

Understanding map GROWTH™ for Students

Not Graded

MAP Growth scores are not graded or part of your report card

What You Know Now

MAP Growth scores show what you know now and are ready to learn next

Help You Learn

Your teacher will use your scores to help you learn

Best Effort

It is important to give your best effort to show what you know and don't know

Growth

Your scores should show how much you have learned the next time you take MAP Growth

Answering the Questions

Each question must be answered, but it's okay not to know all the answers

Adaptive

The test adjusts to your answers; you will get easy and hard questions

Road to College

Students in Grades 5 through 10 can use their scores with the [NWEA College Explorer](#) tool to help develop a plan for college

Goals

Use your scores to set your own MAP Growth goals

Time

Each test should take about 40 to 60 minutes to complete
