

Commonly Offered High School Partnership (HSP) Classes

- Complete or partial IGETC certification of coursework is certified by the last California Community College (CCC) attended for a fall or spring semester prior to transfer.
- Coursework completed at another CCC should be applied in the same area in which it was listed at the CCC where it was taken.
- Partial Certification is defined as completing all but “2” courses on the IGETC pattern.
- All courses must be completed with a grade of “C” or better and a minimum of 3 semester/4 quarter units. A grade of “CR” (credit) or “P” (pass) may be used if the grading policy at the institution where it was completed states that “CR” or “P” is equivalent to a grade of “C” or better.
- The UC will allow no more than 14 semester units with a grade of “CR” or “P” towards the IGETC. CSUs each have their own policy.
- Courses may be used in only one area with an exception of Area 6, LOTE and the CSU US History and Constitution Requirement.
- Some IB and AP courses fulfill requirements of the IGETC. Please see a counselor for information on what AP and IB scores will fulfill requirements and how many transferable units will be granted. Only AP scores of 3, 4, and 5 and IB scores of 5, 6, and 7 count for credit. Credit for AP & IB awarded for admission is determined by the CSU and UC. The UC credit policy for AP can be found on the UC website: www.universityofcalifornia.edu.
