal year for each accident or illness. When an industrial accident or illness leave overlaps into the next fiscal year, the classified employee shall be entitled to only the amount of unused leave due him/her for the same illness or accident. Allowable leave shall not be accumulated from year to year. Industrial accident or illness leave shall commence on the first day of absence. Such leave shall be reduced by one (1) day for each day of authorized absence, regardless of a temporary disability indemnity award.

Compensation:

Any Member who is absent because of injury or illness occurring in the course of employment and for which he/she is receiving temporary disability benefits under Workers' Compensation shall not be entitled to receive salary from the District which, when added to temporary benefits, will exceed a full day's salary. Police Officers participate in Long Term Disability Insurance that is paid for by the Member's own dues. As such, any benefits received by said insurance coverage shall not preclude the Police Officer from receiving any benefits permitted by this Agreement.

Upon termination of an industrial accident or illness leave, the Member shall be entitled to sick leave benefits provided by the District. If the Member continues to receive temporary disability indemnity, he/she may elect to take as much of his/her accumulated sick leave which, when added to his/her temporary benefits, will result in a payment to him/her of not more than his/her full salary.

When sick leave is used in conjunction with temporary disability benefits, it shall be reduced only in that amount necessary to provide a full day's salary when added to such temporary indemnity. The Member shall be notified by the District as to the extent or amount of sick leave

1 being utilized in conjunction with temporary benefits under Workers'
2 Compensation.

3
4 When a member utilizes sick leave in conjunction with temporary
5 disability, he/she shall be paid the difference between disability payment
6 and his/her regular salary. Any Member receiving benefits during periods
7 of industrial accident or illness leave shall remain within the State of
8 California unless the Governing Board authorizes travel outside the State.

9
10 Any absence which is supported by a doctor's off-work order and
11 which is verified as qualifying for Workers' Compensation which is on the
12 District's Medical Provider Network or a predesignated physician is an
13 absence payable under industrial illness and accident leave. For special
14 cases that cannot be immediately verified as a bona fide Workers'
15 Compensation claim, the payroll charge will be made to the Member's
16 sick leave account. If the claim is subsequently approved, an adjustment
17 will then be made restoring to the Member the sick leave previously
18 charged from the first day of absence and a charge made in lieu thereof
19 to industrial illness and accident leave.

20
21 In the event medical diagnosis or other facts reveal that an injury or
22 illness originally adjudged to be of industrial origin was not in fact such,
23 payroll adjustments will be made to the Member's sick leave account or
24 such other action taken as necessary to rectify payroll inequities.

25
26 When a Member receives wage loss benefit checks under the
27 Workers' Compensation laws in conjunction with industrial accident or
28 illness leave, sick leave, vacation time or one hundred (100) day/half-pay
29 shift plan benefits. The District in turn shall issue the Member appropriate
30 warrants for payment of wages or salary and shall deduct normal
31 retirement and other authorized contributions.

1 Reduction in Force

2
3 In cases of reduction in force, date of hire with the District shall be
4 determinative.

5
6 Should two (2) or more Members have the same date of hire with
7 the District, seniority shall be determined based upon the following criteria
8 in order of precedence:
