

Fontana Unified School District

ACCESSING REMOTE TESTING LINKS

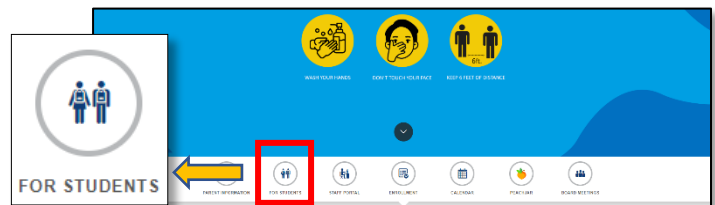

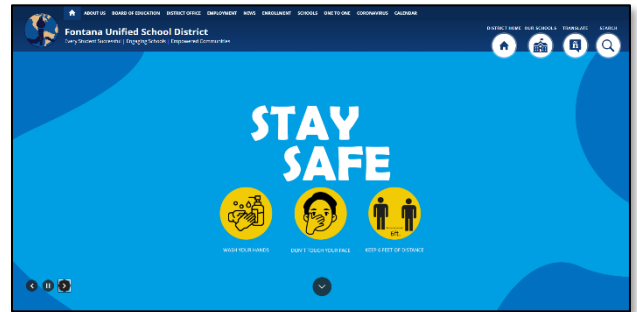

for PARENTS and STUDENTS from the Student Portal

IO and MAP Growth Testing

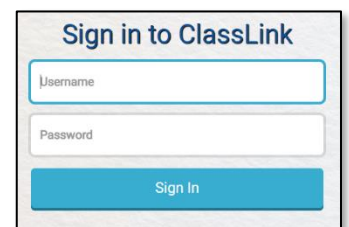

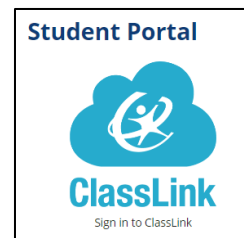

Step 1: From your district-issued device and using Google Chrome or Microsoft Edge, navigate to the FUSD website at fUSD.net.

NOTE: Do not use any other internet browser. Only Google Chrome or Microsoft Edge can be used for **IO** and **MAP Growth** testing.

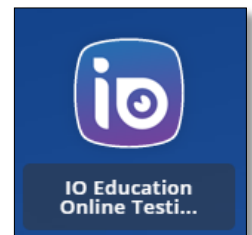

Step 2: From the home page of the FUSD website, click the **FOR STUDENTS** icon. Scroll down the page if needed.

Step 3: From the Student Portal, click **ClassLink**, then students enter the same credentials that are used to log into their FUSD device. Click the **Sign In** button.

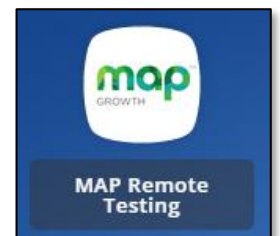

Step 4A: To take an **IO** online test, click the **IO EDUCATION ONLINE TESTING** icon from the ClassLink LaunchPad.

OR

Step 4B: To take a **MAP Growth** online test, click the **MAP REMOTE TESTING** icon.

NOTE: 1) Before taking a **MAP Growth** test, check the configuration of the FUSD device at <https://check.nwea.org/>.
2) If errors are detected, click on the corresponding link for steps to resolve the issue: [pop-up blocker](#) or [screen resolution](#).

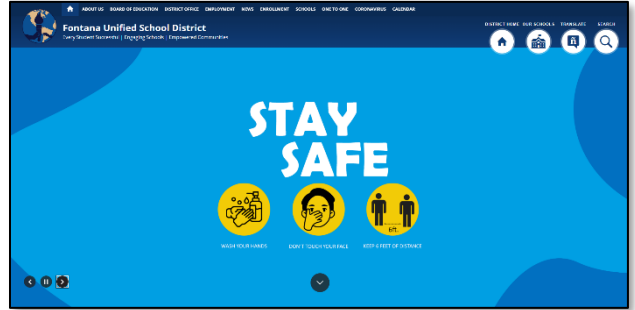

Step 5: Follow the teacher's instructions to complete the login process for the test.

Step 6: Contact the teacher via **Microsoft Teams** with questions or if help is needed.

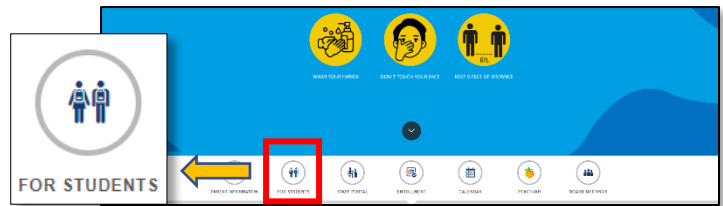

CAASPP IAB Testing

Step 1: From your district-issued device and using **ONLY** Google Chrome, navigate to the FUSD website at fUSD.net.

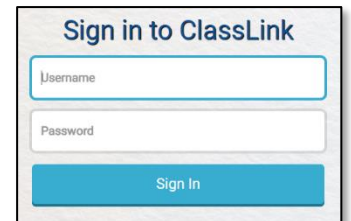

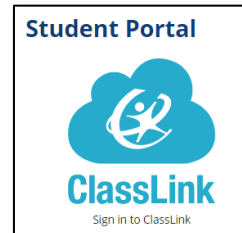

NOTE: Do not use any other internet browser. **ONLY** Google Chrome can be used for **CAASPP IAB** testing.

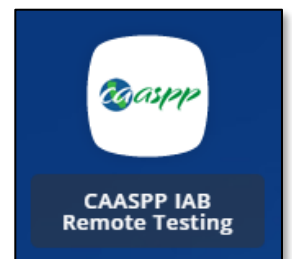

Step 2: From the home page of the FUSD website, click the **FOR STUDENTS** icon. Scroll down the page if needed.

Step 3: From the Student Portal, click **ClassLink**, then students enter the same credentials that are used to log into their FUSD device. Click the **Sign In** button.

Step 4: To take a **CAASPP IAB** online test, click the **CAASPP IAB REMOTE TESTING** icon from the ClassLink LaunchPad.

Step 5: Follow the teacher's instructions to complete the login process.

Step 6: Contact the teacher via **Microsoft Teams** with questions or if help is needed.
