## 2015-2016 School Accountability Report Card

### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### District Goals

#### LEARNING FOR ALL STUDENTS

Every student will be provided a comprehensive educational program aligned with the California State Standards that increases student achievement at the highest level and increases attendance.

#### SAFE, POSITIVE, WELL-MAINTAINED SCHOOLS

Every student will be provided with a clean, orderly, and adequately equipped school that is organized for its educational purpose and where every student is welcomed, respected, and valued.

#### QUALITY STAFF PROVIDING QUALITY SERVICE

Every student will be provided with a quality education by highly qualified staff who will be continuously trained in teaching strategies, support programs, and staff development activities.

#### SCHOOL/HOME/COMMUNITY PARTNERSHIPS & COMMUNICATION

Every student will be supported, and relationships enhanced, through open communication with parents, students, colleagues, and the community to develop partnerships.

#### ACQUISITION & ALLOCATION OF RESOURCES THAT SUPPORT THE ABOVE GOALS

Every student will be supported through the strategic allocation of all resources by continuously reviewing, updating, and fully implementing all district plans.

### Principal's Message

It is a pleasure to serve such a great community of amazing students, wonderful families and a dedicated staff. As I begin my 5th year at Dorothy Grant Elementary, I feel privileged to continue working with all of you! Our goals for Dorothy Grant Elementary are to ensure:

- All students will be on track for college and career readiness
- All students will be able to compete in the global community
- All students will be kind, compassionate caring individuals

These goals for our students at Dorothy Grant Elementary require a great commitment on the part of all key stakeholders. Parents, teachers, staff, our counselor, and I must support students daily and work collaboratively to ensure student success. Please work with us on the following:

- Demonstrate high expectations for academics, attendance, character and performance for your child daily
- Hold regular conversations with your child and your child's teacher about learning goals. Don't wait to have conversations about how to enrich their academics, character or interventions as needed
- Check homework, classwork and activities for your child's best work on a daily basis-- learning excellence begins at home and is built upon at school
- Hold daily conversations utilizing a rich vocabulary with your child-- learn new words and make learning language a daily habit
- Talk to your child about being a great citizen and being kind to others. Stand up for what is right in the world. We have zero tolerance for bullying!
- As adults, it is important that we model appropriate behavior when on school grounds or when conflict occurs-- your child is watching every move you make!
- Be an active participant at school at Dorothy Grant. We are home of the volunteers! Sign up to volunteer in the classroom, on the PTA/ SSC/ELAC, and get to know your child's teacher and his/her friends
- Utilize online resources the school provides such as Lexia, Starfall, Mobymax, Discovery Education and Ten Marks for learning at home (see your child's teacher for passwords).

We look forward to working with you! Please check the calendar for upcoming events, check the Dorothy Grant PTA website, Dorothy Grant PTA Facebook page, and upcoming Dorothy Grant PTA Instagram site. Stay in the know!

## School Profile (School Year 2016-17)

Dorothy Grant Elementary School opened its doors in August 2004 and was named after a prominent, nationally renowned civil rights leader who passed away in April 2013. It is a community school located in the middle of a residential neighborhood where most students walk to school. A state preschool program is on campus and open to eligible 3-5 year olds; the preschool program offers a child-centered curriculum focusing on physical, cognitive and social-emotional growth and requires parents to help out in classes.

Dorothy Grant Elementary School proudly earned the California Department of Education's 2013 Title I Academic Achievement Award and is a California Distinguished School. This prestigious honor is a reflection of the school's system of support for all students at all learning levels. Innovative intervention strategies and differentiated instruction greatly impacted schoolwide student performance to meet state and federal standards of excellence.

The use of technology is strongly emphasized throughout the curriculum and used as a tool to enhance class lessons. Each teacher has a laptop and LCD projector to expand instructional resources beyond the traditional textbook. Dorothy Grant Elementary utilizes the Response to Intervention Model to ensure that all students are learning and that differentiated instruction takes place within each student's grade level and learning level.

## School Enrollment (School Year 2015-16)

Dorothy Grant Elementary School follows a modified, traditional schedule. In the 2015-16 school year, the school served 682 students in kindergarten through fifth grade. The charts display student enrollment broken down by grade and student group.

### Enrollment Trend by Grade Level

	2013-14	2014-15	2015-16

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

### Teacher Credential Status

	School			District
	14-15	15-16	16-17	16-17
Fully Credentialed	23	26	25	1544
Without Full Credentials	1	0	0	16
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies			
	14-15	15-16	16-17
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
<b>Total Misassignments of Teachers</b>	<b>0</b>	<b>0</b>	<b>0</b>
Vacant Teacher Positions	0	0	0

## Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as “Highly Qualified”. Minimum qualifications include: possession of a Bachelor’s Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

*Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.*

Low-Poverty Schools in District	N/A	N/A

## Instructional Materials (School Year 2016-17)

Fontana Unified School District held a public hearing on September 14, 2016, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*.

All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October 2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facilities (School Year 2016-17)

Dorothy Grant Elementary School provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision. Built in 2004, the school sits on 10 acres and includes a library, a staff lounge, 28 permanent classrooms, three portable classrooms, a computer lab, a teacher's workroom, an enrichment room, a RSP room, a Speech Therapy room and a cafeteria/multipurpose room with a stage area. The school's garden, featuring a beautiful waterfall, is fully cared for by the students.

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at

Dorothy Grant Elementary School at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs. The chart displays the results of the most recent facilities inspection at the school. Facilities information was collected in October 2016.

### Campus Supervision

School police officers help direct traffic before and after school, as needed. Each morning before school starts, many staff members share supervisory duties and greet students as they arrive on campus. Two noon aides direct pedestrian and vehicle traffic; one noon aide is stationed on the playground; teachers are in front of the school, on the playground, in quad areas; and the principal supervises activities in front of the school. During recess, noon aides are on the playground to ensure students play safely. At lunch time, two noon aides monitor cafeteria activities while a noon aide circulates between the cafeteria and playground areas. When students are dismissed for the day, teachers escort their students to the designated exit areas, two noon aides direct traffic, and the principal circulates exit and school-front areas to ensure students depart in a safe and orderly manner.

Dorothy Grant Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors.

The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines. Each custodial staff member receives job training and is provided a copy of the district's cleaning manual, which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

One full-time day custodian, one full-time evening custodian, and one part-time evening custodian are assigned to Dorothy Grant Elementary and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order. Each morning before students arrive on campus, the day custodian and the principal inspect facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds. Custodians inspect restrooms a minimum of four times per day and clean as needed. The principal and custodians communicate daily regarding campus maintenance and safety issues.

Daily housekeeping and cleaning takes place in the evening. When students and staff are on intercession or school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary, who forwards all work orders to the district's maintenance department. The Maintenance Department identifies the scope of the project, and assigns it to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. The paper-pencil assessments include the Science assessments for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

This table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years, and Science (grades 5, 8, and 10) for the past three school years.

California Assessment of Student Performance and Progress

Science (Grades 5, 8, and 10)	64	66	64	52	49	46	60	56	54

The following tables display information on student achievement by student groups for the school in ELA and Mathematics for grades three through eight and eleven, and Science for grades five, eight, and ten.

*Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.*

*Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

*Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.*

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

**Physical Fitness (School Year 2015-16)**

In the spring of each year, Dorothy Grant Elementary School is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. This table displays by grade level the percent of students meeting fitness standards (scoring in the "healthy fitness zone" on all six fitness standards) for the most recent testing period. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

**Parent Involvement (School Year 2016-17)**

Parents are encouraged to get involved in Dorothy Grant Elementary School's learning community. School events such as Back-to-School Night, Open House, Family Nights with an academic focus, and the PTA Book Fairs provide opportunities for parents to interact with school staff while supporting their child's academic programs. Teachers also host a number of sessions on various education, social, and parenting topics throughout the year. The School Site Council, Parent Advisory Committee, Parent Teacher Association, English Learner Advisory Council, and Title I Committee provide opportunities for parents to have input on curricular programs and financial planning.

All school-to-home communication is provided in both English and Spanish. The PTA school website is updated monthly to provide parents information regarding pertinent information about school activities and programs, special announcements, and educational activities. School staff send personalized letters home to parents to address individual concerns. TeleParent™, an Internet-based telephone messaging system, forwards personalized messages from school staff to each student's home. The principal makes announcements and shares information related to classroom activities, lessons, and upcoming events over the intercom system. The school marquee features current events announcements and reminders.

**Contact Information**

Parents seeking more information about getting involved in the school community may contact the community liaison at (909) 357-5540.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Discipline & Climate for Learning

Students at Dorothy Grant Elementary are guided by school rules and behavior expectations established by the Fontana Unified School District and which promote respect, cooperation, courtesy, and acceptance of others. School staff explain and discuss the various types of appropriate and inappropriate school behavior.

At the beginning of the school year, school rules and behavioral expectations are provided in a student/parent handbook. The principal conducts discipline assemblies during the first few weeks of school to share district policies, discuss appropriate behavior, and explain consequences for poor behavior. Students are reminded of their individual responsibilities in maintaining good citizenship at grade level assemblies and in classroom presentations led by the principal.

A progressive discipline approach is taken when students are having difficulty following school rules. Disciplinary measures are administered by class teachers for minor infractions. Students who continue making poor choices in conduct are referred to the principal for more serious consequences and parent conferences.

Administrators take into consideration the nature of the situation and past behavioral trends when addressing consequences and positive behavior strategies.

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

Every student has the opportunity to be recognized for outstanding academic efforts and demonstrating good citizenship. Bernie Bucks are earned by students who demonstrate good citizenship and for random incentives such as maintaining 100% attendance during testing weeks. Every Friday, students who have earned Bernie Bucks may deposit their "bucks" into the school drawing for special prizes and verbal recognition in classroom presentations. Students achieving outstanding efforts in academics, attendance, and citizenship are recognized at awards assemblies at the end of each trimester.

After-school programs feature fun activities that promote fitness, academic enrichment, and community service. Students are invited to participate in a structured, on-campus afterschool program sponsored by the Fontana Parks and Recreation Department, which meets daily until 6:00p.m. Activities include academic enrichment, tutoring, homework support, and fun recreational games.

### Safe School Plan (School Year 2016-17)

In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare Attendance to comply with Senate Bill 187 of 1997. The plan was last reviewed, updated, and discussed with school staff in October 2016. An updated copy is available to the public at the school office.

Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2016-17)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals.

For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

### Staff Development

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, Professional Learning Communities, and Response to Instruction and Intervention. The school supplements district training with site-based training focused on meeting the needs of the school based upon student assessment results and teacher input.

Fontana Unified School District plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs. In the 2013-14 school year, five days of staff development were provided to every elementary school teacher and three days to every middle school and high school teacher. In the 2014-15 school year, no districtwide staff development days were provided. In the 2015-16 school year, there were two districtwide staff development days.

New and veteran teachers are offered support through Peer Assistance and Review and Beginning Teacher Support Assistance programs. Each program pairs participating teachers with qualified veterans to gain the skills and knowledge to be effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

### Class Size Distribution

The table indicates the average class size by grade, as well as the number of classrooms that fall into each size category.

## Counseling & Support Staff (School Year 2015-16)

Dorothy Grant Elementary makes every effort to meet the academic, emotional, and physical needs of its students. The school employs highly qualified personnel to provide counseling and support services.

Student Intervention Teams (SIT) address issues that affect the ability of a student to perform at his or her best in school and recommend various intervention strategies/services to meet the unique needs of referred students. The academic counselor-to-pupil ratio is 1:682. The chart displays support staff available to students in the reporting year. *Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.*

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Adaptive PE Aide	1	0.1
Adaptive PE Specialist	1	0.1
Communication Liaison	1	0.8
Counselor	1	0.5
Health Assistant	1	0.8
Instructional Support Teacher	1	1.0
Language/Speech/Hearing Aide	1	0.2
Psychologist	1	0.4
School nurse	1	0.2
Speech & Language Therapist	1	0.4

The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Dorothy Grant Elementary's special education staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

## Technology Resources

Dorothy Grant Elementary School has an average of three computers in each third, fourth and fifth grade classroom and an average of two computers in each second and first grade classroom. Students use classroom computers for research and reinforcement of weekly class lessons. Dorothy Grant Elementary has two computer labs. One lab contains 32 Internet-accessible workstations and is used for whole class intervention to reinforce class lessons. The second lab contains 35 student computers and one teacher computer. This lab is used for student research, code writing, keyboarding skills, and after school intervention. Dorothy Grant Elementary Technology Team wrote a proposal and was awarded a technology grant in the Spring of 2016. The grant provided five classrooms with an 80 inch flat screen monitor, a teacher windows 10 tablet, Bluetooth projection camera, and ten student windows 10 tablets. Tablets are used for the integration of technology during direct instruction.

Each teacher determines the method to integrate technology into the curriculum. All computers host McGraw-Hill online resources, Discovery Streaming applications, Lexia Core 5 Reading, Mobymax and Compass Learning Math.

Dorothy Grant Elementary School provides state-of-the-art tools for students to be producers of technology rather than users. Some Kindergarten through Fifth grade classes are equipped with SMARTboards which are used to enhance the delivery of instruction and engagement in the classroom. All teachers are provided with a teacher laptop, document camera, projector, and classroom printer.
