

FONTANA HIGH SCHOOL

Where Tradition Meets the Future

We are a community of forward thinkers, learners and doers. Take a look inside to see what makes Steeler students stand out!

One Shared Vision.

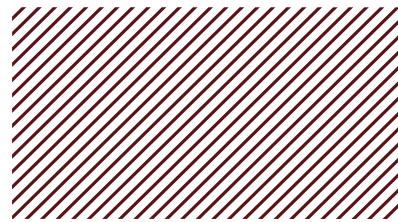

PRIDE LEGACY TOGETHER TRADITION

When you first step foot on the Fontana High School (FoHi) campus, you will notice the welcoming and nurturing school environment we have worked hard to create for our students, staff, parents, and members of our community. As the flagship high school of the Fontana Unified School District, we have been teaching, inspiring and believing in the students of Fontana for more than 65 years. And we're proud of it.

By encouraging our students to step outside the box and push the limits with academics and extracurriculars during their time here, we strive to maximize student learning and support all students in reaching their potential. Our team of dedicated teachers and academic counselors are invested in the individual achievement of every student who walks through our doors, and we are delighted to offer a safe, inclusive and equitable school community for all.

FoHi At A Glance....

Every Student Successful.

FoHi proudly offers our students...

- Access to the brand-new, state-of-the-art "Education Through Imagination" bio-animatronics laboratory, courtesy of our partnership with Garner Holt Productions
- Experienced teachers, counselors and staff focused on student achievement and college and career readiness
- Comprehensive campus offerings including a variety of clubs, athletics, visual and performing arts and college courses
- The opportunity for all students to participate in a state-recognized Career Technical Education (CTE) industry pathway of their choice

With a student body as diverse as the region where we live, we've created a vibrant community to bring all students together through academics, activities and events. As a nationally recognized AVID Demonstration School since 2006 and a 2019 recipient of AVID Schoolwide Site of Distinction, in which only the top 3% of AVID schools in the nation are awarded, all of our students have access to AVID strategies in the classroom to support future college and career initiatives.

"The teachers and counselors here genuinely care about the wellbeing of my child. They made the big transition from middle school into high school a positive experience for our entire family."

-- David P., FoHi Parent

WITH A FOCUS ON COLLEGE AND CAREER READINESS

Taken in concert with traditional 9-12 grade curriculum, every student has the opportunity to participate in the CTE pathway of their choice throughout their four-year academic journey at FoHi. With a focus on college and career readiness, all of our pathways provide hands-on learning opportunities and support from leading industry partners in our community.

Bio-Animatronics HEALTH SCIENCE AND MEDICAL TECHNOLOGY

What do you get when combining robotics, anatomy, and mechatronics? An electro-mechanically animated lifelike figure that can easily be mistaken for a real human. In partnership with Garner Holt Education, the nation's leading animatronics production company, FoHi is excited to offer students in this pathway access to the brand new, state-of-the-art, "Education Through Imagination" bio-animatronics laboratory. By studying human anatomy, body movement and neuro-prosthetics, students in this pathway will receive a full, comprehensive STEAM experience by incorporating robotics with engineering machines, laser cutters, and 3D printers to design their own life-like models, including artificial hands, arms and legs.

Sports Medicine HEALTH SCIENCE AND MEDICAL TECHNOLOGY

The cutting-edge Sports Medicine pathway is designed for students interested in areas including athletic training, physical therapy, fitness, nutrition, and other sports related fields. Students in this pathway cover FoHi sporting events as a Student Athletic Trainer, working alongside the Head Athletic Trainer and Team Physician to help injured athletes get back in the game.

Nurse Assistant HEALTH SCIENCE AND MEDICAL TECHNOLOGY

Join the future of and participate in hands-on patient care experience while utilizing the latest technology for medical careers of the future. Students have the opportunity to become certified as nursing assistants and earn a CPR certification, all while earning college credit through articulation with Chaffey College.

Emergency Medical Technician (EMT) PUBLIC SERVICE

Imagine being the first responder to arrive at the scene, administering emergency response skills to help save a life. Students learn skills and techniques firsthand through real-life curriculum, earning a multitude of industry-recognized certifications along the way with a firsthand experience of life in the emergency medical industry.

Real-World Learning.

Fire Technology PUBLIC SERVICE

Climb the ladder to an exciting future in fire. This pathway's wide array of local industry partners, including local fire station crews and medical professionals, exposes students to everyday life in the firefighting industry. Fire students utilize teamwork and critical thinking while learning emergency response protocol training.

Law Enforcement PUBLIC SERVICE

Lay down the law! This pathway is for students interested in a career in law enforcement or a related field in the criminal justice system. Law Enforcement students are set for success in any future endeavor through job shadowing opportunities with local industry partners, including the Fontana Police Departments, California Highway Patrol, and the Sheriff's Department.

Welding and Material Joining MANUFACTURING AND PRODUCT DEVELOPMENT

Spark your future in welding! This pathway provides students with exposure to the operation, standards, and current practices in the field of welding and fabrication. Students in this pathway have the opportunity to earn certifications from the American Welding Society (AWS) and can test for welding certifications for advanced welding employment through FoHi's accredited welding testing facility.

Multimedia Design ARTS, MEDIA AND ENTERTAINMENT

Master the art of storytelling through design in the Multimedia Design pathway. This pathway features a wide-variety of study areas including graphic design, video/TV production, photography, journalism and presentation skills, and video/photo editing.

Cabinetry, Millwork and Woodworking BUILDING AND CONSTRUCTION TRADES

If you have a knack for building and an eye for design, the Cabinetry, Millwork and Woodworking pathway is for you. In this pathway, students acquire the basic knowledge and skills used in furniture construction, cabinetmaking, and the construction process.

Production and Managerial Arts ARTS, MEDIA AND ENTERTAINMENT

Lights, camera, action! The Production and Managerial Arts pathway gives students the opportunity to become versed in on-stage and behind-the-scenes workings of theater. This pathway gets students in the door (or shop) to get on track to work towards certifications and admittance into the International Alliance of Theatrical Stage Employees (IATSE).

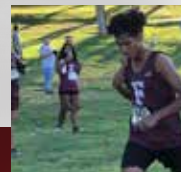

STEELER TRADITION

“My teammates have become my family. There’s nothing better than growing, improving and winning together.”

– Robert K., student athlete

The FoHi athletic program is proud of its legacy as being one of the most competitive and successful programs in the region. Since 1952, our athletic programs have provided student-athletes with an opportunity to broaden their educational experiences through a variety of team sports. Staying true to our philosophy that character, integrity, and respect are the foundation for long-term success in life – both on and off the field – all of our athletic teams place a special emphasis on sportsmanship and teamwork.

STEELER SPORTS TEAMS INCLUDE:

**Baseball
Basketball
Cheer (Competitive and Sideline)
Cross-Country
Football
Soccer**

**Softball
Swimming
Volleyball
Track & Field
Water Polo
Wrestling**

Beginning in the 2020-21 school year, FoHi will be a member of the newly formed Arrowhead Athletic Conference, consisting of 13 schools and 3 leagues in our region.

SOMETHING FOR EVERYONE

Our school is proud to offer a wide range of comprehensive programs and extra-curricular clubs and electives to all students. Whether you are looking to try something new, continuing to refine the skills you already have, or looking to connect with other students with similar interests, we have just what you're looking for.

"I always thought I was too shy to sing in front of others, let alone an audience. When I joined the choir program here, the other students cheered me on and gave me courage that I never knew I had."

— Claire P., Choir Student

Naval ROTC Honor School, and PBIS Gold

COME GROW WITH US!

About the College, Careers and Economic Development Department at Fontana Unified School District

The College, Careers and Economic Development Department works collaboratively with the Teaching and Learning Division and serves as the Fontana Unified School District liaison with local, state and national organizations that connect and support college, career and economic development. The Career Technical Education pathways program is an approach that blends college preparatory academics with rigorous career technical education courses that are centered around an industry sector, pathway and career theme. Students will apply their knowledge and skills in an authentic, real-world context that brings community partners and the school together to prepare students to be College and Career Ready upon graduation from high school.

For further information about the industry pathways at Fontana High School, contact:
